MOST REV.
P. M. O'DONNELL, D.D.
Archbishop of Brisbane

Finally, brothers, fill all
your minds with everything
that is true
everything
that is noble
everything
that is good and pure
everything
that we love and honour
and everything
that can be thought virtuous
or worthy of praise.

Keep doing all the things
that you learnt from me
and have been taught by me
and have heard or seen
that I do.
Then the God of Peace
will be with you.

Rev. Br. W. L. DAVY, B.A., Dip. Ed., M.A.C.E.

Brother Davy was a Headmaster who was comfortable in his position. He was a thinker, a prober, an experimenter, an initiator, interested in the big things in education and paying little homage to the trifling minutiae of daily school life; one to whom every school day was a challenge urging him to see that everyone and everything within the school tended towards the best in education; one who sensed the need for a more articulate leadership and set about inculcating it both inside and outside the schoolroom; one who daily led staff and students ever upwards to the highest ideals in thought and effort.

Yet he was one who could take his place in the classroom with the verve and enthusiasm of a teacher fresh from college, and could inspire in his students a genuine love of the subjects he taught. He was one who could turn to the sports fields and Tennyson and with one stroke provide building and equipment of a vital nature, and with another, alter existing plans to provide Terrace with an oval that has a setting and completeness befitting a school of Terrace's stature.

In school he immediately grasped the strength, the vitality, the solidity, the potential of Terrace and in every sphere he never ceased to impress on all that forwards and upwards was the only policy worthy of Terrace, if Terrace was to play its appointed role both in Church and State.

Brother Davy guided Terrace over the past two years. His term of office was terminated abruptly when he was appointed to the Provincial Council, the governing executive of the Christian Brothers' Northern Province, Terrace regrets the loss of Brother Davy but realises that he has been elevated to a much wider sphere of influence.

THE ANNUAL REPORT, 1966

His Grace, Archbishop P. M. O'Donnell, D.D., presided at the Annual Speech Night held at the Festival Hall on Monday, 31st October. The Guest Speaker was the Honourable, Senator J. G. Gorton, Minister-in-charge, Commonwealth Activities in Education and Research. The Official Party comprised Rev. O. K. Oxenham,Administrator; Rev. Br. J. S. Campbell, Provincial Consultor; and Mr. J. P. Reid, President of the Old Boys' Association.

Excerpts from the Headmaster's Report:—

It is not easy to get people to agree on educational values. Some deny the existence of a specific education philosophy but maintain it is merely the philosophy of life, suitably applied; others see education merely as the transmission of knowledge or as the development of critical thinking with no real philosophic basis at all; still others, and I think this includes many professional educators of today, see it rather as a theory of education expressed in a concrete programme of education. For purposes of this talk, this is the interpretation, I too, shall adopt because it is at this level I feel most of our problems lie.

We have long believed in the Catholic schools that the philosophical uncertainty noticed in other systems was not to be found in our own and that the dilemma of the "what" and the "why" and, to a certain extent, the "how" was more pronounced in the secular system. I personally believe this to be so. We have felt secure in a philosophy firmly rooted on that of St. Thomas Aquinas, a philosophy which explores man's relationship with God, and asserts that human happiness consists in freely obeying the law of God; that God, not man, is the source and guarantee of law and value.

This is a virile philosophy on which a sound educational theory was built — a credit to the Catholic community that has maintained and expanded its system during the difficult years since the Education Act of 1880, but it would be foolish and dishonest not to recognize the fact that despite the excellence of so many of our schools there is nevertheless a gap between what we aim to do with our pupils and what we do actually achieve. This is true, of course, of most forms of human endeavour but since we are concerned in our schools with human persons, their souls and their bodies, we can never make peace with mediocrity. The Australian community itself is beginning to realize this and the Catholic school system cannot stand outside this national awakening. It, too, must be upgraded.

Here we can clearly see the need for a sound pragmatic philosophy of education for, unless we know with reasonable certainty what we are trying to do with our pupils in terms of total education we have no yardstick with which to measure our performance or to plan for the future.

There is a real need, because it comes at an historical point of time that rejects mediocrity, and is impatient of delay, for a critical, candid, objective survey of the entire Catholic school system. If such a survey were made, as it was in U.S.A. recently, I think we may find that the Catholic schools are even better than we had thought. Such a survey would

be invaluable in determining the weaknesses and strengths of the system and in measuring its performance—and a pre-requisite, perhaps, for any significant increase in Commonwealth aid. In the U.S.A. the professional research team that conducted the survey was financed by the Carnegie Foundation. The Catholic authorities in Australia would have no such resources available to them but one wonders if the resources of the Australian Research Grants Committee would ever be made available for such a research programme as this.

Most of the problems that beset Australian education are financial rather than educational. I once heard the Headmaster of a very famous independent school say that there were no educational problems but only financial ones. I considered that an oversimplification and a somewhat cynical remark but on reflection I had to admit it cut closer to the bone than I had at first imagined. If the purse is big enough we can buy ourselves out of most, but not all, of our problems. The Catholic education purse has never been large enough. If there is a tendency in our system to see the problems of education purely in terms of numbers and space; if there are too many pupils, too few teachers and insufficient amenities; if in any Catholic school there are limited educational opportunities for the pupils who go there, it is not because of any break-down in the fundamental philosophy of the system but simply because there isn't enough cash.

It has always been our standpoint that no child should be penalized educationally because of the religious convictions of his parents. It would be the supreme example of irony if ever such a penalty were to be imposed from within. It is important, then, that in our thinking and planning we do not allow the disabilities forced on us over the years to become permanent and, what is worse, to be accepted as the norm.

There can be only one acceptable standard for the Christian schools—that of excellence. There is little justification for their existence, despite their religious character, if their standards fall below those of the ordinary school provided by the State.

I would like to assure you that most Catholic schools provide a good education despite the difficulties, but the going is tough.

But because we educate human persons made unto God's likeness we must teach them Christian values and because we must also train young people to take their place in a modern complete society we must train them well.

To fail the children would be to fail the nation.

Our schools have served Australia and the Church well. We cannot afford to let even one become second rate.

FROM THE HEADMASTER'S REPORT: An appreciation. I cannot really say why in this report, as in so many others, the thanking of the staff should be left to the last, for, in any evaluation of a school's performance, the quality and the enthusiasm of the teaching and administrative staffs are of paramount importance. I consider that Terrace has been well served during this current year by its staff. On them falls the burden of teaching the religious and moral training of the boys, the responsibility of all the extra-curricular activities which are considerable in a school like Terrace. I thank them for their hard work, their enthusiasm, their patience, their willingness to co-operate with me, and to share the burdens.

In particular do I thank the Deputy-Headmaster, Bro. F. E. Rodgers, for assisting me personally in so many ways and for making himself responsible for many of the tedious chores that are an inescapable part of school administration.

