

YEAR 11 JAPANESE- EXCHANGE PROGRAMME

St Joseph's College Gregory Terrace in association with Konan Boys' High School in Japan is pleased to announce an exciting opportunity for Year 11 Japanese students.

Konan Boys' High School has agreed to accept ONE Year 11 Terrace Japanese student to be an exchange student in Japan during the Christmas holidays this year. Students will homestay with a Japanese family and attend classes at Konan.

This exchange program will provide students with a unique opportunity to significantly improve their Japanese language skills, learn about an ancient culture, make friends and develop independence and self-reliance as a result of being removed from their usual environment.

This opportunity does not come without its challenges and students should carefully consider whether this type of program would be suitable for them before applying.

The successful student will be responsible for his own airfare and spending money during his stay in Japan. The successful student will be expected to pay his host family 30 000 yen (approximately \$300) per month. This will be used to cover the cost of food and other normal living expenses only.

All interested and eligible students should complete the application form and submit it to Mary Cassidy. Students may be required to participate in a brief interview as part of this process. All queries should be directed to Mary Cassidy via e-mail at MaryCassidy@terrace.qld.edu.au.
