

St Patrick's College News

CATHOLIC CO-EDUCATION YEARS 7-12

Educating Young Men and Women Since 1873

Thursday 19 September 2019

Dear Parents, Students and Friends of St Patrick's College,

Welcome to Week 9 of Term 3.

This week is the annual award presentation week - Hockey on Monday, Netball on Tuesday, AFL on Wednesday and Soccer next Monday.

While every player receives recognition for their contribution throughout the year, it is also pleasing to recognise other qualities like extra effort, improvement and skill.

In my time in education and as a parent, I have witnessed the shift to every child receiving an award and individual awards are not presented in case somebody gets upset because they don't win.

These presentations are the perfect opportunity to develop resilience in our young people. Students are provided the opportunity to celebrate the success of others as well as developing resilience in themselves.

In all my years of coaching and playing sport, what has been most important is not how you celebrate the win, but how you cope with a loss.

In my early years of coaching first squads, I would give the students 60 seconds of grace to feel sorry for themselves after a loss and then remind them of the gifts they were given to be able to play the game they love to such a high level.

I am always a great believer in the saying "the joy is in the journey". The training, the friendships, the games, the opposition, the recovery and finally the presentations. The joy of the whole journey is what should be celebrated, not the disappointment of not being voted 'best and fairest'. Be resilient, be dignified and be pleased for your team mates. This is what developing resilience is all about, for this is life.

Our students need to be able to handle rejection as they will be faced with much in their life. From not getting that job they wanted, or in my case, not inheriting faster twitch fibres in order to run quicker.

One way to develop resilience is through the process of helping and giving to others. One of the highlights of the school year is to witness the enthusiasm of students in Lap it Up, the Year 12 fundraiser, that this year raised over \$20,000 for charities.

The next big event is the Founders' Day festivities, where the College raises money for the education of our indigenous students across Australia. This is a great day of celebration and care at St Patrick's College. None of this would be possible without the dedication of all the staff, students and sponsors involved and the generosity of the St Patrick's College community.

This week, Pope Francis said, "we need to open our hearts to God and open our hearts to others". I see no better way than through Lap It Up and Founders' Day.

Finally, as we near the conclusion of Term 3, please join me in wishing the Senior School students all the best in their study leading up to the examinations.

God Bless

Mr Tony Daley
Principal

Our mission is to be a school of faith, learning, respect and service in the Catholic tradition.

Our Values

Relationships:

We value a school where partnerships between parents/guardians, students, staff, parishes, and the community are fostered and developed.

Reflection

"It is spring again. The earth is like a child that knows poems by heart".

Rainer Maria Rilke

Summer Shirt \$35

NOTIFICATION IF NOT RETURNING TO COLLEGE

The College is currently developing classes for 2020 and an important part of this process is to notify if any current students in Year 7-11 are **not** returning because they are transitioning to another educational institution or workplace.

An email has been sent to parents/guardians containing a form to complete when students are not returning to St Patrick's College next year. **This notification is required by the final day of Term 3, on Friday 27 September.** If notification is not received by this date, the **10-week late notification fee** (as noted in the Terms and Conditions of Enrolment) will be imposed unless there are extenuating circumstances, such as students leaving for full time employment or geographic relocations, as approved by the Principal.

A response is only required if your child is not returning to St Patrick's College in 2020.

Students continuing their enrolment next year will have this progressed automatically. We do, however, request you read the College's Terms and Conditions of Enrolment and Student Health and Safety Agreement to ensure you remain familiar with these important documents.

If you cannot remember your Schoolbox login to access the links please contact College Reception on 6341 9988.

Notification Form:

RAFFLE BOOKS

All raffle books for the Annual Big Raffle are due back to your Tutor or the Accounts Office by Wednesday 25 September.

Even if you haven't been able to sell all the tickets within the book.

Sell a book and go into the LUCKY DRAW TO WIN ONE TERM'S FREE TUITION FOR ONE STUDENT!

YEAR 7 IMMUNISATIONS

The Launceston City Council Health Department will be visiting the College the morning of Tuesday 22 October (Term 4) to administer the final dose of the HPV vaccine (Human Papillomavirus) to Year 7 students.

If you have any questions or concerns please contact the Health Department direct on 03 6323 3208.

