

St James Lutheran College P&F Association Student Arts, Music and Sports Donation Application Form

Dear Families,

The St James Parent and Friends Committee have a policy that relates to the support and funding for individual students that have attained representative honours in sport, music and the arts. St James P&F proudly acknowledges the growing number of individual students that have been successfully selected in state, national and international teams or have achieved recognition at these levels for scholastic or arts and music achievements.

The St James P&F will make donations in accordance with the adopted policy towards the costs associated with travel and other ancillary costs that are associated with representative honours. Please note, individuals can apply on more than one occasion. For example, if a student is selected for state and then makes it to nationals they may apply for both state and national funding.

Eligibility criteria:

- Must be representing at state, national or international level
- Individually selected (not representing as a member of a St James Lutheran College team or group).
- Confirmation of selection to be attached with this application (excluding school sport selections for example Wide Bay School Sport)
- All contributions by the P&F will be subject to receipt of the attached application form.

St James Lutheran College teams/groups may apply for sponsorship to assist with the cost of travel. Applications for this funding will only be accepted by the P&F via the activity coordinator.

Kind Regards,

Tracey Mason
P&F President
St James Lutheran College
