SYDNEY AND CANBERRA TOUR

Year 6 students have recently undertaken an education tour of the national capital. Students were given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy. Some of the places visited in Canberra were Old and New Parliament House, High Court of Australia, National Museum, AIS, Questacon, Government House (where one

group got to meet the Governor General), Royal Australian Mint and the Australian War Memorial. In Sydney we visited Taronga Park Zoo and went on a ferry ride that took in the sights of the Sydney Harbour Bridge and Opera House. It was a truly magnificent trip and all had a great time. Our tour guides and hosts complimented us on the politeness of our students and how well behaved our group was.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civic and Citizenship education. To assist families in meeting the cost of the excursion, the Australian Government is contributing funding of \$60 per student under the Parliament and Civics Education Rebate Program towards those costs. The rebate is paid directly to the school upon completion of the excursion.

ANZAC DAY MARCH

Soon after school starts in Term 2, we will be getting ready for the ANZAC day parade. As has been the custom for a number of years, all students from St Andrews are invited to march behind the College banner. Students wishing to march are asked to wear their full College uniform (including formal hats).

We will meet on the corner of James and West streets in Burleigh by 9.00am on Thursday 25 April, in preparation for the march which begins at 9.30am. As a group, we will then sit with other schools for the service at the Cenotaph, which should conclude by 10.30am.

Please be aware that parking may be difficult. I highly recommend carpooling and/or allowing enough time to park nearby and walk into Burleigh.

STANCE AGAINST BULLYING

Last Friday, the Junior School took a stance against bullying focusing on kindness and respect. Students took the opportunity to reflect during chapel on what it means to be kind to others. In classes students wrote pledges, created signs, made movies and held class discussions. Let's all keep working together to stamp out bullying.

3 WAY CONFERENCES

The 3 Way Conferences are one way in which we report to you on your child's progress at school. It was great to see so many parents taking up this opportunity to meet with their child's teacher. From my walk through it looked like there was very healthy dialogue and the students were affirmed in the areas that they are working well on and given goals to improve.

IN BRIEF-CELEBRATING THE GOOD STUFF

- Our swimmers competed very well in the Inter Lutheran Swimming Carnival recently
- Futsal teams competed at their carnival recently and won through to the next round.
- We simulated a mock chemical spill in the creek as a provocation for the Unit of Inquiry in Year 4.

- Year 3 students assisted with worship at the local community service held at the church.

EASTER EXPERIENCE

Many students are intrigued to learn about other calendars around the world. They are surprised that their world view and things like dates that seem so solid and set, can be understood differently around the world. This kind of cross cultural understanding can build in them a greater sense of awareness, openness and curiosity. This not only can help our students and children have a stronger understanding of dates, seasons and events that we count as meaningful in our culture, but also help them avoid cultural biases. We must work collaboratively to build greater intercultural awareness, appreciation and care.

The Easter Event does move dates in our calendar and is a hugely symbolic and meaningful time of year. It is an event that can be celebrated in many cultures and find its message of repentance, hope, reconciliation and love in many cultures. In the Jewish calendar Easter ties to the Passover experience, where God preserved the lives of Jews whilst in slavery in Egypt. In some Asian cultures it is celebrated with culturally relevant Spring Festivals, the beginning of New Year, growth and times of new life. Please consider the value of engaging with local church worship services at this time approaching Easter and over the Easter weekend, including the Gold Coast United Service on Easter Sunday, at HOTA.

We pray these opportunities might help to make these coming dates more meaningful than a commercial event focussed primarily on chocolate. Please consider the opportunity for Christ's message of reconciliation with God and between people as a source of life and purpose this coming Easter.

May the conference offer you the opportunity to gain valuable insights about your child's learning.

May the God who gives endurance and encouragement give you the same attitude of mind toward each other that Christ Jesus had.

3 WAY CONFERENCES

Our 3 Way Conferences are well underway! This approach is embraced by St Andrews as it offers a forum for students, parents and teachers to collaborate and discuss students' strengths and areas for improvement, along with future learning goals. The conference critically involves the student in self-assessment and allows them to take responsibility for their own learning as they work towards and achieve curriculum outcomes. During the conference, the students (with the support of the teacher) can openly discuss their work and the approaches to learning they have been developing. The research of Professor John Hattie highlights that student self-reporting is one of the most significant indicators linked to raising student achievement.

3 Way Conferences enable students to:

- Share their learning journey with parents
- Understand the importance of self-evaluation and reflection;
- Demonstrate evidence of learning;
- Develop their oral communication skills and increase their self-confidence;
- Accept personal responsibility for their learning; and
- Demonstrate voice, choice and ownership;

JS EXPRESS TROUPE

The advanced Junior School Express Troupe have been working extremely hard in their lessons and are currently learning a lyrical routine to the song 'You will Be Found' from the musical Dear Evan Hansen. The routine focuses on the effects of bullying and the negative impact it can cause. The song is an uplifting anthem about standing up for what you believe in and against bullying.

'Cause when you don't feel strong enough to stand, you can reach out your hand and someone will coming running' - You will Be Found, Dear Evan Hansen
