

St Patrick's College News

CATHOLIC CO-EDUCATION YEARS 7-12

Educating Young Men and Women Since 1873

Thursday 31 October 2019

Dear Parents, Students and Friends of St Patrick's College,

Welcome to Week 3 of Term 4.

YEAR 12 & BEYOND

This week is the end of regular classes for Year 11 and 12 students. It is even more significant for the Year 12 students, most of who have attended St Patrick's College for the past six years.

I am always amazed by the varied feelings of the Year 12 students over this time. My own three children went through this phase of life with totally different emotions.

My eldest loved school and did not want to leave, he engaged in a range of activities the College provided and was studious and achieved solid results. My second could not wait to leave the school gates, confident to challenge the next phase of life and was happy to cut her ties with her school. My youngest child feared the unknown and in doing so, was extremely apprehensive about the future.

I highlight this because no two experiences are the same and as a College, we don't expect them to be. My prayer for Year 12 students is that they look back on their College life with fondness and remember the good times and relive them often.

It is my hope they take the time to celebrate the future as well as take the values they have learnt at the College to live life to the fullest and contribute positively to society.

It is a time to celebrate this chapter of their life and hopefully, they can do it both respectfully and safely. Most students have examinations in the next few weeks and I expect many will also move into the workforce. It is also a time for them to give thanks to their parents or guardians, to the staff who have supported them, for the friendships that have been made there and finally to the College that has endeavoured to nurture their growth over the past six years.

END OF YEAR MASS & GRADUATION EVENING

At St Patrick's College, it is compulsory for all students to attend the End of Year Mass and Graduation Evening with their parents/guardians to celebrate the Eucharist, farewell our Year 12 graduates and receive the College Yearbook.

This year, this important event will be held on Thursday, 12 December at 6.30pm for a 7.00pm start at the Silverdome.

Parents and Guardians of all students currently in Years 7 - 12 will be emailed closer to the End of Year Mass and Graduation Evening and reminded of this expectation. In exceptional circumstances where students are unable to attend, parents/guardians must advise the Principal by completing an electronic form that will be contained in this email.

BANDANNA DAY

As I write this week's newsletter, I do so experiencing the cool breeze across my head after participating in the recent CanTeen fundraiser along with other brave students. I was amazed by the way the College embraced Bandanna Day. There are not very many people in this world who have not been touched in some way by cancer. I congratulate all those involved in getting their haircut for the cause. It certainly shows the spirit of the College community.

God Bless

Mr Tony Daley
Principal

**Our mission is to be a school
of faith, learning, respect and
service in the Catholic tradition.**

Our Values

Catholic Identity:

We value a school where Christ is central to our lives and where Catholic teachings, values and traditions are lived and celebrated.

Reflection

**"Character consists of what you do
on the third and fourth tries."**

CHANGES TO METRO TASMANIA BUS SERVICES IN 2020

Metro Tasmania has undertaken a network review of general and school bus services and routes for 2020. Changes to new routes and timetables general services are published on the Metro Tasmania website and will take effect from Sunday 19 January 2020.

Changes to the school bus services can be viewed on the St Patrick's College page of the Metro Tasmania website, which can be accessed by clicking the following link: <https://www.metrotas.com.au/schools/st-patricks-college-2020/>

The new school bus network will take effect from **Wednesday 5 February 2020**. With school bus services starting on this date, families of students entering Years 7 and 12 will need to make their own transport arrangements for Tuesday 4 February. Please note the 2020 Term Dates below.

