

## **Toorak College - Child Protection and Safety Policy**

Toorak College has developed the following Child Protection and Safety Policy. This policy is an overarching document that provides key elements of our approach to protecting children from abuse.

The policy forms the foundation of the College's procedures, practices, decision-making processes and ultimately the College's culture with respect to child safety.

It is designed to be published on our public website as well as communicated through other mediums such as newsletters, our annual report and in induction and welcome packs for Toorak College Board directors, staff and Volunteers.

The College's Child Protection and Safety Policy has been approved and endorsed by the Toorak College Board and is regularly reviewed by the Board.

Child abuse includes sexual offences, grooming, physical violence, serious emotional or psychological harm, serious neglect and a child's exposure to family violence. Toorak College is committed to the protection of all children from all forms of child abuse and demonstrates this commitment through the implementation of a comprehensive Child Protection Program designed to keep children safe.

At Toorak College we have a zero tolerance for child abuse and are committed to acting in children's best interests and keeping them safe from harm. The College regards its child protection responsibilities with the utmost importance and as such, is committed to providing the necessary resources to ensure compliance with all relevant child protection laws and regulations and maintain a child safe culture.

#### **Child Safe Values & Principles**

The College's commitment to child safety is based on the following overarching principles that guide the development and regular review of our work systems, practices, policies and procedures to protect children from abuse.

1. All children have the right to be safe.

Our Child Protection Program relates to all aspects of protecting children from abuse and establishes work systems, practices, policies and procedures to protect children from abuse. It includes:

clear information as to what constitutes child abuse and associated key risk indicators;

clear procedures for responding to and reporting allegations of child abuse;

strategies to support, encourage and enable staff, Volunteers, Third Party Contractors, External Education Providers, parents and students to understand, identify, discuss and report child protection matters;

procedures for recruiting and screening Toorak College Board directors, staff and Direct Contact Volunteers;

procedures for reporting reportable conduct and/or misconduct;

pastoral care strategies designed to empower students and keep them safe;

policies with respect to cultural diversity and students with disabilities;

a child protection training program;

information regarding the steps to take after a disclosure of abuse to protect, support and assist children;

guidelines with respect to record keeping and confidentiality;

policies to ensure compliance with all relevant laws, regulations and standards (including the Victorian Child Safe Standards); and

a system for continuous review and improvement.

As a part of Toorak College's induction process, all staff and Direct Contact Volunteers are required to complete a selection of training modules on the content of our Child Protection Program.
