EVERYONE IS WELCOME HERE

Our program boasts an environment that is inclusive of children of all abilities, and uses the interests of the children and their families as the foundation for our weekly themes and activities.

Our partnerships with families and rapport with the children ensure that our program's activities are child-centred and are founded on the individual needs and interests of the children. Children can participate in both active and passive activities, in both indoor and outdoor spaces. Activities include arts and crafts, creative construction spaces, active sports, reading corners, to name a few. Extra activities and incursions are organised during special days/themes and playground opportunities are offered during days with favourable weather.

We endeavour to achieve best practice in all aspects of our program, striving to create a caring, stimulating and positive environment for all children.

VACATION CARE FEES-\$52 Per Day. PLEASE PACK MORNING TEA AND LUNCH. AFTERNOON TEA IS PROVIDED.
