

PRINCIPAL'S MESSAGE: DR MICHAEL CARROLL

Our Open Day was another example of the Terrace Family in action and I thank everyone for their generous input.

Dear Members of the Terrace Family,

Yesterday the College hosted its annual Open Day. It was a very successful afternoon with large numbers of visitors. The afternoon was an opportunity for us to showcase our great College. My sincere thanks to the many parents, staff, and students who gave generously of their time to assist during the afternoon. I particularly wish to acknowledge the Year 11 students who hosted the tours of the College. Our Open Day was another example of the Terrace Family in action and I thank everyone for their generous input.

This weekend will see the staging of the GPS Head of the River. Our Rowing crews have been working very hard for many months and this weekend is the culmination of a long and demanding season. On behalf of all within the Terrace family I wish all of our rowers the very best this weekend. I thank the coaches, staff, and parents who, in so many different ways, have ensured that this season has been very successful.

Last Friday, our swimmers competed at the GPS Swimming Championships at Chandler. We placed 5th in the Junior and 7th in the Senior GPS Swimming at the carnival and recorded many personal bests on the day. My congratulations to all the swimmers, coaches and parents for a very good season in 2017. Well done.

Continuing with the sporting theme, I wish to congratulate the following young men on their appointment as Cross-Country leaders for 2017. I am confident they will lead with distinction in the upcoming season. Congratulations to:

Captain of Cross-Country: **Nick Erzetic**

Vice Captains of Cross-Country: **Gus Daley, Jeremy Davis, Connor Ryan and Zac Smith**

During Lent, our House Groups are participating with the House Friendship Group activities. It is a wonderful way in which our young men can work with and support these groups and, importantly, the people that are part of these groups. House Deans, staff, and students, throughout the year, continue this connection. As well, staff, students, parents, and Old Boys participate in the Eddie's Van and with TTN and East Timor. Our Charter identifies Justice and Solidarity as one of our Touchstones. At Terrace we attempt to live this Touchstone through our House Friendship Groups and the work of the Eddie's Van.

Finally this week, I remind parents and students that exam block commences on Wednesday 22 March (just eight school days away), so everyone should be embarking on their revision program.

Have a great week.

God Bless,

Dr Michael Carroll

College Principal

SHOW LESS

COLLEGE DEAN: MR CHRIS RYAN

The Senior students lending a helping hand on Open Day.

A very successful Open Day was enjoyed here at the College this week.

Open Day

A very successful Open Day was enjoyed here at the College this week. I wish to thank the staff, both teaching and non-teaching for their significant contribution to this through their sharing of their place of work and vocation, they do this very well and it is greatly appreciated. Our Year 11 students always do a marvelous job as hosts, as do our Year 10 students who assist at Waterford. I thank them most sincerely for this contribution and service and acknowledge and thank all the Year 12 students and boys of other year levels who played a role on the evening. Finally, sincere thanks to all our parent volunteers from the various Support Groups for your passion for and commitment to Terrace and to the Property and Services and Communication Teams for all the organisation behind the scenes.

Staff News

Ms Kirsten Allingham, Co-ordinator of Japanese, has tendered her resignation effective the end of this term. Ms Allingham is a long serving staff member having been with us for 14 years. During this time, she has built up a Japanese Department that is the envy of many schools. Her relationships with her

students have seen many boys excel in this subject and importantly, enjoy it. We thank Ms Allingham for her care of the annual exchange students from Konan and for her excellent facilitation of immersion tours to Japan for our own students. We will have a formal opportunity to thank Ms Allingham later in the term and we wish her every success that she deserves in the future.

This week we have welcomed Mrs Bronwyn Platz back to the College in a contract position for the remainder of the term. Mrs Platz takes over from Mrs Madonna Effeney who has been assisting in a Learning Support role this term whilst commencing retirement and becoming a Grandma for the first time. Mrs Effeney is enjoying some travel to China and no doubt she will be a return visitor for relief and contract work in the future. We warmly welcome Mrs Platz back to the staff for this short time and look forward to working with her again.

Thank you to Mrs Lisa Betts who has been assisting with Mrs Mary Ryan's classes. We offer our sincere condolences to Mrs Ryan on the recent passing of her much-loved mother. May she rest in peace. We look forward to welcoming Mrs Ryan back to the Terrace Family soon.

Congratulations to Mr Anthony Baruksopulo on his appointment as Acting Dean of Windsor House in Term 2. Mr Baruksopulo has acted as Dean of Kearney and Dean of Reidy in the past and we look forward to his contribution to the families, students and staff of Windsor House. We wish Mr Hayward well for his well-earned break in Term 2.

DEAN OF STUDIES: MRS JULIE QUINN

With only one week remaining in the lead up to exams, I encourage all students to be fully immersed in their revision.