I thank also in a special way Bro. C. L. Dillon who, as Master-in-charge of the Middle School, College Sports Master, and O.C. of the Cadet Unit does enough for two men and does it with maximum cheerfulness and efficiency. I thank also Bro. B. Greelish who, although in his first year as Master-in-charge of the Primary School, has managed things with skill, imagination and, where library and other facilities are concerned, with something akin to tenacity.

I thank, too, Mr. J. Foster, our devoted Librarian and Careers Adviser, and Mr. R. Smith, the school Sergeant, who relieves the whole staff of many tedious, time-absorbing tasks. I thank Mrs. Russell for her great services to the College. I would like to mention here again how much Terrace is indebted to Mrs. W. Wilkes and Mrs. P. O'Shea for the important part they play in the cultural training of the boys.

Finally and most sincerely do I want to thank Miss J. Coffey and Miss I. Healy in charge of the domestic staff and the College Secretaries, Mrs. E. Scott and Mrs. J. Rutledge. I thank them for being so efficient and so easy to work with, I thank them for grappling so capably with each day's problems, I thank them for enduring the telephones, I thank them for putting up with the annoyances and frustrations that are part of a school life and for being so cheerful about it.

COMMITTEES

Schools, like other large organisations, need, for their efficient working, the help of committees and other specialized groups. Terrace is no exception to this. In fact it is hard to see how this school could continue at its present level of operation without the substantial and voluntary help given by committees. It is my duty, then, in this report to thank them most sincerely for their efforts on behalf of Terrace. Here are the groups concerned — the two Fund-raising Committees (Old Campaign and New Campaign under the leadership of Mr. J. McDonnell and Mr. W. L. Goossens respectively), the Rowing Auxiliary, tucked away on the river-bank largely unknown but indispensable in keeping the boats in racing trim, the Tuck Shop ladies, always there, efficient and obliging, the Catering group of mothers under the leadership of Mrs. B. O'Connell, who look after us all so well at Tennyson, and often, I suspect, at great personal inconvenience, and the group of fathers who, as previously mentioned in this respect, keep Tennyson on the move.

This verse, from the pen of Rev. Br. J. A. Geraghty, written in his nintieth year shows that the affection, that we of the present generation feel for the school, was part of its spirit even in its first decade. Br. Geraghty is still active at Nudgee, that great College which he saw founded as an offspring of his own Alma Mater when he was at Terrace (1889-1893).

OLD TERRACE DAYS

Round Eighty Nine, fond bygones cling
to Terrace days. Youth's storied Spring
Bids Mem'ry ope the golden door
On scenes that thrilled in days of yore.
Oh, how they make the old heart sing!

Those olden days their fragrance fling
Round Masters, boys and everything
That framed our lives for evermore,
Round Eighty Nine.

Hail, hallowed School! To Christ, Our King,
We dedicate the fashioning
Of fresh, young minds in Christian lore.
Loud be their cry "Excelsior"
As made St. Joseph's rafters ring,
Round Eighty Nine.

Rev. Br. R. M. SLATTERY,
B.Sc., A.S.T.C., A.R.A.C.I., M.A.C.E.

Br. Slattery, senior science and maths master at Terrace for the past seven years has been awarded a Scholarship under the Churchill Foundation to study methods of in-service training of science teachers. He will study in America in 1967.

Bro. Slattery has been characteristically active in all aspects of school life, particularly exerting a marked influence on Athletics. In 1964 he won the Queensland award of the Australian Industrial Development Association's medal for Science Education.

Valete

Br. D. E. MOONEY, B.A., returned to Terrace for one year. This was the third occasion on which Terrace boys were privileged to come under his strong influence. Previously he had taught the Scholarship class with success. At the Sub-Junior level the B class was given a thorough introduction to Secondary studies. In his third term he was appreciated by the Seniors for his practical approach to the difficulties of a C class. Altogether Br. Mooney has given much to the spirit of Terrace.

Mr. Brian ROLLO was among the early group of assistant masters to join the staff. His years were spent mainly in the Junior School where his attention to the essentials was appreciated by teachers in the secondary classes.

He found time to help extensively with G.P.S. football coaching and athletic training. His work with choirs brought artistic results. May his period at Downlands be successful and happy.

Br. J. A. McINERNEY spent four years of remarkably varied activities with the Junior School. His relaxed and cheerful disposition set the tone for the very pleasant atmosphere that accompanied all his works whether organising swimming carnivals, athletic contests, football competitions or the very successful Eisteddfod and Speech Nights. His transfer was keenly felt. Nudgee has gained.

Br. H. A. de Hosson taught the 7th grade for three years setting a high standard in all the activities in which he engaged in and out of the classroom. He was equally at home with choirs, football teams, athletic and swimming training. Under 15 cricketers were helped to success in the G.P.S. competition by his efforts. We wish him well at St. Patrick's, Shorncliffe.

Spiritual Notes and Activities

ST. VINCENT DE PAUL SOCIETY EXECUTIVE
A. Cook (Treasurer), S. Grieve (President), J. Thomsen (Secretary), R. Handy (Committeeman).

ST. VINCENT DE PAUL SOCIETY

The Junior Conference of the St. Vincent de Paul Society has continued to flourish at Terrace. The group meets every week. Their activities include the sale of Catholic literature in the school, hospital visitation, the collection of waste materials. Many individual cases deserving help are dealt with during the year. Their activities are not publicised in the school and remain anonymous in the true tradition of the St. Vincent de Paul Society. However, I cannot let the year pass without expressing my admiration for the unselfish work done by all those in this particular group.

VOCATIONS

I think it could be said that the spiritual tone at Terrace is high. This is, of course, a hard thing to gauge. Perhaps one of the best indications of a healthy religious spirit in a Catholic school and in the homes from which the boys come, is the number who express the desire to enter the priesthood or the religious life. Last year three boys entered Banyo and six the Christian Brothers' Training College in Sydney.

Contributions towards helping "good works" continued at a generous level. The Missions received $1,249.49; the Juniorate Appeal $395.08; St. Vincent de Paul Society $273.61. The sale of the "Catholic Leader" realised $244.70.

DEBATING TEAMS

SENIOR

Standing: A. Cook, P. Clarke, A. McSweeny.

SUB-SENIOR

Seated: M. Treloar, I. Curr, M. Foley, P. Zwoerner.

Literary and Debating Society

There is perhaps no school activity better designed to train boys to think clearly and logically and to promote confidence in the expression of ideas and opinions than debating. No programme of training in leadership could be complete without strong emphasis on the ability to communicate ideas to other people. To give pupils knowledge, proper attitudes and principles and not to endeavour to make them articulate for the proper expression of these ideas is to do only half the job.

At Terrace during the first and second terms one period a week is given to all secondary classes for Public Speaking. This takes the form of class discussions, set speeches and debates.

In addition to this, two debating teams represent Terrace in the G.P.S. series of debates. This year the A team, Anthony Cook, Anthony McSweeny and Peter Clarke were keen, talented debaters who performed excellently throughout the season winning all but one of the G.P.S. debates. Anthony Cook, the Team Captain, was awarded the Dr. Corbett Medal for the Terrace Debater-of-the-Year.

