

Middle & Senior School News

PARENT TEACHER INTERVIEWS

Parent Teacher Interviews for Middle and Senior School families were held on Tuesday. Thank you to all of the parents who attended the interviews. Conversations around student learning, specific areas for improvement and praise lead to accurate goal setting and improved outcomes for our young people. As a College, we really value these sorts of evenings. That said, there really is no need to wait, if you have any questions or concerns about your child's progress, performance or homework/study requirements please get in touch with the class teacher or a member of College staff and arrange a time to meet. If I can be of assistance or if you have any feedback about the Parent Teacher Interviews, please contact me virginia.w@salc.qld.edu.au

YEAR 12 FORMAL

The Formal, which was held at Bond University last Saturday, was the first in a series of celebrations and milestones for our Year 12s. It was a pleasure to share the evening with these elegant, thoughtful and exemplary young people. Year 12s, you are a credit to yourselves, your families and our College.

ANZAC DAY MARCH

Thank you to the many students and families who attended the Burleigh Heads ANZAC Day March last Thursday. It was simply an honour to witness the pride and commemorative spirit amongst our young people as we paid tribute to those who have served in the armed forces. Our students' involvement across multiple services, our senior students' support of our younger students at the service at Burleigh; in carrying the flag and participating in the program, reflects our strong culture.

KOKODA CHALLENGE

The annual Kokoda Challenge events are both a challenge of endurance and, more importantly, an acknowledgement of the sacrifice of all those who fought, those who paid

the ultimate price of their lives and those who provided invaluable aid during war at Kokoda. In March our Kokoda Challenge students, staff and parents attended their annual training camp. The spirit of courage, endurance, mateship and sacrifice is alive and well in our young people. Students continue to train hard with their group leaders, staff and parents.

SERVING OTHERS

On Monday we celebrated the worldwide Pay It Forward Day which encourages people to stand for kindness out of the goodness of their hearts. Our Leos have encouraged students and staff to spread the kindness message and way of being to transform the lives of others. Last week Bryce (Year 7) and Mariel U'ren (Year 12) spoke to all students about this week's 'crazy socks' day in support of the ever growing Super Max Turtle Nightlight initiative and target for 2019. To share love, hope, happiness and comfort with young people and families is truly an honourable endeavour and our great community is encouraged to continue to support Super Max through purchasing socks and scarves at the Fete.

MANAGING SEXUAL HEALTH AND SOCIAL MEDIA WITH TEENAGERS - Tuesday 7 May 3.30pm – 5.00pm (Parents and Teachers) RBT.

Next week, Michelle Mitchell; well-known author, teacher and public speaker will be talking to the secondary students, staff and parents on age appropriate topics in year levels ranging from resilience, anxiety, pornography exposure, sexting and safe party behaviour. Her session for our parents and teaching staff will cover everyday resilience, brain development and strategies for supporting young people's safety in our modern world. This session will be held in the Ruth Butler Theatre. For more info on Michelle you can visit her website on: www.michellemitchell.org

COLLEGE FETE

The Fete is only a week away (Saturday 11 May). The Fete is a special day and a friend-raising event simply not to be missed. Raffle tickets for the brand new White Hyundai Accent can be purchased online through My School Connect <https://myschoolconnect.com.au/rafflestandrews> (you do not have to be registered with My School Connect to purchase). Cake boxes were sent home via the youngest child in each family at the end of last term. Any yummy baking will be most appreciated. If you are not a baker, please feel free to return your box so that we can pass it on to another family. Ride tickets can be purchased via My School Connect and select 'My School Events'. Donations of blocks of chocolate, second hand books and DVDS can be dropped off to Fete volunteers at the JS Bus Shelter Friday mornings or taken to

the Administration Offices or Main Reception. To register as a volunteer please click on the following link: <https://forms.gle/PaYTt5YyeUhfZgXK6>

If you would like to sponsor a stall at the Fete please email pandf@salc.qld.edu.au

Virginia Warner

Deputy Principal
Head of Secondary School

An Easter greeting! *He is Risen.... He is Risen indeed!*

It is almost like a secret handshake between gang members. It is the greeting we celebrate on Easter Sunday each year in worship settings across the world. The Pastor / leader of the congregation addresses the people with "He is Risen" and the people respond with gusto "He is Risen indeed". This is the cornerstone of all that is Christianity. Christ was cruelly killed on a cross on Good Friday but then miraculously rose from the dead on Easter Sunday.

Faith in this event as a reality brings peace and hope to a world that is largely driven by fear and greed. Trusting that Christ rose from the dead alters our worldview in ways that no other truth is capable of doing. It means that we can live life courageously – without fear because we know that no matter what may come our way we are assured of life with Christ. This does not mean that Christians are immune to awful things happening but there is no worse thing than death and Christ promises that this is not the end as we trust in His rescue of us through His life, death and resurrection. It is this fact that makes all the difference as we make our way through our life that is beset by so many challenges – big and small.