Last Friday morning we conducted a small presentation ceremony for the boys who had won Academic Medals from Semester 2 last year but had been absent for the main presentation. These smaller gatherings allow for the opportunity for both parents and students to share their stories around their success. There were many inspirational stories including the collating of hand written summaries that were used for revision, a commitment to remove all distractions from technology to logging hours invested into school work. I continue to applaud the work ethic of so many boys within our community who wish to give their best and accept that this involves a great commitment from them.

On Wednesday we held our annual Open Day that allows the public to view our school and our resources. While it was a great display of the many and varied activities that we have at Terrace from academic to sporting and co-curricular, our greatest resource continues to be the young man who attends Terrace and our staff. Both our Year 11 and Year 12 students were very much on display on our Open day. Our Year 11 students were our hosts and tour guides and our Year 12 students were engaged in tutoring with the staff. The desire to attend Terrace from many of our enrolling families is based upon their experience at Open Day where they acknowledge the values and humility of the Terrace Gentleman. It continues to be a pleasure and privilege to work with the boys at Terrace.

With only one week remaining in the lead up to exams, I encourage all students to be fully immersed in their revision. The checklist outlines all the facts and skills that need to be mastered for each

subject. The checklist should be used as a trial exam with boys answering and correcting their responses. At the Year 5 and 6 assembly last week, it was emphasised to the boys that our wish is that at the conclusion of the term, whatever the academic outcomes may be, boys can truly say that it was the best that they could do.

Copies of exam timetables can be found on the Parent Lounge, moodle or hard copies can be collected from student services. Please note that both Year 11 and 12 students are not required to attend classes during exam block. Exam block commences on Wednesday March 22 until Wednesday March 29.

DEAN OF STUDENTS: MR DAMIEN FALL

Tours of the College led by Year 11s on Open Day

Schools are relationship-based environments and we rely on our students building an atmosphere where all feel safe and welcome.

Last Friday, we saw an impressive show of school spirit as our students from Years 7 and 12 attended the GPS Swimming Championships to provide support for our team. I was proud of their efforts as they did their best to encourage the swimmers, who clearly gave everything in the pool.

Congratulations and thanks for your show of commitment.

This week, we held Open Day, a chance to showcase all that is great about Terrace. I often say that a school is far more than its facilities; the people who make up the community are more important than classrooms and playing fields. On Open Day, our greatest advertisement is the young men who lead tours, play music, take part in tutorials, and assist with various displays. Visitors often feed back to us how impressed they are with the students they encounter and the prospect of their own son developing the same strength of character is what is most attractive to them. Sincere thanks to all young men involved, particularly those from Years 10 and 11 who led tours of the College. All those involved can be proud of the way they represented the College.

This Saturday sees the culmination of the year's Rowing program, with the Head of the River to be held at Wyaralong Dam. We will run spectator buses from the College, departing at 7am. Any student coming to spectate is required to wear his regular academic uniform and it is essential that he is wearing his **Akubra hat**. The venue is exposed and hot, and the Akubra is part of the uniform; I need to stress that it is compulsory for spectators at this event. Buses are expected to return to school by around midday, in time for the First VI Volleyball match in the Campbell Centre. As always, any student spectating at this match is required to be in his full academic uniform, even if he has already played on the day. I look forward to a strong show of support on Saturday.

Schools are relationship-based environments and we rely on our students building an atmosphere where all feel safe and welcome. On occasion, students will make mistakes in the way they treat others and it is important that we use such mistakes as an opportunity for learning and growth. Next Friday is the national day of action against bullying and it is a reminder of our responsibility to ensure others have a hassle-free day, regardless of our personal feelings towards them. We often say that you don't have to be mates with everyone, but you do need to at least show them respect.

With exams now less than two weeks away, it is the time of the term when social life needs to take a back seat to academic responsibilities. Co-curricular involvement provides a nice reprieve from the books. I encourage all students to ensure the final weeks of the term are their best in terms of classroom focus, home study and commitment to finalising their sporting seasons.

SHOW LESS

DEAN OF IDENTITY: MR CHARLES BRAUER

The student and staff gatherings of this week that have focused on International Women's Day have provided our Terrace Family with much to be proud of.

Being Bold for Change

“Are we making sure our approach, our mindsets are aligned to have women equal to men in all aspects of life?” Our College Vice Captain Matthew Lo Grande presented this challenging question to our Year 12s yesterday. Matthew's question was aimed at evoking a response from our student leaders regarding the role we (I use 'we' to include me) play as men in promoting the ideals of International Women's Day.

International Women's Day (March 8) is a global day celebrating the social, economic, cultural and political achievements of women. The day also marks a call to action for accelerating gender parity. At College Assembly this week our student and staff body were presented with these concepts. Our Year 12s Assembly further explored this topic with Vice Captains William Cook and Matthew Lo Grande providing some personal reflections on how they have experienced, and are challenged with, ensuring gender parity, including positive relationships between men and women.