G.P.S. Debating Results—"A" Team: G.T. defeated I.G.S., G.T. lost to B.B.C., G.T. defeated C.E.G.S., GT defeated B.S.H.S., G.T. defeated T.S.S., G.T. defeated N.C., G.T. defeated B.G.S.

COLLEGE ORATORY COMPETITION

The competition this year was of an exceptionally high standard. Mr. Barry Ffrench, Queensland debater and orator, who adjudicated, had great difficulty in making his final selection. The decision was finally given by the slightest of margins in favour of Anthony McSweeny, Anthony Cook was second and Matthew Foley third. The winner spoke brilliantly on the topic "Certain Aspects of Christianity" while Anthony Cook gave an excellent and intelligent oration on the difficult topic "The Modern World needs its Poets." Matthew Foley, who gained third place, delighted the audience with his thoughtful and entertaining treatment of the abstract theme of "Time". Peter Clarke impressed with his fine oratorical style in dealing with the topic "The American Presidency". Michael Forde with easy informal style spoke of "Economics in the World Today" and Patrick Toohey gave a careful well-planned summary of "The Work of the U.N."

The Terrace "B" Team, Matthew Foley, Peter Zwoerner, Michael Treloar, also had many interesting and close debates with the other schools. Together with Ian Curr who took part in some of the early debates this team shows great promise for the 1967 debates.

G.P.S. Debating Results—"B" Team: G.T. lost to I.G.S., G.T. lost to B.B.C., G.T. lost to C.E.G.S., G.T. defeated B.S.H.S., G.T. defeated T.S.S., G.T. defeated N.C., G.T. lost to B.G.S.

EISTEDDFOD WINNERS

Middle Row: B. Herd, R. Devlin, F. Smith, M. Smith, P. Hanrahan.

Front Row: N. Sargent, J. Curr, P. Clarke, M. Foley, J. Petrie, P. Toon.

COLLEGE EISTEDDFOD

This year the College Eisteddfod was incorporated into a Festival of choral work and verse-speaking presented by each class in the Primary School. The programme was held on two evenings with the Eisteddfod solos in between each class item. As was hoped, this arrangement attracted capacity crowds to the School Hall to hear the classes and soloists' performances, both of which were highly praised by the adjudicators.

Our thanks are due to Br. L. P. Bible and Miss M. Lee for the time and encouragement generously given in adjudicating.

COMBINED CHRISTIAN BROTHERS' COLLEGES EISTEDDFOD

The high standard of work which has come to be a tradition in the cultural activities of Terrace was maintained, although the outstanding results of 1965 were not repeated. Nevertheless, Terrace choirs fared very well indeed, gaining one first, nine seconds and three thirds in ten sections.

Again, the Senior and Junior verse speaking choirs took off both Shields. Congratulations on an excellent performance.

Soloists also performed creditably. Their efforts brought them six firsts, two seconds and two thirds in ten sections.

We are indebted to our accompanist, Mrs. W. Wilkes, whose advice and skill have meant so much to the musical side of Eisteddfod activities. We thank also Mrs. O'Shea, who has returned to Terrace after several years absence. The quality of her work is attested by the success of the Senior and Junior choirs.

COLLEGE CADET CORPS

With the officers of Cadets strength at eight, an increase of three on the previous year, administrative difficulties have been solved. Captain W. A. Renton, former O/C St. Columban's Cadet Corps, joined us and supervised B. Coy. Lt. Peter Liu, well known as a former Drum Major in the Unit, became Officer-in-charge of the Band. Lt. R. J. Smith, our former Bn. Instructor, became Adjutant of the Unit upon his retirement from the Army.

Courses. At the Annual Cadet Under Officers' Promotion Courses, C.U.O.'s Robert Ivers, Patrick Toohey and Alan Patching gained third, fourth and fifth places.

Annual Camp. Those whose loyalty and sense of duty withstood the temptation of shirking camp during Exhibition Week experienced the advantages of the period under canvas. First Year Cadets and the Band enjoyed the comparative luxuries of the Greenbank Camp, highlighted by a very effective Bivouac of two days. The Seniors went West to Crow's Nest, near Toowoomba, where a reasonably easy, but quite varied training programme kept them interested.

Bivouac. The Unit Bivouacs, on the last week-end in June, attracted a 95% attendance. The double purpose of rifle shooting and learning to live in the field was satisfactorily achieved. This exercise is probably the most valuable of all Cadet activities.

The Anzac Mass was presided over by Monsignor J. Torpie, Rector of the Seminary. Rev. Fr. B. Kelly was celebrant, assisted by Rev. Frs. K. Aspinall, J. O'Shea, D. Grundy and J. Shanahan.

The Ceremonial Parade and Passing-out of Senior Cadets was reviewed by Brigadier C. A. E. Fraser, O.B.E., Chief of Staff, Northern Command. C.U.O. Robert Ivers commanded the Parade. Sgt. Christopher Handy was in command of the New Guard during the Passing-out Ceremony. The Band, under Drum Major John McCoy, was particularly impressive.

The Personnel of Cadet Bn. are to be thanked for endeavouring to help us in our needs during a period of acute staff shortage for them.

Administration. O/C Major C. L. Dillon, 2 I.C. Capt. W. J. Nowlan, QM Capt. D. B. Matthews, Adj. Lt. R. J. Smith, Training Officers Capt. B. M. Buckley, Capt. N. A. Renton, Bandmaster Lt. P. Liu.

THE AIR TRAINING CORPS

A high standard of dress, bearing and drill at the Passing-out Parade on September 25th brought to a close another successful year of Air Training Activity. The Flight has been fortunate in being able to keep intact its staff officers of 1965: Flt/Lt M. J. O'Kane, F/O J. G. Gladwin, F/O J. F. Quinlan, and the O/C Flt/Lt. D. C. Rutter. Their efficiency coupled with the excellent work of C.U.O. A. Cook, C.U.O. P. Ashton and W/O V. Cavallucci enabled the Flight to carry out the year's programme with efficiency and success.

This year the set-up for camp was somewhat different. Amberley, the usual venue, was not available so the Senior Cadets spent their whole period on bivouac at Lake Manchester. The Junior Cadets also had a few days roughing it at the Lake after several days at the R.A.A.F. Stores Depot at Drayton. All seemed to have benefited from the training and seemed to have enjoyed the Camp.

In June the Flight had a special ceremonial parade for the presentation of the R.S.L. Shield won by the Flight in 1965 for outstanding results. Wing-Commander Olive took the Salute and congratulated the Flight for its excellent parade and for winning the trophy which is competed for by 20 Flights in Southern Queensland. A feature of the Parade was the excellent part played by the Army Band which graciously gave its services

Promotion courses for C.U.O.'s and N.C.O.'s usually held in January were this year held in December. This, unfortunately cut across holiday plans and some prospective N.C.O.'s had to miss out. However there was great enthusiasm amongst the younger cadets for selection for the Junior N.C.O. Course. Out of twenty-five offering only seven could be accommodated. These acquitted themselves excellently at the course and their high standard augurs well for the future of the Flight.

