

# New Cashless System on its way!

Redeemer Lutheran College is always seeking to make your interactions with the college more convenient and secure and that's why we are engaging *flexischools* (Australia's leading school payment system) to provide a new cashless way to pay for some college services.

This system will allow parents or students to place **Online Orders for Tuckshop** from home, work or school at any time via the internet and your mobile device. **Students** will use their **Student Card** to purchase items over the Tuckshop counter.

This system will be rolled out in the Tuckshop next year. The exact date of introduction has not yet been finalised but it is anticipated that *flexischools* will be implemented during Term 1, 2014.

## PARENTS

A convenient way to stay in control of school lunches.

- Safer and more convenient
- Removes the need for cash at school
- Monitor purchases online

## Junior School Student Online Tuckshop Ordering

Parents and Junior School students will be able to order from the Tuckshop online up to the cut-off time in the morning. The payment for this is also done online, so **you will no longer need to send cash or a paper order to the college**. As well as being convenient for parents, the online orders will be more accurate and much faster for the Tuckshop to operate.

## Senior School Student Card Payments

Senior School Students will be able to use their student card to purchase goods at the Tuckshop. Parents will set up a *flexischools* account online and pre-load their account with funds. Students will make purchases at the Tuckshop by swiping their card at the cash register. Parents will be able to view their students' purchases online and can set a daily spending limit on the student's card.