Our College Vice Captain William Cook beautifully summarised an approach for us all to consider -

“Words do matter. It’s not just the way we directly interact with women. It’s important to consider how we talk and think about women. We can actively change this and I challenge every single one of you to reflect on this.”

We all have very powerful stories of how special women have shaped and continue to shape our lives and our worlds. Be it our mums, our sisters, our daughters, our aunts, our grandmothers, our friends, our colleagues.

The student and staff gatherings of this week that have focused on International Women’s Day have provided me and our Terrace Family with much to be proud of. As well as focusing our attention on the work ahead with bringing about gender equality in our society, it has also highlighted the wonderful beacons of hope that our Terrace Gentlemen are for our world.

The Good News of Terrace

DEAN OF WATERFORD: MR DAMIEN CUDDIHY

News from Waterford.

With assignment drafts being returned and final submission dates coming and going the key message out of Waterford this week has been to ensure that they make a quick transition from an assignment

focus to an exam focus. It's been a busy fortnight for the Year 10's but we are only a few weeks away from the Easter break so they need to maintain the momentum. As usual we have had a large number of boys involved in activities outside of the classroom this week. Last Friday night the Year 10 Swimmers performed exceptionally well with members of the 4 x 50 Medley relay coming first in a thrilling race and **Tom Neill** winning two individual events. A special mention also to **Michael Gould** for his effort in the 400m Freestyle. An old teacher of mine often said "Sport doesn't develop character it reveals it". This weekend we have the Head of the River and I know the rowers are very much looking forward to the challenge. Best of luck to all the boys in middle this weekend be it Cricket, Rowing or Volleyball.

SHOW LESS

YEARS 7, 8 AND 9 PROGRAM LEADER: MR DAMIEN COMAN

The whole school is in a very important phase of the term.

The whole school is in a very important phase of the term and we bear in mind that Year 7's are going through this process for the first time which can feel overwhelming at times. If your son is really struggling with this time of term where he is juggling homework, assignments, revision and co-curricula it may be worth simply letting his Tutor or House Dean know so that encouraging

conversations can be had at school as well as at home. Some boys will no doubt reflect at the end of this term and refine their timing of their work and start assignments as soon as they receive them.

As always these year levels have been incredibly busy and whilst it may feel like the boys have just returned from holidays recently, we stare down Week 8 next week with exam block fast approaching. The clear and consistent message in Formation classes from the start of the year was that it is far more effective to revise consistently throughout the term, than to try to cover nine weeks of work across a large range of subjects in one week. The Year 7's had teams in the 'Maths Team's Challenge' recently held at All Hallows' with a large number of schools attending. Terrace teams placed both 2nd and 3rd. Congratulations to these boys. I had the privilege of attending the 'Time & Space' father/son night recently also. Some fathers had travelled from Sydney and Melbourne but even as far as PNG and Indonesia to spend the special time with their son. It was a different experience for many in this structured type of event. I have emailed all Year 9 students to invite them to 'Roll Call' on a Friday morning. I am facilitating this each week, where we simply have a chance to go through what has been covered in each subject, each week, gearing up towards their exams. Numbers have increased over the two weeks it has run but there is no charge of course and all Year 9 students are welcome. Boys are getting some good tips from other boys in the group also which is getting them to think about all the subjects that are currently on their 'radar.'

Now is the time to be paying attention to detail in completing homework, finishing those assignments to the boys' best standards and consistently revising in preparation for exams (along with all the co-curricula commitments that busy Terracians also have).

Chess

The next two weeks will see a squad of our Chess players competing in the Somerville House High School Tournament. This tournament is very important to help raise their Chess Rankings. I look forward to reporting their success in the coming weeks.

Friday 10 March

Somerville House

6.30pm – 10pm (approximately)

Sunday 19 March

Somerville House

11am – 3pm (approximately)

Students are to wear their formal uniform – white shirts, tie and blazer.

Music

Well done to all the students who took the stage in the Chamber Concert last week. It was a great night of performance. The most memorable for me was to see the growth in students who performed solos last year to come back this year to entertain the audiences again. Terrace music has many layers and a great depth.

Art Union

Do not forget to support the Terrace Performing Arts by writing “TPA” on rear of all tickets sold.

**DIRECTOR OF MUSIC: MR BRAD
ESBENSEN**

There are vacancies in the Terrace Youth Choir (Years 5-6) rehearsing Wednesday mornings at 7.15am in the Chapel.

Yesterday afternoon, several of our ensembles performed at a variety of locations around the College to showcase Terrace Music as part of Open Day. Thanks to all the performers, staff, and TPA helpers, who participated in this important College event, providing inspiring the next generation of Terrace musicians and a great atmosphere to the event.