PASTORAL CARE

by Mr Casimir Douglas

“Here I am, the servant of the Lord”

INTRODUCTION

The College's *Strategic Plan (2018-2022)* is not a passive and static document, but a very active and dynamic living out of the College's Mission. *Core Strategic Priority 3: Student Wellbeing and Leadership* identifies the importance of providing opportunities for students

to demonstrate Christ-centred servant leadership across all schools. Servant leadership is a term that is often bandied about in the praxis of student leadership, and there is a glut of literature: books, articles and journals devoted entirely to exploring and explaining what servant leadership means. When working with our student leaders at the College from all grades, I emphasise to them that the model of Christ-centred servant leadership that they are called to is simple, and is evidenced in the Gospel, and boils down to this: saying 'yes'. There are many opportunities for our students to live out the College's Mission through servant leadership and say 'yes'. There are key events upcoming in the life of the College over the next few weeks that engage our students in this model of leadership, from special days that engage every member of community in servant leadership, to those students just embarking on their journey of servant leadership, and to those students concluding their journey of servant leadership at the College.

FOUNDERS' DAY

(Last Day of Term 3 – Friday 27 September)

Founders' Day is a marquee celebration in the life of the St Patrick's College community, as it presents an opportunity for the whole College to be engaged in servant leadership, fundraising and awareness building for those who are less fortunate in our great global community. Through our fundraising efforts of the last decade (on the final day of Term 3) we have raised over \$90,000. This has enabled the College's sister school in Arusha, Tanzania, the Edmund Rice Sinon Secondary School, to develop into a self-sufficient educational institution that no longer requires our support. The Edmund Rice Sinon Secondary school was established by, and is run by, the Christian Brothers, which is one of the founding orders of our College. After nine years of support for the Christian Brothers, the College will now seek to support our other founding orders and their work in our global community and closer to home, here in Australia.

The funds we raise this year for Founders' Day will be supporting Mary MacKillop Today, a non-profit charity organisation founded by the Sisters of St Joseph. The guiding values and principles of Mary MacKillop Today align with our own Mission and Vision and the Catholic Social Teachings

of Human Dignity, the Common Good, Participation & Subsidiarity, and Preferential Option for the Poor. There is a broad scope of projects and initiatives to which Mary MacKillop Today is committed, and our intention is to focus our charitable donation to their First Nations Tertiary Scholarships program. This program provides financial support to students from disadvantaged backgrounds and works to address systemic barriers to education by increasing access to tertiary studies. The 2019 Closing the Gap Report indicated that Indigenous students comprise less than 2% of the domestic higher education student population, and that only 1% of the Australia higher education workforce are Aboriginal and/or Torres Strait Islander people. Therefore, it is our aim, by our contribution from Founders' Day this year, that we may increase pathways and opportunities for Indigenous students and close the gap.

The annual big raffle has been the major contributor to the funds we have raised over the past decade. Therefore, could I please stress the importance of all students and families selling and returning their raffle books. We are approaching the \$5,000 mark of money raised through the raffle. Every raffle book, every ticket, every dollar, every cent counts.

On Founders' Day students are able to wear casual clothes in exchange for a gold coin donation that will be collected during Tutor period that morning and the festivities begin at lunch time. In their Tutor groups, our students lead, organise and run stalls selling a variety of foods and a range of games, activities and challenges for students to participate in. Also, in the Nano Nagle Gym will be the annual SPC: Live Aid! Concert. The concert will feature a range of musical acts from the College. In the spirit of the original Live Aid Concert in 1985, the SPC: Live Aid! seeks to raise awareness about the lives of the people from whom we are raising money, and how the funds we raise help change their lives. Following that will be a whole school assembly, with the drawing of the raffle, and there are plenty of prizes to be won.

And again, whilst there are many activities, food stalls and other events, these should not distract from the focus. Our focus is standing in solidarity with our brothers and sisters in need, knowing that in each small contribution we make here changes the lives of those in need. The very premise of Founders' Day is servant leadership.

STUDENT EXECUTIVE 2020

Our Senior School leaders are defined as engaging leaders. Engaging student leaders, through their experience and development of practical and personal leadership skills, recognise that their continued growth and development as leaders is achieved through the growth of the people around them and the flourishing of the College community. Their key task is to engage authentically with all members of the community.

In the first week of Term 4, on Tuesday 15 October, the College will announce its Year 12 Student Executive for 2020. This group of students represent the most influential and skilled leaders in our student body and are responsible for driving a positive, welcoming, safe, supportive and inclusive student culture. Every year, the Student Executive is comprised of our two College Captains, 16 House Captains and 14 Community Captains. In 2020, the College will be introducing specific portfolios of responsibility for its Community Captains, they will be assigned roles that will require them to drive, lead and serve certain dimensions of life at the College: Diversity Captains, Sustainability Captains, Wellbeing Captains, Mission Captains, Connection to Middle School Captains, Connection to Croagh Patrick Captains and Connection to Senior School Captains. These roles will provide an opportunity for our Community Captains to be responsible for the organising and promotion of events and initiatives that celebrate their portfolio.