2020 TERM DATES

TERM 1

Tuesday 4 February – Years 7 and 12 students commence
Wednesday 5 February – Years 8, 9, 10 and 11 students commence
Thursday 9 April – Term 1 concludes

TERM 2

Tuesday 28 April – Students commence
Friday 3 July – Term 2 concludes

TERM 3

Tuesday 21 July – Students commence
Friday 25 September – Term 3 concludes

TERM 4

Monday 12 October – Term 4 commences
Wednesday 9 December Term 4 concludes

CATHOLIC PARISH OF LAUNCESTON — MASS OF REMEMBRANCE

Thursday 7 November 2019 at 7.30pm in St Finn Barr's Church, 247 Invermay Road

An invitation is extended to everyone who has lost a loved one, especially during the last year to come along to our annual Mass of Remembrance. Relatives and friends are also invited to attend. You may wish to bring a photo or memento of your loved one and there will be an opportunity to place this at the altar during the Mass if you wish. You are also invited to stay for refreshments after Mass. All are welcome to join in this very special celebration of our faith. For further information, please contact the Parish Office on 6331 4377.

**Has your son/daughter successfully completed an
external music exam in the past twelve month period?**

**If so, please contact
music@stpatricks.tas.edu.au
with the details.**

This information is collected annually by the College.

CHRIST IS ALIVE

by Mr Casimir Douglas

INTRODUCTION

This year, Pope Francis released his Post-Synodal Apostolic Exhortation, *Christis Vivit*, which translates from Latin as, 'Christ is alive'. This communication to entire people of God, is addressed specifically to young people, and he exhorts them to know and embrace that: "*Christ is alive and he wants you to be alive!*" It seems an obvious and tautological statement. But it is not an expression of the Pontiff's desire to check in on the mortality status of our young people. Rather, it is a call to action, a call to be *fully* alive, to live a *full* life. Renowned theoretical physicist, Albert Einstein, is regarded by the intellectual and scientific communities as the model for how we should understand our world, and our role in it. However, his musings on our purpose in this world stretch far beyond the realms of mathematics and quantum physics and into the quality of life for which we should strive. The following quote is attributed to him: "*Only a life lived for others is a life well lived*". And indeed, the living of a *full* life for the Christian person is centred on service. The two initiatives that I wish to share with you in this newsletter are at the heart of how our young people at the College live a *full* life and are of service to others.

FOUNDERS' DAY

Founders' Day is a marquee celebration in the life of the St Patrick's College community, as it presents an opportunity for the whole College to be engaged in servant leadership, fundraising and awareness building for those who are less fortunate in our great global community. Through our fundraising efforts of the last decade (on the final day of Term 3) we have raised over \$90,000. This has enabled the College's sister school in Arusha, Tanzania, the

Edmund Rice Sinon Secondary School, to develop into a self-sufficient educational institution that no longer requires our support. The Edmund Rice Sinon Secondary school was established by, and is run by, the Christian Brothers, which is one of the founding orders of our College. After nine years of support for the Christian Brothers, the College will now seek to support our other founding orders and their work in our global community and closer to home, here in Australia.

The funds we raised this year for Founders' Day were donated to Mary MacKillop Today, a non-profit charity organisation founded by the Sisters of St Joseph. The guiding values and principles of Mary MacKillop Today align with our own Mission and Vision and the Catholic Social Teachings of Human Dignity, the Common Good, Participation & Subsidiarity, and Preferential Option for the Poor. There is a broad scope of projects and initiatives to which Mary MacKillop Today is committed, and the focus of our charitable donation was to their First Nations Tertiary Scholarships program. This program provides financial support to students from disadvantaged backgrounds and works to address systemic barriers to education by increasing access to tertiary studies. The 2019 Closing the Gap Report indicated that Indigenous students comprise less than 2% of the domestic higher education student population, and that only 1% of the Australia higher education workforce are Aboriginal and/or Torres Strait Islander people. Therefore, it was our aim, by our contribution from Founders' Day this year, that we may increase pathways and opportunities for Indigenous students and close the gap.

The College community was able to raise \$13,470 to donate to Mary MacKillop Today. We were pleased to be able to present a cheque for this amount to Ms Madeleine Gough, the Community Partnerships Coordinator at Mary MacKillop Today, at our College Assembly on Wednesday 30 October.