Students in Year 11 and 12 who participate in our Premier Ensembles are eligible to receive Honour Pockets. The conditions for receiving an Honour Pocket are set out on p.180 of the Student Diary. Our first events for Honour Pocket qualification will be happening in Term 2; the ANZAC Day Parade on 25 April and the Norman Clarke Concert on 21 May.

Congratulations to the Red Thunder Drumline, directed by Mr Matt Cocking, for their performance at College Assembly this week. Next week the Terrace Chamber Orchestra, under the direction of Mr Jan Hewerdine, will be performing.

There are vacancies in the *Terrace Youth Choir* (Years 5-8) rehearsing Wednesday mornings at 7.15am in the Chapel. Please contact our choral director, Mrs Debattista, (bernadetteдебattista@terrace.qld.edu.au) if you require further information.

Opera Queensland is offering an April School Holiday Workshop between 9.30am and 3.30pm from Monday 3 April to Friday 7 April. This course has been specially designed for students aged 11 to 17 and will offer a unique opportunity to learn from professional OperaQ artists and directors. It will conclude with a public presentation at 5pm on the Friday. For more information please visit operaq.com.au/whats-on

Practice tip of the week: If you don't use it already, try a Smart Music subscription – you will have access to literally thousands of tunes and it is a great tool for tracking progress. Speak to your teacher for more information.

Mr Adrian Head (Brass Teacher) is currently in the Czech Republic to conduct the Janacek Philharmonic in two concerts as part of the International Orchestral Conducting Masterclass. We wish him well in this endeavour and look forward to his return towards the end of term. Lessons will be made up upon his return and into Term 2. Red Brass Ensemble will continue rehearsing at lunchtime on Wednesdays.

For students participating in the tour to the USA in the June/July holidays, we are still waiting on scans of passports for many participants. Please scan the photo ID page of the passport, save as a PDF, and forward to music@terrace.qld.edu.au asap.

For those students who perform with our beginner and intermediate level ensembles, it is a requirement that you wear grey trousers for performances. This provides a more formal and unified look as opposed to a mix of trousers and shorts. The first big concert event for these groups will be the Winter Concert in Term 2. Trousers are available from the Uniform Shop in sizes from 8 to 18. **Students who perform *only* as part of the Year 5 and 6 Band and Strings classes do not need to purchase trousers.**

Please check the Terrace App and Parent Lounge regularly as this is where information regarding various events (see the list below) will now be published. As events are approved and posted to the Parent Lounge, you will be sent an email advising the name of the event, including the Event Memo, to check and you will be required to give a response regarding attendance. Event Memos will also be available through the *Terrace App* in *Music* and will no longer be emailed separately.

Term 1 Events

- **ANZAC Day Marching Band**, Sunday 12 March, 10am-12pm, Tennyson Playing Fields
- **Easter Liturgy**, Friday 31 March, Period 7, Terrace Choir.
- **ANZAC Day Marching Band**, Sunday 23 April, 10am-12pm, Tennyson Playing Fields
- **ANZAC Day Marching Band**, Tuesday 25 April, 8am – 12.30pm, meet at Terrace, march in Brisbane CBD.
- **GPS Music Showcase**, Wednesday 17 May, selected performers only. All day rehearsals and workshop, Concert at QPAC Concert Hall, 7pm.
- **Winter Concert**, Thursday 18 March, 6.30pm. **Please note the date for this event has changed due to a clash with GPS Music Showcase.**
- **Norman Clarke Concert**, Sunday 21 May, Villanova College. Sound checks from 10.45am, concert at 3pm.

Holiday Workshops

- **ANZAC Day Marching Band**, Monday 10 April and Tuesday 11 April, TBC
- **Red Peppers Pep Band**, Monday 10 April and Tuesday 11 April, TBC

Term 2 Events:

SHOW LESS

DIRECTOR OF SPORT: MR DAMIAN WRIGHT

A big weekend ahead for our rowers.

Swimming

Last Friday was an outstanding day at the GPS Swimming Championships at Chandler. The morning session, where the Juniors competed, was as fiercely contested an event as one could witness. You would have thought that the boys were swimming for sheep stations, such was the passion and excitement!

Well done to all the boys for their commitment and dedication. The standard of performance was first rate but from the many smiles I think all of them enjoyed themselves.

For the record, Terrace were fifth in the Junior section with many standout performances. First places were achieved by:

Archer Mann 10 years 100M Freestyle Div 2

Archer Mann 10 years 50M Freestyle Div 2

Charlie Cross 11 years 100M Freestyle Div 1

Charlie Cross 11 years 50M Freestyle Div 1

Jack Moore 10 years 50M Backstroke Div 1

Jack Moore 10 years 50M Freestyle Div 1

Jack Moore 10 years 50M Butterfly Div 1

The afternoon session of GPS Swimming is a highlight of any year and the performance by the swimmers in the pool and the supporters in the stand made it one of the most memorable events in recent years.