OLD BOYS' ASSOCIATION

The Office Bearers of the Old Boys' Association for 1966 were elected at the Annual General Meeting which was held at the College Assembly Hall on the evening of Monday the 7th March. The following were elected:—

Patron: The Most Reverend Archbishop O'Donnell, Archbishop of Brisbane.

Vice-Patron: The Most Rev. F. Rush, D.D., Bishop of Rockhampton (Terrace 1925-26); Rev. Br. W. L. Davy, B.A., Dip. Ed.

President: Mr. John P. Reid (1931-39).

Immediate Past President: Mr. W. J. Bevan, A.M.I.E. (1930-34).

Vice-President: Mr. John Green (1942-43).

Hon. Secretary: Mr. R. D. Clarke (1954-57).

Hon. Assistant Secretary: Mr. P. Dempsey.

Hon. Treasurer: Mr. W. T. Purcell.

Registrar: Mr. V. McLoughlin.

Committee: Messieurs. J. Breene, W. Leighton, R. Brady, J. Creagh, A. Cruice.

Hon. Auditor: Mr. J. Tully.

MEMBERSHIP: During the past twelve months our method of recording financial memberships has been redesigned by our Registrar Mr. V. McLoughlin and the Committee is satisfied that it has at last found an efficient method of recording the memberships. This will enable the Committee to proceed with the purpose in obtaining membership subscriptions. The results already this year have been most satisfactory.

There are fifty-five Life Members of the Association.

FUNCTIONS: During the year four functions were held by the Association, viz.: the Old Boys' Day at the College on the 20th March; the Annual Ball at 29 Murray Street on the 9th June 1966; the Annual Dinner at the College on the 12th August 1966; and the Annual Mass and Communion at the College on the 2nd October 1966.

On Old Boys' Day at the College the Association fielded three cricket teams against teams of the present boys. The Old Boys were successful in two out of three matches. This was perhaps the Association's most successful Old Boys' Day to date and the Committee hopes on moving to the playing fields at Tennyson next year that this day should be even more enjoyable.

ANNUAL BALL: The Annual Ball also was an extremely successful function. Over 350 people attended and the favourable reports which have been received by the Committee suggest that all who attended enjoyed themselves immensely. In view of the ever increasing demand for tickets for this function it appears that the time is fast approaching when we will have to limit the number attending the Ball.

ANNUAL DINNER: Only 100 Old Boys attended the Annual Dinner in August. The Association has always felt that the Dinner is the most important function on the calendar and it was most disappointing to the Committee that such a small number of members attended. Mr. W. Bevan proposed the toast to "the Hierachy and the Clergy" and Mr. J. Russell who was Captain of the College in 1956 proposed the toast to "the Terrace". The members of the Kindred Association were welcomed to the Dinner by Mr. W. Leighton.

MASS AND COMMUNION: The Mass and Communion was attended by only 60 Old Boys and this attendance was again most disappointing to the Committee. Mass was celebrated by Father McArdle, an Old Boy of St. Brendan's Christian Brothers College, Yeppoon.

During the last few months of 1966 the Committee had a number of meetings to consider the possibility of reorganising the functions for 1967. These plans will be finalised before the Annual General Meeting in March 1967. The Committee hopes that as a result of this reorganisation it will be able to induce more Old Boys to attend the various functions.

The Association is grateful to Brother Davy and his staff for their assistance during the year and it extends to Brother Slattery its sincere congratulations on his winning a Winston Churchill Memorial Scholarship.

BR. O'MALLEY

Br. O'Malley returned to Brisbane after almost forty years of teaching at St. Patrick's College, Ballarat. His few days spent here were to mark his Golden Jubilee as a Christian Brother. An enthusiastic gathering of Old Boys proved to him that his nine years at Terrace (1919-1927) had been most fruitful. The obvious loyalty and unashamed affection displayed by these men showed us what a blessing it was when Br. O'Malley placed his strong, hearty personality at the service of God fifty years ago.

OLD BOY HONOURED

Mr. Kevin Paul McGrath (Terrace 1917-26) has been awarded the N. W. Jolly Memorial Medal for 1966 for outstanding contributions to forestry in Australia. He is the Associate Director of Forestry Studies at the Australian National University, Canberra. He has been twice commissioned by the United Nations Food and Agricultural Organisations to conduct surveys of the Amazon River.

MICHAEL O'CONNELL
(Terrace 1957-63)

When Michael O'Connell died on the 27th July, after sustaining injuries in a car accident his loss was deeply felt by a remarkably wide circle of friends. His obvious sincerity and unassuming disposition, the reasons for his popularity, were a consoling memory to his bereaved parents, Mr. and Mrs. Brian O'Connell. To them, his brother and sisters, we offer the sympathy of all Terracians.

May he rest in peace.