It is not easy to place our trust in this fact that Christ died and rose from the dead to secure our eternal future – it seems like wishful thinking or fairy tale but it is faith in it that brings beauty into our world like nothing else.

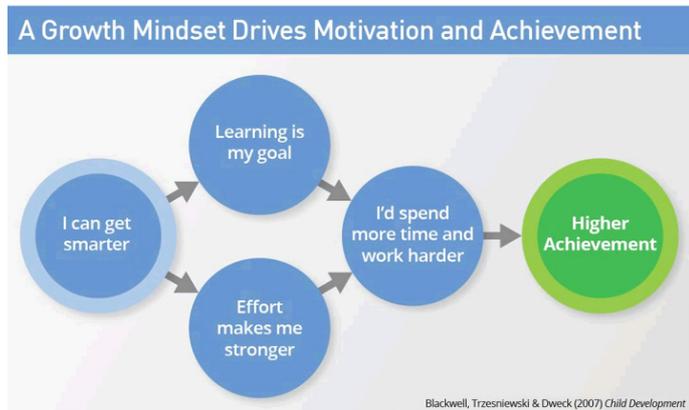

Easter is the celebration of Christ defeating our very worst enemy – death and promising each of us life with him forever in its place. May each of us be strengthened in our love for God and each other as we reflect on this historical event from nearly 2,000 years ago.

Graeme Schache
College Chaplain

POSITIVE EDUCATION

May will focus on Mindset, specifically a Growth Mindset. I'm particularly interested in the thought that believing you can get smarter by putting in effort and having a clear learning goal can result in higher achievement. This is the work of Carol Dweck who has spent over 30 years researching what drives learning.

So next time you hear your young person say I can't or I'm not good at this you might help them reframe those fixed mindsets into a growth approach.

10 Growth Mindset Statements

FIXED MINDSET (represented by a brick wall icon) vs **GROWTH MINDSET** (represented by a tree icon)

What can I say to myself?

INSTEAD OF:

- I'm not good at this.
- I'm awesome at this.
- I give up.
- This is too hard.
- I can't make this any better.
- I just can't do Math.
- I made a mistake.
- She's so smart. I will never be that smart.
- It's good enough.
- Plan "A" didn't work.

TRY THINKING:

- 1 What am I missing?
- 2 I'm on the right track.
- 3 I'll use some of the strategies we've learned.
- 4 This may take some time and effort.
- 5 I can always improve so I'll keep trying.
- 6 I'm going to train my brain in Math.
- 7 Mistakes help me to learn better.
- 8 I'm going to figure out how she does it.
- 9 Is it really my best work?
- 10 Good thing the alphabet has 25 more letters!

PHONES AT SCHOOL

We continue to encourage responsible use of mobile phones and are concerned with the potential impact of phones on learning due to the distraction they provide. Can I encourage parents to ask their children how much screen time they are recording? This can be found in settings. A recent chat with some Year 10's revealed that three-five hours on their phone was not uncommon with hundreds of notifications being received during that time. This has to be distracting during the school day. However, a recent advice to parents about social media offered 5 tips which I have shared below from Good Reads (April 9, 2019 06:00 am).

FIVE RULES OF THUMB FOR ADULTS USING SOCIAL MEDIA

So let me offer some simple ideas to consider when it comes to smart devices:

- Keep your time on social media under two hours a day.**
Research tells us that more than two hours is unhealthy. People are more vulnerable to anxiety and depression when on social media for longer.
- Get permission before you post.**
If you include others in a picture, ask for their permission. This gives them dignity and enables them to retain agency on what's posted about them.
- Check your motives.**
As an adult, ask yourself why you want to post pics of your kids or students? If the pics don't communicate respect for them, it's best to not post them.
- Think reputation, not entertainment.**
Try trading places with the people you're about to post online. If you were them, would you like this photo or post? How will it affect their reputation?
- Only post what adds value to others.**
Many posts on Instagram, for instance, are for the selfish pleasure of the one posting; often they're narcissistic. Think of how the post benefits others first.

CONGRATULATIONS TO:

- The Leos who raised over \$1400 at the recent holiday BBQ's at Bunnings for a variety of charities including Super Max the Turtle. If you have a chance to purchase a pair of socks or a beautiful scarf to assist with supporting this amazing charity, founded by the super-amazing Bryce U'Ren and supported wholeheartedly by his wonderful family, please do. Great Mother's Day presents.
- Year 12's, The Formal Committee and Mrs Washington for the absolutely fantastic Year 12 Formal last week. What a beautiful night. It was a pleasure to share the evening with our graduating class.

If you have any queries or concerns please do not hesitate to contact me on tanias@salc.qld.edu.au

Middle School News

What is Service?

Yesterday our Middle School Leaders ran a thought-provoking Assembly about Community Service. They explained what it was, suggested some ideas and talked about how it can make you feel. There are many ways our students can be involved. Please encourage your children to look beyond themselves and look for opportunities to serve.