Recently, on Tuesday 3 September, the Student Executive 2020 Workshop was held in the Edmund Rice Centre for the 60-odd students whose names are on the Student Executive ballot. These aspiring leaders are engaged in a series of activities and discussions that not only aim to test their understanding of servant leadership, but also aim to develop, strengthen and grow their capacity as student leaders. There is no question that the role of Student Executive member is demanding on our Year 12 students, and it should be. It is not always easy to say 'yes' to leadership and responsibility. I was impressed and humbled by the maturity, conviction and commitment of each of the students at the workshop and wish them all the best in their election as members of Student Executive in 2020.

YEAR 7 SOCIAL

Our Middle School leaders are defined as aspiring leaders. Aspiring student leaders, by virtue of their youth, do not have a depth of experience in leadership as their older peers, but will instead possess a range of raw qualities that indicate potential as a leader: composure, confidence, organisation, motivation, and initiative.

Upcoming on Thursday 19 September, is the annual Year 7 Social in the Barrett Gym at the College. It is set to be a

fabulous event full of loud music, laughter, fun, games and some excellent dance moves. To the latter of which I am not capable of contributing. It is always a pleasure to be witness to the joy and spirit of our young people as they strengthen relationships with their peers, and engage with their year level in a less formal and more social environment. A large debt of gratitude must be paid to Director of Pastoral Care – Middle School, Mr Simon Austen and the Core Captains who are working feverishly in their organisation, preparation and decoration for this wonderful event. This, and other similar events, provide an opportunity for our Year 7 student leaders to engage in servant leadership by providing this forum for their peers to celebrate the night of all nights for our Year 7 students.

CONCLUSION

As evidenced by the events and initiatives that occur frequently in our College community, our students are constantly engaged in opportunities for servant leadership. We are so very grateful that we have a range of young people who are prepared to 'yes' to the challenge and responsibility of leadership. And every time they say 'yes', whether that task be the most simple and mundane or the most complex and difficult, they are living out the College's Strategic Plan, the College's Mission, and their calling by the Gospel. In the first chapter of the Gospel of Luke (26-38), the Angel Gabriel informs Mary that she would have a child and that: "he will be called Son of God". And what was Mary's response?

"Here I am, the servant of the Lord, let it be with me according to your word".

That is a pretty strong and courageous 'yes' to a pretty incredible task of service. It is to this model of servant leadership that our community is called. It is my most sincere prayer that we each find the strength and courage we need to say 'yes' to acts of love, compassion and hope in our homes, in our school, in our community, and in our world.

God Bless

Mr Casimir Douglas

SMARTER BYOD SOLUTIONS FOR EDUCATION

www.jbeducation.com.au/byod

JB Hi-Fi SOLUTIONS
FOR EDUCATION

To ease the burden on trying to shop for a suitable laptop or tablet device, St Patrick's College has partnered with JB Hi-Fi Education Solutions to deliver the BYOD purchase portal.

On this portal you will find a range of education specific products at discounted prices ranging from tablets to laptops. These products have been specifically chosen as they are the most suitable products for the use of students within schools. Typically these products are non-retail products, meaning you won't find them in JB Hi-Fi stores. What sets them apart as education products is their stronger design and build

(providing additional protection) as well as extra onsite (at school) warranties and accidental repair options.

St Patrick's College would ask all parents to consider insurance. Students and parents will have full responsibility for the care and use of their personal device including any costs of repair, replacement or any modifications needed to use the device at school. St Patrick's does not accept responsibility for the theft or the loss of the device or parts/accessories. It is strongly recommended therefore that families ensure these devices are insured under relevant policies.

Parents can log into the portal at the following link:
<https://www.jbeducation.com.au/byod>

And use the School Code:
2020STPATTAS

Should you have any further questions please don't hesitate to contact me at the College.

Mr Matthew McGee
Learning Leader - Digital Technologies

JB Hi-Fi BYOD Online provides families with access to a wide range of education-specific laptops, tablets, accessories and insurance, at an affordable price.

Products differ from those available in retail stores, as they are education specific and selected for their compatibility to school's ICT infrastructure and curriculum, as well meeting the student's needs at home.