An Appreciation

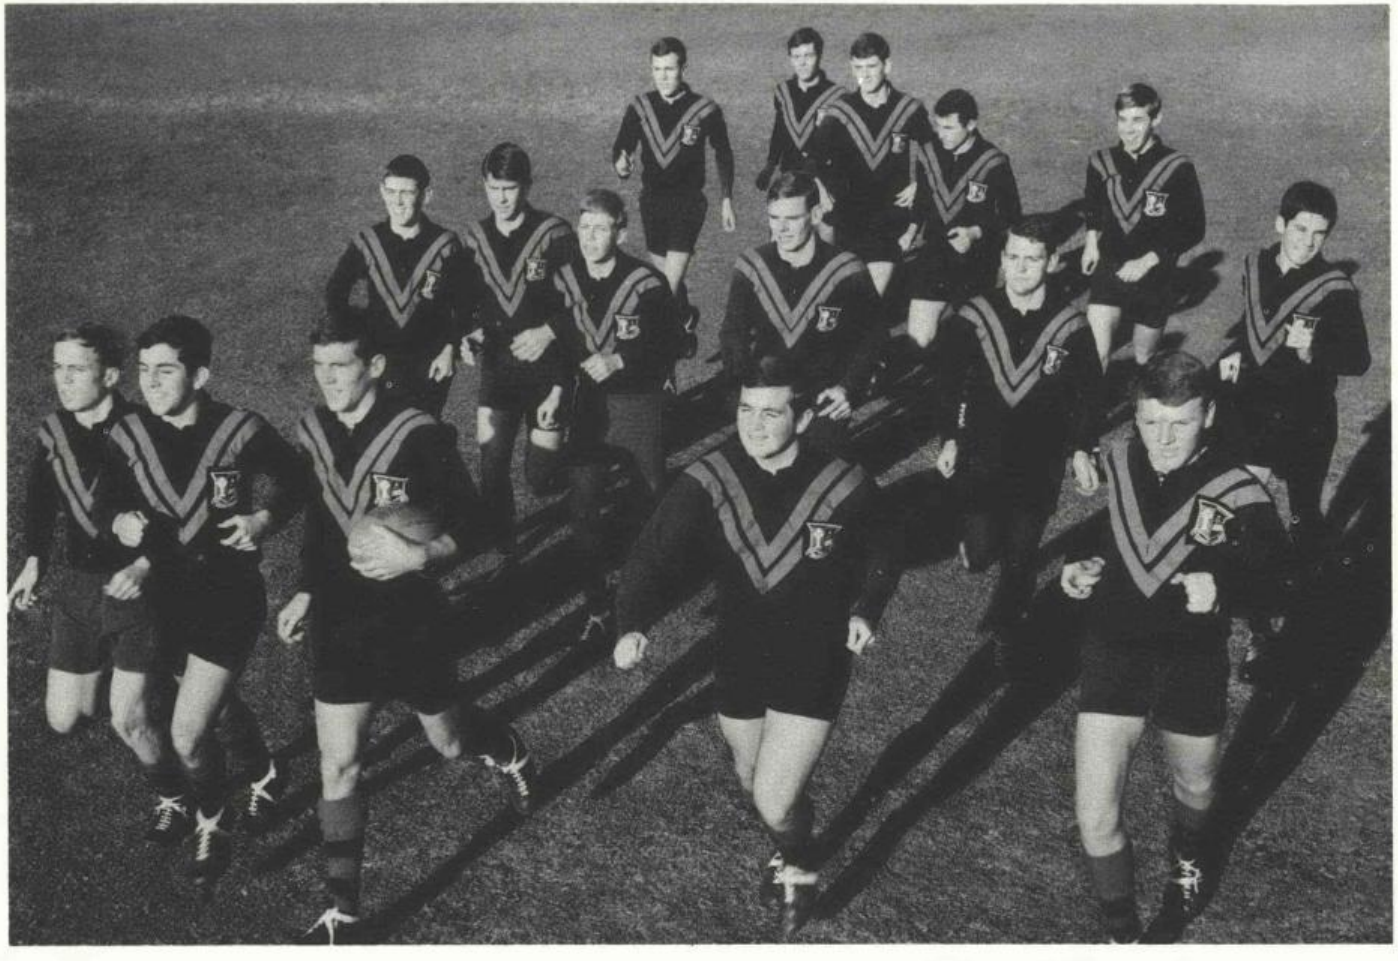
Elsewhere in this magazine mention has been made of Old Boys, parents and friends who have helped with sporting commitments. To those whose names may have been omitted we apologise and assure them that they are honoured in our hearts even if our records have overlooked their services.

The Playing Fields at Tennyson and Victoria Park have been carefully prepared for all fixtures by Messrs. Peter Murphy, Bernard de Loryen, Pat Noonan and Jack McKenzie. Mr. and Mrs. Jack McAuliffe, whose care of the Senior School keeps it our special pride, are especially in our debt.

This account of the Athletic season cannot be concluded without a word of thanks to—our coaches, Messrs. Joe Moylan (sprints), Graham McLachlan (sprints), Peter Balthes (hurdles and relays), Paul Brannelly (distance events), and Hal Ward (shot put), for expert coaching and generous donation of their time; to L. J. Furness and Gary Jacobs for their ministrations; to Stewart Johnson for the T.V. set; to the mothers for the banquet after the Athletics.

FOOTBALL

Thanks to the following whose enthusiastic coaching helped the Staff keep 20 teams on the field: Messrs. N. Byrne, J. Guerassimoff, W. Spencer, P. Asmar, J. Ryan, J. Burke, H. Vierow, W. Sexton, P. Edwards and Dr. A. Cruice.



THE FIRST FIFTEEN

Middle Row: W. Carter, C. O'Connor, V. Puodziunas, S. Grieve, M. Forde, P. Mulhall.

Front Row: M. Burke, C. Twomey, T. Culla (Captain), I. Johnston, P. Maidens.

FOOTBALL NEWS AND NOTES

FIRST FIFTEEN

With two draws only to our credit the season would appear to have been a drab one. Morale, however, remained remarkably high with some great contests to be remembered. The first-half effort against Nudgee produced exhilarating football.

Strength in the Minor A Grade teams was shown with Premierships in 16A 15A, and 13B Grades.

Terry Culla, half and captain, memorable games against Southport and Churchie with inspired tries; slow to clear the ball occasionally; cover defence very good. **Ross Anderson,** best back award, developed into a very sound full-back once he overcame tendency to view game from afar. **Michael Burke,** wing, tackled gamely and ran hard; handling subject to occasional lapses through over eagerness. **Victor Puodziunas,** elusive and determined runner; tended to lose his supports occasionally. **Michael Forde,** a tricky centre with ability to break a line; occasionally found out of position. **Greg Mahoney**, a latecomer to the team; a very distinct mark with hard tackling and running. **Peter Maidens,** a really versatile footballer; as successful in the forwards as he had been in the centres. **Peter Mulhall,** the most improved player in the team; good hands and balance. **Ray Perry,** lock; backed up well, without speed needed for the position; jumped freely and caught cleanly in line-outs. **Cyril Twomey,** breakaway, an improved player who had a great game against B.G.S. **John McCoy**, handled and backed up well; like all the forwards not quite with it in the rucks and mauls. **Paul McNicholl,** best line-out jumper in the comp, with sure hands and an ability to feed the ball back cleanly and quickly. **Steve Grieve,** never stopped trying in tight and loose play. **Ian Johnson**, propped well on loose head side; a strong and vigorous forward. **Wayne Carter,** very fast striker, generally took the scrums convincingly. **Clive O'Connor,** front row, best all-round forward; fire and determination in abundance.

THE GAMES

Trials: Won against St. Columban's 25-12; drew with St. Laurence's 3-3; lost to B.S.H.S. 6-20 and Downlands 8-11.

4/6/66, v. T.S.S. at Lang Park. Lost 8-11. Confidence restored in curtain-raisers by an exciting clash from both teams. T.S.S. were more accurate with the boot.

11/6/66, v. T.G.S. at Toowoomba. Lost 6-14. In the first half not enough advantage taken of the infamous westerlies. Tackling was solid with speed from T.G.S. supplying the difference.

18/6/66, v. Nudgee at Nudgee. Lost 11-26. To be ranked with the best of the great Nudgee games. After a close and thrilling first half Nudgee took charge of rucks with inevitable results.

2/7/66, v. I.G.S. at Terrace. Drew 8-8. A comfortable lead established early, but lost in the final minutes as Ipswich "turned it on" in traditional style.

9/7/66, v. B.G.S. at Grammar. Lost 5-6. Tries by Grammar in the first and last minutes of the game enclosed a tense and worthy struggle.

16/7/66, v. B.S.H.S. at Terrace. Lost 6-14. Better co-ordination of play, but not enough to curb the speed and vigour of High.

