LUTHERAN COLLEGE
FUTURE FOUNDATION

...providing for the future

St Peters Future Foundation

The success of the St Peters Future Foundation is dependent on receiving support from the wider College community.

Gifts to the Building Fund contribute to the development and refurbishment of buildings at St Peters Lutheran College Indooroopilly, Springfield, and Ironbark to support academic excellence.

Your gift to the Scholarship Fund will create new learning opportunities for students who, without financial support, may not be able to access a St Peters education. You could help change the life of a child by giving them the advantage of a St Peters Lutheran College education.

A gift to the Helping Hands Fund will help provide financial relief to individuals or families in times of severe hardship. The Helping Hands Fund is proudly endorsed by St Peters Old Scholars Association (SPOSA). Old Scholars are asked to consider giving to the Helping Hands Fund to safeguard the education of those experiencing adversity.

By selecting to donate to the Future Fund, you allow the Future Foundation to direct your gift to the Helping Hands, Scholarship and/or Building Funds, on the basis of need.

How to give

For further information or queries, to make a tax-deductible pledge, donate artwork or any other gifts in kind, or if you consider leaving St Peters in your will please contact our Foundation Office:

Kathrin Hofmann, Foundation Manager

Since its inception, a culture of giving has helped to sustain an environment of educational excellence at St Peters. A well-resourced Future Foundation will ensure the College can continue to provide the best opportunities for a holistic education of every student.

Mission

- Ensure the financial security of the College by developing a commitment to philanthropy and a spirit of generosity within the College community

Objectives

- Assist the College in maintaining and upgrading its facilities
- Ensure enrolment fees are contained at an affordable level
- Provide additional support to our community when needed