This amount was raised through Tutor Groups running food stalls and activities on Founders' Day, and also through the Founders' Day raffle. The College wishes to thank all those members of the community who contributed prizes to the raffle, who bought raffle tickets, and who sold raffle tickets. Every raffle book, every ticket, every dollar, and every cent counted.

The annual Staff vs Students Soccer Match was held on the day with the staff determined to return to winning ways after being humbled in defeat for the past two years. Both teams braved the inclement weather and determination and physicality of the opposition. However, again, the students were the hungrier and more skillful team in 2019. At the end of the game the students reigned supreme, 3-1.

The third annual SPC: Live Aid! Concert was held in the Nano Nagle Gym in the spirit of the Live Aid! concept devised and made famous by Bob Geldof in 1985. The platform of the concert is used to raise awareness of where our fundraising monies go, and also the difference it makes in the lives of others. And it is an opportunity for our College's contemporary musical acts to showcase their talents to the community. And the talent on display was exceptional! Congratulations to Mr Alex Wadley and the groups in the Rock Band program for their polished, professional and rocking performances on the day, and to Mr Leigh Ratcliffe and Mr Jonathan Warwick for lending their expertise to make this occasion a success.

I wish to thank all community members, parents, staff and students for their participation in Founders' Day.

All of your efforts in preparing for, participating in, and entering into the Christian spirit of the day are greatly appreciated. If the smiles on the faces of our students on Founders' Day are replicated on the faces of our Indigenous brothers and sisters as a result of our fundraising and awareness building, then we have accomplished our goal.

STUDENT WELLBEING COMMITTEE

In late 2018, the Australian Government partnered with MindMatters, BeyondBlue and Headspace to produce a new education initiative. Be You is a national program that is aimed at promoting and protecting positive mental health in young people by providing schools with a comprehensive framework to manage their approach to positive mental health. This includes online professional learning, framework implementation documents, online survey tools, and curriculum resources. This year the College conducted a large-scale survey, using the Be You framework to gather mental health and wellbeing-related perceptions and information from parents, staff and students in the community.

There were two key areas identified as a challenge for the College in the surveys. One was the student body's sense of empowerment and voice in the decision-making processes that affect their mental health and learning. The other was that parents, staff and students felt there needed to be greater promotion of positive mental health initiatives within the community. To address both of these challenges, the Student Wellbeing Committee was formed. The purpose of the committee is to empower students to be involved in the development and decision-making processes of programs, structures and initiatives relating to the mental health

climate of the College. The task of the committee is to be responsible for promoting positive mental health in the community and raising awareness of the impact of mental health issues, how they impact on individuals, and how people can find support. This amounts to raising the profile of mental health in the community through hosting events, making speeches and communicating with the parents, staff and students in the College on a regular basis.

In Week 2 of Term 4, the Student Wellbeing Committee hosted Wellness Week, in which the entire College community was engaged in series of activities in each lunch time which were designed to promote positive mental health. This included Support Ribbon Day, Meditation Day, Yoga Day, Gratitude Chalk Day, and culminated in our annual Bandanna Day celebrations. The challenge for the community was to raise over \$2,000. If the community were able to exceed this amount then Principal, Mr Tony Daley would shave his head, and over \$3,000 was raised! Also, putting their hair on the line was 2019 College Captain, Liam Hollingsworth and 2020 College Captain, Thomas Dwyer, along with Year 11 students, Lachlan Brown and Patrick Donald. Also, Year 9 student, Chelsea Whitchurch, and Year 12 students, Ella Boxhall, Hannah Cole, and Amy Street, all cut off 30cm of their hair to donate for the making of wigs for young people undergoing chemotherapy to treat their cancer. I wish to express my sincere appreciation for the work of the students on the Student Wellbeing Committee: Kaleb Watts (Year 8), Laura Bye (Year 9), Amy Baillie (Year 11), Gabrielle Dewsbury (Year 11), Madison Johnston (Year 12), and College Captain, Sasha Massey (Year 12). I also wish to thank Mrs Kim McInnes, who has been the key support person and facilitator for the committee.