23/7/66, v. B.B.C. at B.B.C. Lost 11-16. In spite of the best team tries of the season we were not able to bridge the early lead taken by B.B.C.

30/7/66, v. C.E.G.S. at Terrace. Drew 13-13. In it to the last minute of the season and beyond. Peter Maidens equalled after the bell.

CRICKET COMMENTS

FIRST XI, 1966

If the 1966 cricket season is to be evaluated in terms of matches won, then the First XI did not have a successful season. If it is to be evaluated in terms of work done and persevering efforts made, especially when victory seemed unlikely, then the team did achieve much.

THE TEAM:

Terry Culla, captain, a determined batsman and very good wicketkeeper, whose keen approach to the game helped keep the morale of the team high.

Peter O'Rourke, vice-captain, batsman and spin bowler, has not yet developed the fine control and accuracy necessary for a slow bowler—this generally takes years of experience.

John Davies, a solid right hand batsman and good cover point fieldsman, had several fine innings to his credit and was awarded batting trophy.

Alan Kennedy, all rounder, fast medium change bowler and No. 4 batsman. Our most consistently accurate bowler. Awarded the bowling trophy.

Francis Edwards, opening fast bowler, but lacking in real accuracy and penetration.

Paul Kuter, opening fast bowler, when accurate took valuable wickets. As a batsman has a good style but was not usually among the runs.

Scott Little, opening batsman and good outfieldsman, also reserve wicketkeeper, a venturesome batsman who tries to hit the ball.

Darryl McCarthy, opening batsman, steady player who uses a moderate range of shots, lacking in power.

John McCoy, fairly stylish batsman, but somewhat brittle, played some useful innings, also used as medium pace bowler.

Denis Sheehan, all rounder, medium pace change bowler with ability to move the ball. Has a good range of shots and is able to hit the ball hard.

John Thomson, spin bowler, can turn the ball but developing of more deceptive "flighting" of the ball would be an advantage.

Anthony Cook, determined batsman with only a limited range of strokes. His most valuable contribution was his ability to keep an end up.

John Hogg, batsman, played in only a few games, has a tendency to favour the on-side in his shots.

Results of the games were:—

G.T. vs. T.S.S. (lost on 1st innings): G.T. 45 and 6/110 (S. Little 28, J. Davis 41 n.o., T. Culla 20 n.o.); T.S.S. 8/140 decl. (A. Kennedy 4/37, F. Edwards 2/18).

G.T. v. T.G.S. (lost outright): T.G.S. 155 (A. Kennedy 5/35, P. Kuter 4/45); G.T. 48 and 22.

Swimming-Pool Reflections

Without the excitement of a G.P.S. Swimming Carnival, the 1965-66 swimming season lost some of its enthusiasm. However, some very enjoyable inter-School Carnivals were held and in general the G.T. swimming kept to a high standard. The team had keen competition at Ipswich, Scarborough and St. Columban's. Gregory Terrace held its own Invitation Carnival at the Centenary Pool against Nudgee College, Kedron and Mitchelton High Schools. At this Carnival G.T. performed exceptionally well and it augered well for the final meet against "Churchie", B.B.C., and B.S.H.S. at the Valley Pool. Before a small but enthusiastic group of Terrace supporters the G.T. team swam with traditional Terrace spirit. No points were kept but it was fairly certain that Terrace would have gained second honours on the day. There were some memorable swims by the Terrace boys: Brian McMahon's time of 5 min. 3.3 sec. for the 400 metres, John Sexton and Drew Peterson in the Open Relay, and Paul Tynan's efforts throughout in the Under 16 Age are worthy of special mention. Tony Clark, Geoffrey Lowes, Tony O'Leary and Arthur Shean won events. The Under 15 Relay team (A. Clark, D. Sexton, J. McCawley, G. Lowes, J. Quinn, G. Vierow) had another good win.

COLLEGE CARNIVAL

The Golds and Greens fought out the teams competition at the Valley Pool this year. The former under Captain John O'Loan eventually took the honours. New records set were:—

200 Metres Freestyle Under 15: 2 min. 28.1 sec.—G. Lowes.
50 Metres Freestyle Under 15: 28.5 sec.—A. Clark.
50 Metres Breaststroke Under 14: 40 sec.—N. Proctor.

Running Through the Year

The athletic season traditionally begins with the cross-country events around Victoria Park during the last week of the second term. As usual these events began with a burst of galloping for the first few hundred yards but gradually decelerated to a very slow trot for the majority of the 400 "runners". The performances by many of the boys in this gruelling 3½ mile race gave some indication of the strength and depth of our distance runners.

Both Athletic Carnivals (Senior and Junior) were held this year on a Sunday and the substantial increase in the number of parents and Old Boys present showed that the decision was acceptable. We gratefully acknowledge the assistance given by boys, Brothers, and parents who in any way helped to prepare Tennyson Oval for the Carnivals, and to the officials who certainly saw to it that the Carnivals ran to schedule. The Old Boys 100 yards was won by Tony Watson-Brown with Peter Balthes a close second. In the relay the Old Boys entered three teams and gave the Present Boys a lesson in precision baton changing.

The Rev. Brother W. M. Reidy Memorial Cup for the champion team was won by the Greens (Captain Tony Cook), followed in order by the Reds, the Blues and the Golds.

As a preparation for the big events of October 1st the Athletic squad competed at Invitation Carnivals held by Marist Brothers Ashgrove, Church of England Grammar School, Nudgee College, St. Columban's, at each of these Carnivals we met the host school and other schools who had been invited and the keen friendly competition assisted the Terrace runners to reach their peak. We thank these schools for their invitation and their hospitality.

The G.P.S. Athletics on October 1st were probably the most closely contested in memory. This is the day during which the school expects, and tradition demands, that every athlete do his best. At the close of the morning events we were in front on the score board. The shot putters, Matt Foley, Denis Sheehan, Joe Cavallucci, and Jim Meaney were outstanding. In the Under 16 Shotput Matt Foley won the title with 51 ft. 3½ in., and later in additional attempts finished with a toss of 52 ft. 7 in. (the old G.P.S. record was 50 ft. 3 in.). Who will ever forget the Open Mile? For determination and courage Tony Cook (the captain of Terrace's Athletic Team), was the man of the day. The tactics he had worked out before the race with his coach (Paul Brannelly) and applied brilliantly, resulted in one of the most exciting races ever seen in G.P.S. (Our distance events coach, Paul Brannelly, won the mile for Terrace in 1954).