The devices selected are designed to enhance learning experiences:

-  Products **specifically selected and approved** for Education use
-  **Robust devices** suitable for school environment
-  **Enhanced performance and speedy connectivity**
-  **Extended battery life**

The BYOD portal provides a simple step-by-step process that allows you to purchase your devices, accessories, extended warranty and insurance all from the one place. The portal will give you access to:

-  A customised **dedicated online portal** for managing your device purchases
-  **Education specific products**, not available in retail stores
-  Extended **warranties and insurance** options
-  Pick up from your selected **JB Hi-Fi store, or from your school** (where possible)
-  **Finance options** including interest free finance
-  A wide range of **accessories** to support your device
-  Education specific **discounted pricing**

HOW TO ORDER

1. Go to jbeducation.com.au/byod
2. Enter your school code 2020STPATTAS
3. Once logged in, select the relevant student programme.
4. Select your preferred JB Hi-Fi store for pick up, or pick up from your school (where possible).
5. Follow the prompts to choose your device, insurance cover and device accessories.
6. Enter your personal details.
7. Select a payment method and complete your order.
8. If you have any questions, please contact us at jbeducation.com.au/byod or call 1300 730 548.

YOUTH SPEAKOUT

by Gabrielle Dewsbury

In the past month or so students from across each grade created artworks, writing pieces and dance pieces for the 2019 Youth Speakout. The Youth Speakout is an event run by Reconciliation Tasmania that gives students a platform to share their voice on Aboriginal reconciliation in Tasmania. Students were to submit a work, of any medium, that addressed this year's theme of Voice, Treaty, Truth. Last Wednesday, students who submitted an entry were invited to come together and share those voices in Hobart.

When arriving in Hobart the students then made their way to Parliament House where they were given the opportunity to present and share their works with Members of Parliament. As a keynote speaker, I was able to address attendees such as The Honourable Will Hodgman MP, Premier of Tasmania; The Honourable Rebecca White MP, Opposition Leader; The Honourable Roger Jaensch MP, Minister for Aboriginal Affairs; and the many Honourable Members of the Lower and Upper House. The final stop of the day saw students and schools thanked and acknowledged for their efforts towards reconciliation at Government House. The day opened up an honest and diverse space for many thoughtful discussions about what our future can look like and the steps that both individuals and communities can take towards reconciliation with our First Nations people. For those interested there will be an exhibition featuring our artworks and pieces at Academy Gallery, Inveresk, during Term 4.

We look forward to seeing more events and programmes, such as the Youth Speakout, that gives opportunity for all students to engage in the social justice and compassionate aspects of College life.

LAUNCESTON CONFERENCE CENTRE

WEDNESDAY SEP 25
11:00AM - 3:00PM

VISUAL COMMUNICATIONS CLASS REDESIGN CITY FLAG

On Tuesday, Mayor van Zetten visited the College to meet with a Year 8 Visual Literacy class that has taken up the challenge set by their teacher, Mr Troy Ridgway, to redesign Launceston city's flag.

The class has been exploring how to effectively design a flag with the simple use of colour, shape and symbolism. The students also had the opportunity to identify interesting flags and talk about the symbols and their historical contexts.

The students presented their designs and discussed how the elements symbolically represent features of the Launceston municipality.

So what did the class learn about the city's flag?

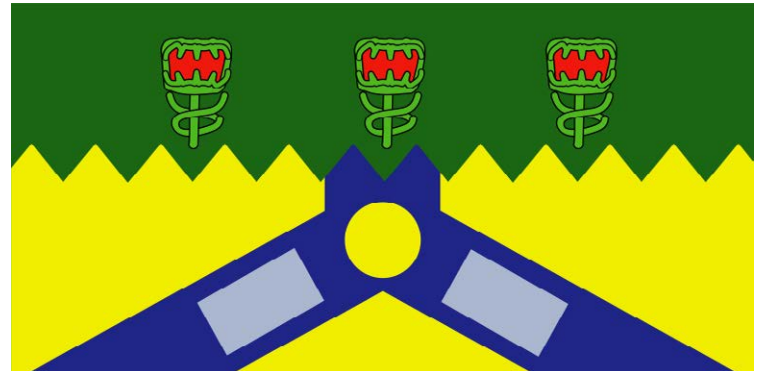

The current Launceston flag design is based on the city's Coat of Arms granted by the College of Arms, London on 11 June 1957. The Brisbane Street Mall, the War memorial

at Royal Park, atop the Council Chambers and on top of the Albert Hall are places in the city where the flag is regularly flown, flying the flag is restricted to use on Council property.