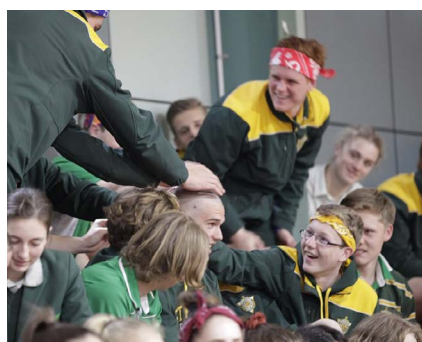

CONCLUSION

Chrtis Vivut is Pope Francis' call to the young people of today to live a *full* life, indeed, a life that is lived in service of others. This sentiment echoes the words of Christ himself, as written by the Gospel writer, John (10:10): "*I came that they may have life and have it abundantly*". But a *full* life is not merely a busy one. A *full* life for our students is one in which they understand their own purpose, one in which they are inspired, one in which they find their spark, and they live their life as an expression of that purpose, and have an understanding of the role in which education and a relationship with God plays in their lives. In closing, this is my exhortation to you, the community of St Patrick's College. As we anticipate the holiday break ahead, and embrace the opportunity for renewal and recreation, I encourage the staff, parents and students of St Patrick's College to use this time to seek stillness and quiet reflection. The rhythm of busyness in our lives tends to persist as we transition from school days into holidays; the season of giving brings with it a season of organising, budgeting, travelling and buying. Rather than giving in to our preoccupation with the external pressures of agendas, demands, and requests, may we make the time in silence to discover the truth of what drives us from within: the love of God and the love of our family and friends. To finish I would like to express my most heartfelt and sincere gratitude to all those who have contributed to the pastoral care of all students at the College and the task of learning and teaching in the Middle School in 2019.

God bless.

Mr Casimir Douglas

WELLNESS WEEK

2019/2020 BLESSING OF THE BOATS

TASMANIAN ALL SCHOOLS ATHLETICS

On the weekend of 26 and 27 October, the College was represented by 15 students at the Tasmanian All Schools Athletics carnival at St Leonards.

Congratulations to the following students, who came away with wins in multiple events:

Ethan Stretton – U/18 - 3rd in 1500m, 2nd in 3000m

Aaron Rigby – U/18 - 3rd in 100m, 3rd in 200m

Zac Tyson – U/18 - 2nd in Javelin, 2nd in Shotput, 1st in Discus

Nash Digney – U/18 - 3rd in Javelin, 3rd in Shotput, 3rd in High Jump, 2nd in Discus

Seth Pfeiffer – U/16 - 1st in Triple Jump, 1st in High Jump, 1st in 100m Hurdles, 2nd in Long Jump

Isabella Davie – U/16 - 2nd in Triple Jump, 3rd in Javelin, 1st in 800m, 2nd in 200m hurdles