Then followed Colin Stilwell's apparently effortless two-mile win—an extraordinary run by Colin who applied the pressure from the start and lap after lap smoothly ran up a winning break. Surely John Napier's three G.P.S. titles in the Under 15 group—100 yards, 220 yards, and broad jump—deserved a special—well done. These six G.P.S. titles captured the imagination but the coach knows, and the individual boy knows, that there were some greater victories that day—when a boy wearing the Red and Black of Terrace—excelled all his previous efforts and came in second, third, or even ninth. A few such efforts may be recalled—Glen Ryan, 2nd in Under 14 High Jump with 5 ft. 2 in., Paul Burke's amazing 4th place in the Open 880 Yards, Michael Astill's wonderful efforts in the Under 16 Mile and 880, Alan Cameron's effort in the Under 16 Long Jump; Robert Hamilton's brilliant 100 Yards and 220 Yards in the Open, even though he was placed about 6th or 7th—and there are many others. We congratulate Brisbane State High School for their brilliant win and outstanding successes in the relays.

FIRST IV

P. Maidens (Captain) J. Elich, P. Toohey, J. Anstee.

Tennis Notes

FIRST IV

The First IV had its most successful season for several years, losing only one match and tieing with Nudgee as co-runners-up. Peter Maidens provided the leadership and more skilful play which, backed up by the consistent play of John Elich and Pat Toohey and supported by John Anstee in the difficult position as No. 2 player, resulted in five matches won, two drawn, one lost, 40 rubbers won, as against 15, 88 sets to 41 and 665 games to 471. The first three players named won all their singles matches except for one rubber each. The team deserved success as the members practised consistently and keenly and team spirit was strong. Mr. Eric Maidens gave considerable assistance in the early part of the season, particularly with doubles play.

The Players:—

Peter Maidens—Captain and No. 1 player: Led his team well—has many excellent strokes—his departure ends a long span of the 'Maidens' brothers' contribution to Terrace tennis.

John Anstee—held his end up well as No. 2 player—gave occasional glimpses of latent skill—he has potential for the developing.

Patrick Toohey — No. 3 player — did exceptionally well with his unorthodox style—noted for his consistent and tenacious play.

John Elich—No. 4 player—an ideal anchor man for a team—kept cool and knew how to fight back under stress—his ground strokes the strong side of his play.

SECOND IV

The Seconds, captained by Michael Hall, had a very even season with three wins, three losses and a draw, with 35 sets won out of 72. Michael Hall and Craig Whitehill proved a very successful doubles pair, and the former the best singles performer. Tom Hance and David Grace were the other regular doubles pair with Alan Patching assisting for one match.

UNDER 15

All matches were played by the same four throughout the season, with Bruce Walker as captain. Three matches were won, two lost and two drawn, resulting in a reasonably successful season. The team won 41 out of 72 sets and 324 as against 281. Matt Foley was the best singles player (9 out of 12 sets), Pat Larkin and Shane Stevens proved the better doubles pair (6 out of 8 sets).

UNDER 14

The Under 14 team did not distinguish itself in this first year of G.P.S. Under 14 tennis. Two matches were won, four lost and one drawn, though most matches were closely contested. David Maher was by far our best player. He is a player with definite potential. He won 10 out of his 12 sets and there are promising players in this grade and some are still eligible next year.

College Champions: Open, Peter Maidens; Under 15, Bruce Walker; Under 13, Paul Hanrahan.

THE EIGHT

L. Waters (cox), V. Cavallucci (str.), M. Hackett, A. Patching,
R. Handy, S. Grieve, S. Mulligan, D. Croft, I. Johnston.

Captain of Boats: Ross Handy. Vice-Captain: Stephen Grieve. Stroke of the Eight: Vincent Cavallucci.

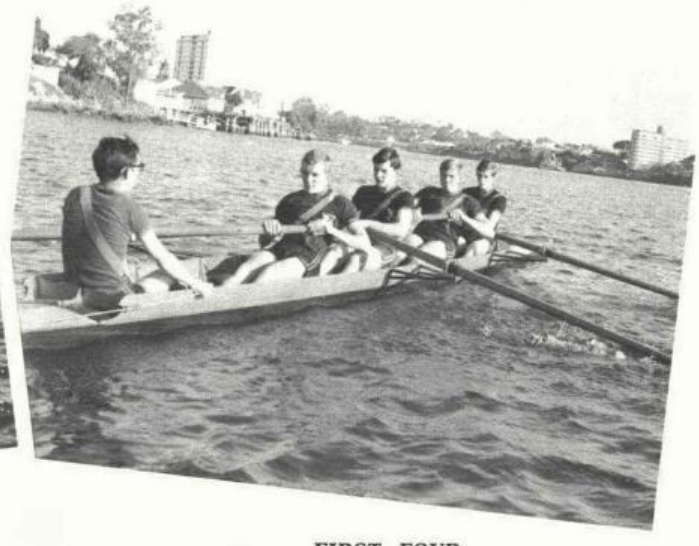
Mr. Graham Angus gained the confidence of the Eight, developing in them a free and comfortable style. They rowed into second place at three Regattas during the season.

Thanks are extended to the other coaches for their ready assistance. Rev. Bros. C. L. Dillon, D. A. Purcell, Messrs. Rod Proctor, Paul Bartley, Peter McKeering, Neil McDermott, Col O'Brien, Bernie Moroney, Tony Fanning, Bill Mills, and John Panton.

Congratulations to three Old Boy rowers, our first to gain representation in the King's Cup crew, the Queensland Eight: Bernard Moroney, Tony Anderson and Geoff Daly.

SECOND FOUR

G. Halligan (cox), M. O'Rourke (str.), P. Ashton, R. Hamilton, K. Woods.



FIRST FOUR

D. Tisdall (cox), N. Fanning (str.), M. Hand, P. Dunne, G. Galt.

Head of the River: From a moored position, a difficult manoeuvre in a tidal river, the Eights got away to an even start in good rowing conditions. B.B.C. proved the superiority they had established during the season by winning comfortably from High School, with Southport third. Our Eight performed well, rowing into fifth place closely behind Grammar.

The Eighth four won, with three other crews in second places.

The Terrace Regatta on St. Joseph's Day, 19th of March, was very successful. Mr. Earl Fry, coach of the Churchie crew, and the "Gayundah" Sea Cadets organised the moored start for Eights which encouraged the G.P.S. Association to use it at the Head of the River a fortnight later.

In eight Regattas during the season we recorded our greatest number of successes to date—sixteen first places, seventeen seconds and seven thirds.

At the House Regatta on October 30th, a large number of former Terrace rowers, parents and Brothers saw the Rowing Master for the past eleven years, "name" the new Eight, the "C. L. Dillon". This addition to the fleet was generously contributed to by auxiliary members and Old Boy rowers after the original donation was made by the Headmaster.

The Auxiliary continued its assistance and encouragement financially and practically with maintenance and repairs. The mothers are to be thanked for cheerful help in catering at Regattas.

JUNIOR SCHOOL LIBRARY

In February this year the junior library began to function. On two consecutive days the thirteen hundred class library books were pooled for the new scheme. In two days the books were ready to be circulated by the sixty-seven ladies who volunteered to do the recording. It is due to this generous help that the library became functionary.

During the year $280 was used to extend the number of books to 1650. The average daily turnover exceeded eighty out-going books. Our Fourth Graders were the most enthusiastic customers.