The record will show Terrace came seventh on the night but the performances by all boys was significantly better in 2017. It was a great night with all boys performing strongly. With a little bit of luck, the boys could easily have finished in a fifth place.

Success is identified in the simple fact that the program overall is improving and the boys are responding. Not every boy can win every race, but the strength of a performance comes from teams/individuals turning those seventh placings into sixth or fifth placings, the whole team improves significantly.

Rowing

Saturday will witness the Head of the River at Wyaralong. The culmination of the Rowing season for the Senior boys in the program from Years 10 to 12. Over recent weeks, the Junior Head of the River has been held (Year 9) and the Year 8 Regatta at Wyaralong with Terrace crews featuring strongly across both regattas.

Special mention to the Year 9 5th Quad that won their race. Congratulations to:

Cox - **Noah Low**

Stroke – **Sam Daly**

3 - **Archie Esler**

2 - **Christian Campbell-Perry**

Bow - **Liam Cox**

As with the Swimmers, the Rowers will have to produce their best performance under the spotlight at the Championship event. There will be no second chances – no coming back next week to try again. Championship events bring out the greatest opportunities for boys to perform under pressure on the big stage.

Like the Swimmers, the Rowers will succeed as they have done the work; they are prepared. Countless hours perfecting their technique and generating outstanding fitness levels – this Saturday is their time to shine.

Dinners

This time of year, is the celebration of our Term 1 activities with the Swimming, Rowing and Volleyball dinners all scheduled to be held over the next week. These evenings are great opportunities to celebrate all boys in respective programs regardless of their team selections. Thank you and

congratulations to the amazing parent support behind these functions – your tireless efforts do not go unnoticed and are truly appreciated.

International Women's Day

Last Sunday a solid contingent of Terrace athletes joined in the sea of pink at Southbank to compete in the International Women's Day Fun Run. It was a fantastic event. Thank you to Cross Country Coach **Cerene Hughes** for this initiative. The boys thoroughly enjoyed themselves – importantly recognizing the significant influence/presence in our society and the boys lives of the ladies – Mothers, Aunties, Grandmothers, Sisters.

For the record, some wonderful results were recorded – with Terrace boys finishing 1st, 2nd, 3rd, 4th, 5th and 6th!!

A good day out for everybody and for all the right reasons.

SPORT PHOTOS

Cricket photos for teams playing at Tennyson will be taken this Saturday. Please note that teams not playing at Tennyson this weekend will be taken next Saturday 18 March (or at a later catch up day at the College TBA).

For boys playing Cricket this Saturday 11 March at Tennyson please carefully review the photo schedule sent out by Cricket staff on the College App.

Some photos will be taken BEFORE a match, with some photos taken as soon as matches are complete.

Players need to be at the Rowing Shed at Tennyson at the scheduled time ready for their photo. Players are required to wear their full Gregory Terrace playing uniform.

The schedule for photos is tight to try and avoid asking players and parents to be at Tennyson for significantly longer periods of time. Several games also begin at the same time. Players who miss the

scheduled time will be recorded as absent to ensure that photos can stick to the schedule.

Round 6 wrap

Round 6 GPS Cricket

Despite the 'GPS Bye' last weekend Tennyson was a hive of activity on Saturday. The playing fields were at full capacity with all Terrace Teams competing in 40 matches of cricket against a number of different schools – no mean feat considering there was no formal opposition available to play against. Internal games also took place where it was fantastic to see the College spirit and some friendly rivalry on display. Highlights of the weekend included:

- 5th XI vs 6th XI on Ron Oxenham Oval – some great individual performances from both sides in a match played with plenty of laughs in great spirit.
- Our 8A, 7A and 5A teams all recording victories over ATC
- Some significant victories once again from the Year 7 and 8 teams who continue to improve with each match

1st XI Match Report

Terrace 1st XI 9/270 (50) defeated Downlands 1st XI 7/180 (50)

Saturday saw Terrace 1st XI play Downlands College in the traditional 'GPS Bye Fixture' on Internationals Oval at Tennyson. The match shaped as a fantastic chance for some additional match practice for boys within the side, with a number of the wider squad granted opportunities to play for the 1st XI for the first time this season. Terrace batted first and quickly set about piling on the runs, with **Ed Backstrom** (17) combining with **Nick Houlahan** for a 60 run opening stand at a run a ball. There were contributions aplenty in the top order, with **Isaiah Snell** (25), Harry Wilson (34) and **Tom Pappalardo** (20) all combining with Houlahan (80) to ensure Terrace had a good platform to score quickly at the back end of their innings. Houlahan was in rare nick as he found the boundary reguallry off both spin and pace bowling, falling 20 short of what would have been a well deserved century. Eyeing off a big total, late cameos from **Riley Sela** (20), **Harry Carlile** (15 not out) and **Tom McKenna** (22 not out) saw Terrace reach 9/270 off their 50 overs.