Aimee Broad – U/16 - 3rd in Discus, 3rd in 100m, 3rd in Shotput

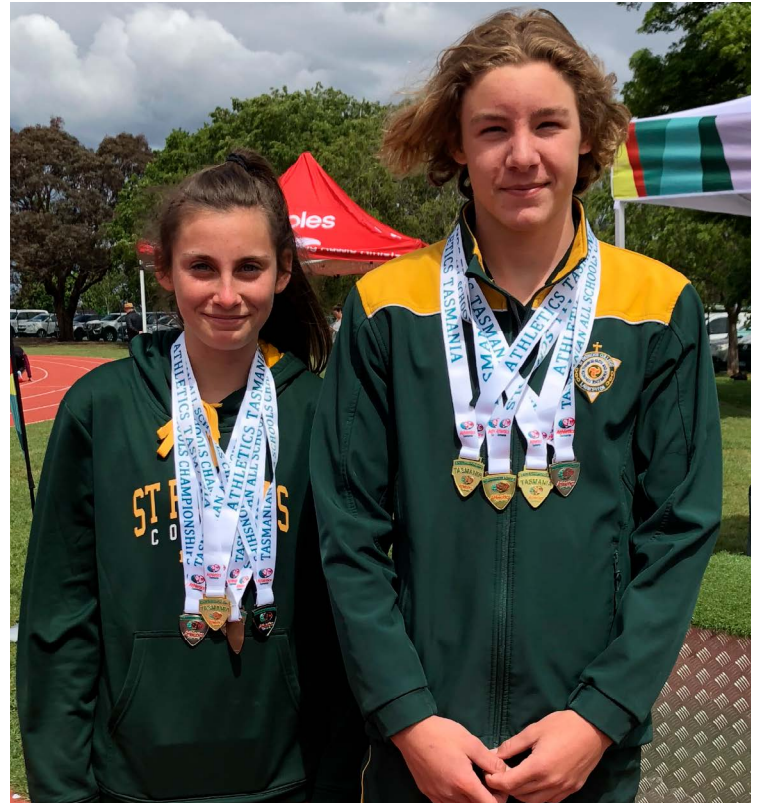

Lachlan Colgrave – U/14 - 1st in 90m hurdles, 3rd in 200m, 2nd in Long Jump, 2nd in 100m, 2nd in 400m, 2nd in Triple Jump

Alex Wojcik – U/14 - 3rd in 90m hurdles, 2nd in discus

Olivia Roney – U/18 - 2nd in High Jump, 2nd in 400m

Other students to compete on the day were Shae Nichols, Connor Wright, Kaiser Myatt, and Demi Petterwood.

A special mention and congratulations to Seth Pfeiffer, who has been successful in the preliminary selection to represent Tasmania and compete at the 2019 Australian All Schools Track and Field Championships in Perth from 6-8 December.

There were some outstanding performances, amidst rain, hail and sunshine with events closely followed both track-side and online, with Athletics Tasmania coverage of the highlights as the weekend unfolded and [live results shared on their website](#). For those interested in records and statistics, it was interesting to

see our aspiring athletes efforts recorded and comparable to the current state record holders. To view images or results, see the [@AthsTas](#) Facebook page or visit their website: <https://www.tasathletics.org.au>

PASSING JUNCTURE

2019 St Patrick's College Senior Art Exhibition

Please join us for the opening of our exhibition

on the 7th of November at 5:30 pm

Guilford Arts Centre, St Patrick's College

Guest speaker Liam James-Director Sawtooth ARI

Proudly supporting the Visual Arts at St Patrick's College

Notice to all students who will be in Years 9-12 in 2020, you are invited to submit an expression of interest to participate in the 2020 Canberra Trip.

WHEN: Monday 28 September to Friday 2 October 2020.

WHY: This trip is designed to complement study in the Legal Studies and History areas in particular

COST: Approximately \$1440.00 per student. We will qualify for a subsidy, which will come off this price. We may also be able to undertake some fund raising.

The tour package will include:

- Return flights Launceston – Canberra
- Canberra coach transport throughout the tour
- 4 nights' accommodation at Ibis Styles Canberra Resort
- All meals starting with dinner on day 1 through to lunch on day 5
- All linen and towels
- Entry fees to:
 - Australian National Botanical Gardens
 - Australian Institute of Sport
 - Museum of Australian Democracy
 - Australian War Memorial – 1 hr educational program
 - National Archives of Australia
 - Questacon – National Science and Technology Centre
- Students will also visit:
 - Parliament House
 - Electoral Education Centre
 - National Portrait Gallery
 - High Court of Australia
 - National Museum of Australia
 - Government House
 - National Gallery of Australia
 - Reconciliation Place
 - Mt Stromlo Observatory

If you are interested in attending the Canberra Trip 2020 you must complete the expression of interest form (see over) and **submit to Mrs McCulloch by Friday 1 November.**

Mrs Kate McCulloch
Head of Humanities & Social Sciences Faculty

SUBMIT TO MRS MCCULLOCH BY FRIDAY 1 NOVEMBER

SMARTER BYOD SOLUTIONS FOR EDUCATION

www.jbeducation.com.au/byod

JB SOLUTIONS
HI-FI FOR EDUCATION

To ease the burden on trying to shop for a suitable device, St Patrick's College has partnered with JB Hi-Fi Education Solutions to deliver the BYOD purchase portal.