The 2019 NAPLAN testing will run from Tuesday 14 May to Thursday 16 May. The first day will concentrate on literacy, with the Language Conventions Test and Writing Components. Day 2 will focus on Reading, with Numeracy on Day 3. The students need to bring the following equipment:

- 2 x 2B/HB pencils (no mechanical pencils)
- Eraser
- Sharpener
- Blue/Black pens
- Calculator (for Thursday)

These examinations are not meant to cause any concerns for parents and students. They are just another way for staff to get to know the strengths of their students. It is a snapshot in time.

If you have any queries or concerns please do not hesitate to contact me on lisar@salc.qld.edu.au

ANZAC Day

ANZAC GUESTS

Our College commemorated ANZAC Day in multiple ways last week. Dawn services, community gatherings, laying wreaths, giving speeches, visiting grandparents and local Army officials & servicemen attending our E-12 service. But the experience that stood out the most was witnessing a

team of students from Junior and Secondary schools visit St Andrews Aged Care. Our College Captains were hospitable, gracious and humble in their delivery of the service for Aged Care Residents. They took time before and after the service to meet residents who had lost loved ones in war or had served during conflict periods. The Aged Care residents were touched by the time, effort and respect that our students showed in attending the special service for residents.

Quality education must give students these kinds of real world experiences, connecting to community, learning to step outside of comfort zones and step into the space of being the 'other', the 'outsider', the 'guest'. As students experience this they learn valuable character lessons such as empathy, humility, confidence, presence and attentiveness. Valuable social skills were gained.

James Nelson

Student Development

Debating News

Our students competed in round two of the Gold Coast Debating with more success. We are very proud of their willingness to develop speaking skills in a public forum and representing themselves with dignity and respect, more importantly than winning,

Our students are working well in teams, learning the art of establishing clear definitions and focus, supporting arguments with evidence and examples and developing skills of persuasion.

Language News

こんにちは、Guten Tag,
We would like to introduce our Language Ambassadors for 2019.

JAPANESE AMBASSADORS

Senior School - Alexandra Bugeja and Freya Sambain.
Middle School - Amali Batson, Eadie Finn, Lily Hodge, Aliyah Karchinsky and Eliza Thorpe.

GERMAN AMBASSADORS

Senior School - Rikki-Mae Stevens and Jasmine Spurge.
Middle School - Laila Hackett, Lotte Rudolph, Rowan Twine and Poppy Warner.

The ambassadors' duties include events such as the Fete, Expos, German and Japanese Club, annual Speech Competition, as well as helping when we have visiting students and schools and mentoring Middle School and Junior School students. We are very grateful to have such enthusiastic and committed students to be part of these wonderful events. We thank them in advance for their marvellous contribution to the Language Department.

さようなら and Auf Wiedersehen

QUEENSLAND SCHOOLS 20-20 KNOCKOUT MATCH

Congratulations to our open boys Cricket team for a dominating performance over Lindisfarne this week. This win puts St Andrews through to the next round of this state wide knockout competition.

Some great performances to highlight include:

- 53 not out from Zac Micallef
- 34 not out from Jordyn Hinds
- an all round performance from Lachlan Hinds with 21 with the bat and 2/13 with the ball
- Liam Bramley took 2 for 10

St Andrews won the match by 59 runs. Thanks to Mr Greg Dart for guiding the boys to this great victory.

Libby Wood

Queensland Curriculum and Assessment Authority

8 March 2019

Senior secondary

Number: 016/19

2019 QCS Test: Community representative nominations

Purpose

To inform chief supervisors about the nomination process for chief community representatives (CCR) and community representatives (CR) for the 2019 Queensland Core Skills (QCS) Test.

Background

To maintain the integrity, security and conduct of the QCS Test, the QCAA appoints community members to observe and report on its administration. They do not supervise students or assist in the administration of the test.

The QCAA invites community members to apply for the positions of CCR and/or CR. On behalf of the QCAA, the chief supervisor of each test centre receives applications and nominates an appropriate person for each available position at that test centre.

Two CCRs (position codes A and B) will be appointed to each test centre. The CCR-B will be required to perform their duties at a neighbouring school, except where distance is prohibitive.

Test centres with fewer than 150 students sitting the QCS Test are **not** required to nominate a CR.

Test centres with 150 to 250 students are required to nominate **one** CR (position code V).

Test centres with more than 250 students are required to nominate **two** CRs (position codes V and W).

Positions available

Position title	Position code	Applies to	Paid
CCR	A	All test centres	Yes
	B	All test centres	Yes
	C (reserve)	All test centres (optional but recommended)	No
CR	V	Test centres with more than 150 students sitting	Yes
	W	Test centres with more than 250 students sitting	Yes
	Z (reserve)	Test centres with more than 150 students (optional but recommended)	No

Note: People appointed to C and Z positions will only be paid if they replace a previously appointed CCR or CR.
