

FAITH AND MISSION

As a part of the life and mission of the Catholic Church, we animate the Charter for Catholic Schools in the Edmund Rice tradition. Through the provision of quality Religious Education and Gospel-centred formation initiatives, we develop young men who seek a personal knowledge of Christ, the humility to serve and the wisdom to act for compassion and justice in our world.

GOVERNANCE AND STEWARDSHIP

Our governance and stewardship align with the servant model of the Gospels and the Charter for Catholic Schools within the Edmund Rice tradition. Through responsible planning and resourcing, we enhance the sustainability of our physical infrastructures, information technology systems and personnel to improve work practices, pedagogy and learning outcomes. We are preparing the College for a future that honours and values the past, embraces innovation and positions the Terrace Family as a leading centre of faith, formation and learning.

TEACHING AND LEARNING

We provide an encouraging, nurturing and supportive learning environment that promotes academic excellence. Our staff are committed to excellence in both teaching and learning. We emphasise mutual respect of our students that values and fosters the partnership among staff, students and families.

We have a student-centred approach to teaching and learning that tracks and mentors students; teaches explicit skills to maximise learning; recognises academic achievement and improvement and encourages reflective learning. We aim for each student to embrace a love of learning and to use his gifts and opportunities to make a positive difference in society.

CO-CURRICULAR PROGRAM

We facilitate an exceptional, comprehensive and inclusive co-curricular program that fosters teamwork, relationships, a sense of fair play, personal excellence and humility and thus creating a strong sense of pride and engagement in the College.

AN ATMOSPHERE OF CARE

We are a learning community that values and acknowledges the gifts offered by each person of the College community. We create opportunities to develop and strengthen relationships that enhance and support the well-being of students and staff. The House System and Waterford Place are at the core of a suite of formation experiences designed to deliver the best of care for all students. We commit our energies to forming young men of faith and learning who will make a difference to the world.