On this portal you will find a range of education specific products at discounted prices. These products have been specifically chosen as they are the most suitable products for the use of students within schools. Typically these products are non-retail products, meaning you won't find them in JB Hi-Fi stores. What sets them apart as education products is their stronger design and build (providing additional

protection) as well as extra onsite (at school) warranties and accidental repair options.

St Patrick's College would ask all parents to consider insurance. Students and parents will have full responsibility for the care and use of their personal device including any costs of repair, replacement or any modifications needed to use the device at school. St Patrick's does not accept responsibility for the theft or the loss of the device or parts/accessories. It is strongly recommended therefore that families ensure these devices are insured under relevant policies.

Parents can log into the portal at the following link:
<https://www.jbeducation.com.au/byod>

Should you have any further questions please don't hesitate to contact me at the College.

Mr Matthew McGee
Learning Leader - Digital Technologies

JB Hi-Fi BYOD Online provides families with access to a wide range of education-specific laptops, tablets, accessories and insurance, at an affordable price.

Products differ from those available in retail stores, as they are education specific and selected for their compatibility to school's ICT infrastructure and curriculum, as well meeting the student's needs at home.

The devices selected are designed to enhance learning experiences:

-  Products **specifically selected and approved** for Education use
-  **Robust devices** suitable for school environment
-  **Enhanced performance and speedy connectivity**
-  **Extended battery life**

The BYOD portal provides a simple step-by-step process that allows you to purchase your devices, accessories, extended warranty and insurance all from the one place. The portal will give you access to:

-  A customised **dedicated online portal** for managing your device purchases
-  **Education specific products**, not available in retail stores
-  Extended **warranties and insurance** options
-  Pick up from your selected **JB Hi-Fi store, or from your school** (where possible)
-  **Finance options** including interest free finance
-  A wide range of **accessories** to support your device
-  Education specific **discounted pricing**

HOW TO ORDER

1. Go to jbeducation.com.au/byod
2. Enter your school code **2020STPATTAS**
3. Once logged in, select the relevant student programme.
4. Select your preferred JB Hi-Fi store for pick up, or pick up from your school (where possible).
5. Follow the prompts to choose your device, insurance cover and device accessories.
6. Enter your personal details.
7. Select a payment method and complete your order.
8. If you have any questions, please contact us at jbeducation.com.au/byod or call **1300 730 548**.

NAGLE CHARITY NIGHT - THANK YOU

Thank you to all who were involved in the success of the Nagle Charity Night that was held in Term 3. The Nagle Charity Night is Nagle's main fundraising event for the year where all profits go to a local charity chosen by the House. This event is an opportunity for the whole St Patrick's College community to come together to listen to live music, eat delicious food and have a fun time together, hopefully snaring themselves a prize or two on the Chocolate Wheel or in the large raffle. All profits made will be passed on to the WP Holman Clinic in support of those affected by cancer within St Patrick's College and the wider community. This year we profited \$3,875.75 from the Charity Night and coupled with the Year 12 Nagle 'Lap it Up' money of \$1,773.65, a total of \$5649.40 was raised. This amount exceeded last year's efforts. We appreciate all donations, time and effort behind the scenes, and those in attendance on the night. Thanks must also go to the businesses who supported us this year, listed below. We

look forward to everyone's continued support next year and to seeing both old and new faces come along!

Mrs Kara Beckett & Mr Paul McIver - Nagle House Heads, and all of Nagle House staff and students.

THE PREMIER'S YOUTH ADVISORY COUNCIL

Are you interested?

12 positions available

Young people between the ages of 12 and 24 years are invited to apply.

This is your chance as a young person to make a difference at a state level.

Applications close 13 November 2019