Downlands, determined to put up a good fight in their chase started their innings with good purpose. The Terrace bowling attack however were quickly able to wrestle back momentum and create pressure through consistent bowling and a committed fielding performance highlighted by some sharp catches

from Houlahan and wicket-keeper Sela. Wickets fell at regular intervals with Carlile (1) , **Max Law** (1), **Nick Hopkins** (2), Backstrom (1) and Wilson (1) all picking up scalps. As the game drew to a conclusion and a Terrace victory all but certain the Downlands opening batsman was able to reach his century, batting through the innings in a classy display of schoolboy batting, executing the type of application required to reach three figures at a 1st XI level. Despite the knock Terrace worked hard to earn their 90 run victory in convincing fashion.

The win has provided Terrace with great preparation for a crucial home fixture this weekend against the always competitive Ipswich Grammar School. As the season moves into its final stages, the group is focused on maintaining their high standards and the fate of the season relies on winning the important moments as the 1st XI set their sights on a top three finish.

REPRESENTATIVE SPORT

All your Representative Sport information.

Terrace students are eligible to trial for selection into District and Met Nth Regional representative teams in a number of sports. Our primary students nominate via City Dist. and our secondary students via Nth Independent or in some cases Met Nth direct depending on the sport. *Boys will only be nominated if they are of a high standard and meet qualifying times in respective sports.*

City District Term 1 Sports are:

- **Touch** trial date 17 March – Open to all boys turning 12. Nominations close Friday 10 March
- **Rugby Union** trial date 24 March – Open to all boys turning 12. Nominations close Friday 17 March

Nth Independent Term 1 Sports are:

- **Touch** trial date 15 March– Nominations close Friday 10 March

Direct nominations to Met. Nth Sports are:

For more information relating to upcoming trials please contact

tyronmandrusiak@terrace.qld.edu.au or click on the below link <https://metnorthschoolsport.eq.edu.au/Pages/default.aspx>

Thanks for your support.

ROWING WRAP

Your Rowing Wrap.

Last weekend saw the final preparations before Head of the River put to the test as our Rowers raced to the finish line with pure determination. Rowers across the board stepped up and showed promising

signs for what we can expect for the 2017 Championship event.

On Saturday, we welcomed the 2017 Year 8 Learn to row cohort for their first experience in racing. From the capsized sculls scattered along the Brisbane River to the 8 quads on the weekend, each and every crew gave it their all as they pushed and pulled their way to the finish line. This was the first time that both ends of the shed were able to mingle and support each other and hopefully inspired them to represent the College in the years to come.

The day showed off some perfect Wyaralong weather which allowed the **Year 8 1st Quad (Ruari Burke, Henry McCluskey, Campbell Wright, Paddy O'Toole, Eamonn Carroll)** who recorded the fastest Terrace quad time of the day to secure the **TSS Crew of the Week**. Please see Miss Power to claim your prize! Special mention must also go to the Year 8 7th Quad (**Sam King Koi, Ed Dowling, Ben McCauley, Riley Mills, Jack Turton**), Year 8 6th Quad (**Tyler O'Farrell, Daniel Wright, Jon Condon, Thomas Kirk, Angus Crowe**) as well as the Year 8 5th Quad (**James Panizza, Remo Italia, Sam Lilwall, Jack Camilleri, Joe Clifford**) who all secured a top two finish!

With only metres separating them from first, the Year 10 6th Quad has a great opportunity this weekend to get maximum points in the first race of the day for Terrace. **Please watch this Head of the River Crew in Focus as they start our campaign for the 2017 Old Boys Cup!**

GPS HEAD OF THE RIVER

All Year 7, Year 8, and Year 9 boys involved in the Rowing program are expected to come and support the senior Rowers this weekend. The supporters bus will depart Spring Hill from the Chapel at 7am. The bus will return to the same point at noon. All boys are to be in their grey school uniform as they will be based on the spectator headland for the best finish line vantage point in front of the parents' tent.

HEAD OF THE RIVER DINNER

This event has been re-opened for one final day. So please book your tickets if you wish to attend the Head of the River Dinner and Awards Night.

Click on the following link for last week's Rowing results.

CAPTAIN'S CORNER

Words on International Women's Day...

On Wednesday 8 March, it was International Women's Day. This day marks a time to reflect on the social, economic, and political achievements of women and the progress they have made in these fields since the first international women's day held in 1914. Despite these successes, we must also recognise the gender inequalities still present today and strive to spark motivation for change.

In our society, it is all too easy to overlook the countless influential women throughout the course of history. Accordingly, I decided to do a little research to really understand just how much women have done for society. From Marie Curie, the first person ever to receive two Nobel Prizes, to Angela Merkel, the chancellor of one of the world's most powerful countries in the world, to JK Rowling, who captivated the world with her book series. Clearly, women are responsible for so much to be proud of.

Yet, although leaps and bounds have been made towards gender equality, there is still so much ground to cover.