In the flag design, shown top-right, the three intersecting lines in the flag represent the city's three rivers, the North Esk, South Esk and the Tamar. The yellow disc at the centre of the flag represents Launceston city, and the two rectangles over the blue lines of the rivers represent tin ingots, with the ingots included because Launceston used to be a large tin-smelting centre.

At the top of the design, the green strip across the top with the repeated A-line edge represents the city's parks, gardens and surrounding countryside, and the waratah flowers symbolise all flowers and similar beauties of nature.

It was interesting to see that

the students redesign of the flag incorporated many of the features in the original flag but in all of their designs there was one element missing, which was the reference to our industrial past, which made for

an interesting discussion point for the class.

We thank Mayor Albert van Zetten for taking the time to visit the College and respond the creative efforts of our students.

AUSTRALIAN APEX TEENAGE FASHION AWARDS 2019

by Mrs Jacqueline Nicolson

Congratulations to the four students who entered the Australian Apex Teenage Fashion Awards at Latrobe on Saturday 7 September. Cheyanne Whitchurch, Lily Lury, Paige Arnold and Imogen Williams modelled their creations in one of the five categories. These students have spent many hours working on these creations in both Textiles Group and at home. There were over 60 entries from the north of the state and they displayed a high level of creativity, skill and commitment. As well as providing an opportunity for students interested in design, involvement in the process also aims to raise self-esteem, inclusiveness and provide a network of support. This was very evident at the awards and students expressed a strong desire to be part of the competition again next year.

NSATIS NETBALL FINALS WINS!

I am pleased to report that yesterday afternoon we won both the 1sts and 2nds NSATIS Netball titles!

The 2nds ran out comfortable winners 60-14 and the 1sts triumphed 44-28.

That makes four in a row for the 1sts and seven in a row for the 2nds. Both teams were undefeated for the season and we can't remember when the 2nds last lost a game.

Congratulations to coaches Mrs Jacinta Simeoni and Ms Jordy Milbourne and the players listed below. Thanks to Mrs Karen Dwyer (PIC) and Ms Amy Soule (Manager).

The 1sts will now play for the State title aiming for four in a row.

This will be held during the day Wednesday 25 September in the Nano Nagle Gym.

by Mr Craig Boon

NHSSA NETBALL GRAND FINALS

On Saturday 7 September the NHSSA Netball Grand Finals were played at the Hoblers Bridge courts. We had four teams involved in the Senior 1sts (9/10) and Junior 1sts, 2nds and 3rds (7/8).

In the first time slot our Senior 1sts took on Launceston Christian School and in a very polished performance took out the title 33-19.

Congratulations to the team and coach Miss Sarah Daff.

On the adjacent court our Year 8 2nds took on Scotch Navy and also ran out winners with a very comfortable margin of 32-7.

Abbey Balym was selected as the MVP award winner.

Well done to coaches Mrs Angela Cresswell and Cleo Cresswell and the girls.

In the second time slot, our Year 8 3rds Gold team took on Scotch Oak and in the closest final of the day fell short 10-15.

The team was coached by Charlotte Worsley and Cassidy O'Brien.

Bella Summers took out the MVP award.

Well done to the team on reaching the final and making it a close contest.

The final game was our Year 8 1sts taking on Scotch and despite a quick start and a late rally from Scotch our girls proved too strong and ran out 22-15 winners.

Well done to coach Mrs Alex Millwood and the team.

They awarded the MVP to Katherine De Paoli for a rock solid defensive effort.

In the U/16 Girls Hockey final at St Leonards last night we went down 1-nil to Queechy Penguins.

Thank you to all the staff and students involved with these teams for the season.

by Mr Craig Boon

NSATIS ATHLETICS - A GREAT DAY OUT

by Mr Craig Boon

I am pleased to be able to report that we had a very successful day at the NSATIS Athletics Carnival on Thursday 12 September.

We took home six of seven shields (only missing out on the junior girls).

We won eight of ten age group pennants (only missing out on Boys and Girls U/13).

