Statement of Commitment

to the safety and wellbeing of children and the protection of children from harm.

TACAPS Kindergarten supports the rights of children and are committed to ensure the safety, welfare and wellbeing of children. TACAPS Kindergarten is therefore committed to responding to allegations of child harm resulting from the conduct or actions of any person including that of employees.

This commitment includes the provision of a safe and supportive living and learning environment for all children and requires all employees, volunteers and visitors to model and encourage behaviour that upholds the dignity and protection of children from harm.

In support of this commitment, TACAPS Kindergarten is dedicated to our Child Risk Management strategy, which includes having relevant policies, procedures and training in place to effectively address the safety and wellbeing of children in their care.
