

CAR PARK REQUEST FORM

Limited car parking is available each semester to Durack College residents. Persons who hold a current blue Queensland Council approved disability permit will be given priority parking. Consideration will be given to residents who play representative sport, have employment commitments for which a motor vehicle is required and those who missed out on a car parking space the previous semester. If you require a car space during the semester and have not requested one, you must seek permission first before bringing your vehicle to college.

There is an upfront car parking fee of \$400 per semester. Residents who wish to secure a car parking space for the following semester will need to apply again. Please complete this form (including payment details) and return to reception@durackcollege.com.au upon acceptance of your enrolment.