There were three record-breakers:

- Lachlan Colgrave in the Boys U/13 Hurdles
- Subi Daly in the Girls U/13 Hurdles and
- Seth Pfeiffer in the Boys U/14 High Jump

It was a great team effort across the day but I would also like to highlight some of the individual performers who won multiple events (not counting being part

of a successful relay team in some cases):

- Lachlan Colgrave (3)
- Seth Pfeiffer (5)
- Zac Tyson (2)
- Nash Digney (2)
- Michael Stingel (3)
- Aaron Rigby (2)
- Shae Nichols (2)
- Isabella Davie (6)
- Amie Broad (3)
- Isabella Johnston (3)
- Cynthia Echeta (3)

A big thank you to our dedicated staff for their efforts - PIC Mr David Rae, Mrs Alanna Stretton, Mr Jack Prosser and Mr Rob Boon who worked with the team and Mr Joe Ratcliffe who as always volunteered to be our sports trainer with Mr Rob Boon.

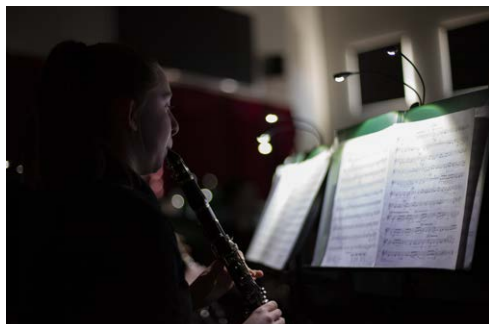

Mr Pat Moroney was one of our officials that

we are required to supply and worked with some of our parents on the javelin all day.

Mr Matthew McGee brought a new dimension to the carnival by interviewing winners of the events shining a light on field event winners that often go unnoticed and providing more colour and interest to the day.

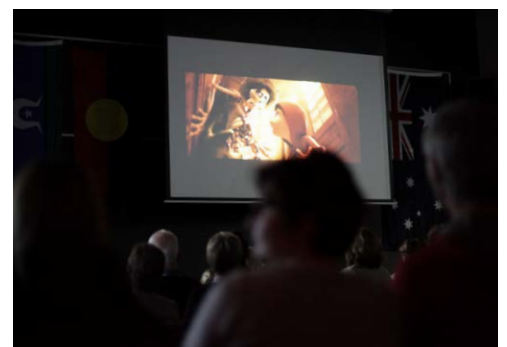

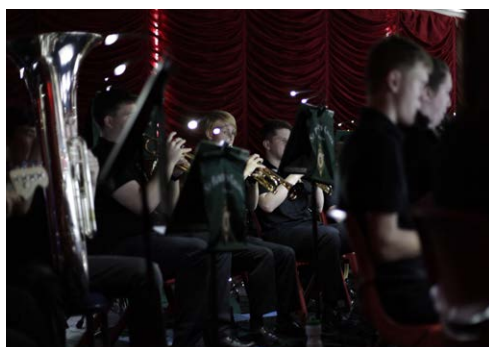

MOVIE CONCERT

On Sunday 8 September, St Patrick's College Band delivered an amazing performance of theme music to the popular animated movies that we all know and love. Orana Hall was transformed into a theatre-like setting with the music taking the audience on a journey of sound, cleverly queued to the vision of mini movies.

Mini movies that were featured included Cars, Moana, Beauty and The Beast, Coco, Frozen, How to Train Your Dragons, Aladdin, Ratatouille, Incredibles, Toy Story, Up, The Lion King, Greatest Showman, Fantastic Beasts & Where to Find Them.

Well done to our College Band and Ms Fiona Mowat on creating a magical event for the whole family.

STUDENT ACHIEVEMENTS

During the term break, six of our students will travel to Canberra to compete in the State Teams Championships at the Australian Institute of Sport. The Championships is a short course event and used as a junior pathway where athletes are selected to represent their state and compete against each other for points. Good luck!

Pictured left to right: Blake Stretton, Grace Campbell, Jade Nichols, Jonte Adams, Kane Johnson, and Mackenzie French.

Well done to Edsall Pickford, Kaiser Myatt, Elijah Norman, and Alexander Vogelaar for their recent selection to represent the state in the under 14 Futsal team. They will represent Tasmania in Sydney in January 2020.

Congratulations to Ronan Filgate (left), who has been invited by Golf Australia to represent Tasmania and play in the Victorian Boys Championship in Melbourne.

Well done to James Culpeper who was recently awarded a scholarship, and will travel to Victoria with the Australian Air Force Cadets to undertake a two-week flight training course.

Best of luck to Brianna Whitmore who is representing Tasmania in touch football at the National Youth Championships in Queensland.

Well done, Zakk and Shelby Steward for your recent hockey achievements.

Shelby (Year 7) has been selected to represent Tasmania in the Schools Sports Under 13 National Carnival in Hobart this October.

Zakk (Year 9) was recently awarded the Northern Hockey Tasmania Under 16 Male Best and Fairest.