As a 17 year-old Australian male, I am not paid 18.8% less for doing the exact same job simply because of my gender. It is predicted that at this rate of progression, economic gaps will not be completely closed for an additional 178 years. As a 17 year-old Australian male, I do not have more than a one in five chance of being raped throughout my life simply because of my gender. As a 17 year-old Australian male, I do not have a one in four chance of being physically abused by my partner simply because of my gender. But all of these statistics are very real for my younger sister. For all of our sisters, aunts, mothers, daughters, wives and colleagues; for every woman we know.

Constituting approximately 50% of the population, the strive towards gender equality does not rely on women only. It also lays firmly on the shoulders of every single man as well. It is on us to stand up and say no to gender inequality. It on us, as men, to at all times give the respect women deserve. It on us, as men, to be bold for change.

All Seniors proudly wore a purple ribbon on Wednesday to show our support.

The College Open Day was a great success with a terrific buzz throughout the campus.

TLG Meeting - Thank you Louise Underwood, Head of Faculty, Library

At Monday's TLG meeting, we were very fortunate to have Louise Underwood, Head of Faculty (Library) talk to us about research and assignment preparation in the context of the College's Library and in particular, available online resources. Louise's presentation was exceptionally informative and a terrific insight into all that is available to our boys - both within the College - and also the wider internet world. There are incredible resources on the school's e-scholar link through Moodle that the library has gone to great lengths in gathering. We also learnt that research material goes way beyond Google too with websites from universities, the State Library and other national data bases the boys can access.

So a special thank you to Louise Underwood. Your presentation on Monday was highly informative and your terrific enthusiasm made it a very enjoyable morning.

Louise has kindly offered to return for our next TLG Meeting on 24 April to discuss the technicalities of APA referencing/bibliographies the boys are required to use in their assessment work. Be sure to put this in your diaries as it will be great to acquire the necessary skills to properly guide your son/s if they need it. You are welcome to bring along a device to practice on during Louise's demonstration.

Open Day: The College Open Day was a great success with a terrific buzz throughout the campus. The TLG were pleased to meet up with so many new and existing parents. We managed to sell some of our wonderful Cookbooks too which is always a bonus.

Mothers' High Tea | Years 5 – 9 | The Marquee, Victoria Park

Don't miss this inaugural event. Tickets are \$55 and go on sale through the College Events page on 20 March. Included in the price of your ticket are bubbles on arrival, a Traditional High Tea plus free entry into the Lucky Prize Draw. Prizes include a weekend away at Halcyon House, a \$500 Camargue Voucher, a \$330 Studio Kirby Family Portrait Voucher and a \$300 Blow Salon Voucher. We are honoured to have Sallyanne Atkinson, former Brisbane City Council Lord Mayor (amongst many other accomplishments) as our guest speaker. Victoria Park is also offering a cash bar with terrific prices on favourite beverages. Tickets are available from 20 March with invitations going out the week prior. There are limited seats so please be sure to get in early.

Coming Up

Monday 24 April - TLG Meeting, 9am GT125

Friday 28 April – Mothers High Tea (Yrs 5 to 9) 10am-1pm Victoria Park

Tickets \$55 on sale 20 March, RSVP due 18 April

PLEASE NOTE: Calendar Error:- A TLG Function is incorrectly listed for 5 May – the correct date of 28 April is correctly listed.

TERRACE SHOP

 **Terrace Shop**

*** NOW IN STOCK ***

UMBRELLAS · BLACK BLAZERS · RED BLAZERS · FOOTBALL SHIRTS & SOCKS · TENNIS SHIRTS
BASKETBALL SHORTS · BASKETBALL TRAINING SINGLETS

SHOP ADDRESS | WESTCOURT - 50 WATER STREET, SPRING HILL STUDENT ID CARDS | NOW ACCEPTED

OPEN | TUE, THURS & FRI | 7.30AM TO 3.45PM | (07) 3214 5258 | www.terrace.qld.edu.au/student-life/terrace-shops

The Terrace Shop is now online!

Terrace Shop – Uniform Shop Now Online

Please be advised that orders for the Terrace Shop can now be completed online through your Flexischools account.

When parents or staff login to Flexischools three buttons will now be visible:

1. Student Printing and Photocopying - allows for students who print in the Library to top up printing funds should they exhaust the amount provided.
2. Canteen Cashless Cards option - links directly to the existing card top up options.
3. **Terrace Uniform Shop**

Parents and staff can login at any time to place orders without having to physically visit the Terrace Uniform Shop. The online Terrace Shop includes photographs of each item and a detailed outline of sizing and availability.