After ten months the cards showed all but 200 of the books had been taken out. Quite a number of boys had read or had attempted to read over a hundred books, while one boy reached his 140th book.

Front Row: M. McEniery, J. Hempenstall, P. Creagh, A. Conaghan, P. Vidler.

CRICKET

With the purchase of nine new kits, cricket seemed to take on a new lease of life and the enthusiasm of coaches and boys brought satisfying results.

In the Saturday competition eleven teams were fielded. Out of 92 matches played Terrace won 75, the 7A and 5A teams being undefeated. Our thanks are due to all those parents who gave of their time for the transport roster and umpiring.

All other boys had the opportunity of a weekly class game and, for this purpose, buses were hired to utilize the spacious Tennyson fields. We are indebted to those generous fathers who responded to our call for assistance in umpiring these mid-week matches.

FOOTBALL

Fourteen teams took part in the competition against the various schools, with quite creditable success. All teams played with enthusiasm, if not always with the drive of other schools. Successes were evenly shared.

Those not participating in the Saturday morning competition games were all given the opportunity of training and games on the class sports afternoon.

GRADE SEVEN A FOOTBALLERS (Below)

Back Row: M. Clark, J. Forbes, P. Wockner, M. Anderson, P. Kearney, T. Macrossan, P. French.

Middle Row: K. Bailey, P. O'Shea, A. Conaghan, J. Walker, M. Mulligan.

Front Row: G. Balwin, P. Creagh, D. Quinn, B. Gardiner, C. Emmi.

JUNIOR SCHOOL ATHLETICS

Terrace was well represented in four invitation carnivals at St. Columban's College, Marist Brothers Ashgrove, Nudgee Junior and the Combined Colleges Carnival at Nudgee Junior.

We were dominant in the Under 10 divisions but the other ages were not up to the usual standard.

With more practice and determination we hope to acquit ourselves better next year.

JUNIOR CROSS COUNTRY

The cross country over 1½ miles again separated the sprinters from the stayers and it was pleasing to note the determination with which most completed the course.

Front Row: P. Gill, J. McCafferty, M. Anderson, D. Farnworth, T. Macrossan, P. George, R. Sivyer.

JUNIOR SCHOOL SWIMMING

Our annual swimming carnival conducted at the Valley Baths and contested with enthusiasm was won by the Golds followed by the Blues, Greens and Reds.

The champions in each age were Ian Ferrier (U/9), Michael Forde (U/10), Peter Lalor (U/11), Terry McCluskey (U/12) and John McCafferty (U/13).

Records were established by Jon Tunny, Michael Forde, Chris. Sheehy and John McCafferty.

Our thanks to Mr. John Keating and Mr. Peter Venning who have done much excellent work coaching our swimmers, Mr. Keating instructing the beginners and Mr. Venning the advanced group.

Notes to Parents

CLASSES—Classes range from Grade IV to Senior University.

The Curriculum includes all subjects required by the Revised Secondary Syllabus and all subjects normally required for Matriculation.

TRANSPORT—The College is centrally situated, being within one mile of the G.P.O. The Alexandra Road, Clayfield 'bus from the City Hall passes the College (Stop 7). Special buses leave the City Hall every morning at 8.0, 8.15 and 8.25 and return to the City from the College each afternoon at 3.40 and 4.10.

ATTENDANCE AND PUNCTUALITY—Regular attendance and punctuality are of the highest importance. and in case of absence, the Brother in charge of the class should be notified by telephone or in writing. Unjustified absence is viewed as a serious breach of school discipline. Except in extraordinary circumstances, permission should not be sought for extra holiday periods, or for dental appointments within school hours.

CLASS HOURS—Classes commence at 8.35 a.m., and terminate at 3.30 p.m. During the day there are two recesses: one of 15 minutes at 10.45 a.m., and the other of three-quarters of an hour at 12.30 p.m. Boys are not allowed outside the grounds at lunch hours. A Tuck Shop on the premises caters for all needs.

PROGRESS REPORTS—A report showing the percentage gained in each subject is posted to parents at the end of each term, except when Final Term results are published in the newspapers for Senior and Junior Examinations.

THE SPIRIT OF STUDY—At St. Joseph's a boy is expected to apply himself to study without undue pressure from teachers. It is an important part of a boy's training that as soon as possible he should be brought to realise that his future is in his own hands; the best opportunities may be wasted through lack of application and perseverance. The co-operation of parents therefore is cordially invited by the Headmaster. Lack of interest in study noticed in the home is best remedied by consultation with the College. Interviews with Headmaster or Staff may readily be arranged by appointment.

SPEECHCRAFT AND SINGING—Speechcraft is taught weekly in all classes up to Sub-Junior, inclusive. Choral singing is taught in Primary Classes, and individuals are coached in both singing and elocution for the College and Combined Eisteddfodau. A Literary and Debating Society functions regularly in Secondary Classes.

COLLEGE UNIFORM—This consists of a dark grey suit, dark grey shirt, white shirt for night functions, dark grey pullover, College tie, grey hose (marked with School colours for wear with short trousers), grey hat and hat band, black leather shoes. The use of the full uniform is compulsory for daily attendance in class and for public functions in connection with the College. Suit coats are not worn during October. November, December, February, and March. It is recommended, too, that boys in competition teams procure a College blazer for sportswear.

SWIMMING—In the summer months the baths are available to all for swimming. Each class up to Junior has a regular swimming period in the College baths, and each Primary class a weekly coaching period in the Centenary pool. A Master is always in attendance while the boys are swimming.

SPORT—Every pupil in the College, unless he is medically unfit, is expected to take his part in the sporting life of the College, and to be prepared to do his duty to the full when given the honour of representation in any sporting activity. The decision to curtail sporting activities must rest with the School authorities. Competitions are fostered within the School to cater for those boys not selected to compete in inter-College fixtures. The dress peculiar to each sport is to be worn. Boys may learn tennis from a professional coach who takes classes after school hours.

CADETS AND AIR TRAINING CORPS—Every boy in the Secondary School over fourteen years of age is required, unless medically unfit, to join one of the College Units as vacancies become available. Parades for both Corps are held one afternoon each week after school hours.

Term Dates, 1967

First Term: January 24th—April 27th.

Second Term: May 15th—August 10th.

Third Term: August 30th—December 1st.

School resumes—February 1st, 1968.

OPEN LETTER

TO THE PARENTS OF PUPILS ATTENDING

GREGORY TERRACE

DEAR PARENT

Have you thought just how your children will look when you send them back to school ? The right clothes are going to make a marked difference to the way they accept study, and to the friends they develop around them. Take the advice of your Myer Stores in Brisbane, send your children back to school PROPERLY OUTFITTED.

"For Value and Friendly Service" . . that's our slogan. Consequently every article sold carries our unconditional guarantee of complete satisfaction.

A one-stop visit to any of your five Myer stores . . and every back-to-school outfitting worry just disappears into thin air. In 1967 allow Myers to be of service to you.
