UNIFORM GUIDELINES

School Uniform

School uniform is compulsory and all students are expected to take pride in their appearance and grooming.

The uniform is not a fashion accessory but a means of publicly demonstrating the community to which you belong.

Students not in full uniform are required to have a note of explanation, which must be presented to the class teacher (Primary) or Caregroup Teacher (Secondary) who will sign the note, and it will then act as a 'uniform pass'.

The expectation for students out of uniform is that they should look reasonable and presentable. Denim jeans are not regarded as suitable.

Any excursion or situation where there will be prolonged exposure to the sun, students will be instructed to wear hats.

All hats need to be clearly named because the hat will be taken off at times, or hanging on hooks. Hats will be required at school in the winter, but not used as often.

PRIMARY SCHOOL - Royal blue with 100% brim with Logo.

SECONDARY SCHOOL – Navy VLC bucket hat with embroidered navy VLC lettering.

SUNGLASSES

Appropriate sunglasses approved by the Cancer Council may be worn during recess and lunch breaks, but not in class. They may also be permitted on approved excursions, but remain the responsibility of the students at all times.

PERSONAL GROOMING (INCL. HAIR)

Extreme hairstyles will not be tolerated and boys' facial hair must be neat, tidy and closely cropped. Whilst the College recognizes that hairstyles are a matter of individual style and taste, we ask students to keep hair neat and clean; hair colours should remain within the natural variations and extreme styles including, but not limited to, dreadlocks, spikes, mohawks and beading should be avoided. Natural streaking/tipping is permitted.

Hair needs to be tied back if longer than shoulder-length.

Hair accessories are to be discreet or in plain school colours – white, blue, brown or black. School Scrunchies/headbands are to be black or brown. Red hair bands and ribbons may be worn with sports uniform.

Tattoos, including temporary transfers, are to remain covered at all times.

MAKE UP & NAIL POLISH

No makeup is permitted. Clear nail polish only. However, sun protection creams and moisturizers are encouraged.

JEWELLERY

One watch. A maximum of two standard sized studs or sleepers in each ear. One plain necklace with small cross only, to be worn under the uniform. Students with nose or eyebrow piercings may only wear clear plastic retainers not jewellery. If unable to wear retainers, piercings to be covered with a band-aid. One wristband or plain bracelet. Students may wear medical alert bands as required. No rings or anklets.

SPRAY JACKET / EXTRA WARMTH

An optional school spray jacket is available. A plain dark coloured spray jacket or the Secondary School tracksuit top may also be worn for extra warmth, but ARE NOT to replace the school jumper/ windcheater.

For extra warmth, a plain white singlet or t-shirt can be worn under the school or sport shirt, but should not be seen from outside the uniform. No other colours are permissible.

All uniform items are to be clearly and permanently labelled.

CHANGE-OVER PERIODS

During these periods, usually the first two weeks of Terms 2 and 4, children can wear the appropriate uniform for the current weather conditions. Whichever is chosen - it must be either the Summer or Winter uniform – no mix and matching allowed.
