

GENERAL

- Fees detailed below are effective from 1 January 2017 and shall remain in force until such time as changed by the School Council.
- Whilst it is the aim of Council to set fees on an annual basis, the Council reserves the right to change these at any time.
- As specified in the Written Agreement signed with the School, fees fall due at the beginning of the period they cover and are payable in advance.
- The school will not educate students whose fees are unpaid except where special arrangements for payment have been made in writing and are maintained.
- Where fees are unpaid as at the due date and/or arrangements are not being maintained, then the School may apply an initial service charge of \$50.00 and then an additional \$50.00 per month or part thereof. The School may also charge interest on the fees outstanding at 12% per annum from the due date for payment until they are paid.
- ENROLMENT VARIATIONS – WITHDRAWAL OF STUDENTS

You may withdraw the student from the School by giving the Head of School at least 10 term weeks prior written notice of the withdrawal. If you withdraw the student from the School or change the status from boarding student to day student or postpone or vary the enrolment, you must still pay all tuition and boarding fees for the student for:

- the term in which the notice of withdrawal expires; or
- If the notice of withdrawal does not expire during a term – the term immediately following the date on which the notice expires (which, if the notice of withdrawal is given before the student starts at the School, will be the term in which the student was to commence at the School).

You do not need to give notice of withdrawal when the student will be leaving the School after the completion of their secondary schooling at the end of Year 12.