The Terrace Shop is open for collections on

Tuesday, Thursday and Friday | 7.30am - 3.45pm (closed 12noon-12.30pm)

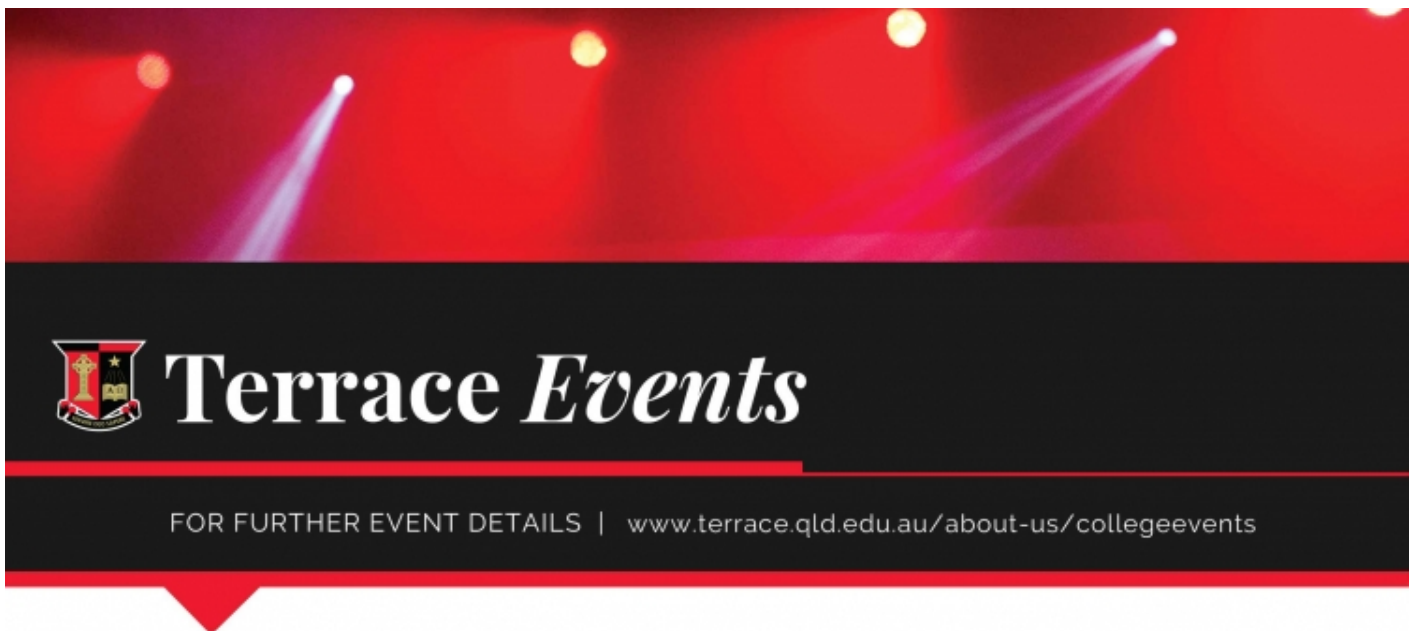

Orders online through Flexischools need to be completed by 3pm on the day prior to a collection day (for example, orders for Tuesday collection close 3pm Monday, orders for a Thursday collection close 3pm Wednesday).

Parents can collect orders themselves or send their sons to collect purchases. Please note that orders cannot be delivered to home addresses or Tutor Groups.

We hope that this online functionality will make it even easier to stock up on all your red and black uniform requirements.

COMMUNITY INFORMATION

SPORTING AND CULTURAL PHOTOS FOR 2017

The College would like to take individual photos of sporting/cultural teams rather than whole year level groupings. We believe that this will afford students and parents a more meaningful pictorial memory of their time in the various sporting/cultural teams.

To facilitate this and to ensure that class time is not impacted by the change, several photos will be taken 'in-season' at the specific playing venue.

Cricket photos for teams playing at Tennyson will be taken this Saturday. Please note that teams not playing at Tennyson this weekend will be taken next Saturday 18 March (or at a later catch up day at the College TBA).

For boys playing Cricket this Saturday 11 March at Tennyson please carefully review the photo schedule sent out by Cricket staff on the College App.

Some photos will be taken BEFORE a match, with some photos taken as soon as matches are complete.

Players need to be at the Rowing Shed at Tennyson at the scheduled time ready for their photo. Players are required to wear their full Gregory Terrace playing uniform.

The schedule for photos is tight to try and avoid asking players and parents to be at Tennyson for significantly longer periods of time. Several games also begin at the same time. Players who miss the scheduled time will be recorded as absent to ensure that photos can stick to the schedule.

The College thanks parents for their support.

GREGORY TERRACE FOUNDATION AGM NOTICE

The 2017 Annual General Meeting of The Gregory Terrace Foundation (ABN 15 101 664 276) will held on Wednesday, 22 March at 7pm in College Hall, St Joseph's College.

ALL WELCOME

Enquires: Director of Development, Mrs Lea Walker-Franks on 93214 5210 or LeaWalker-Franks@Terrace.qld.edu.au
