Welcome to the website of One Big Switch, LLC (“One Big Switch,” “us,” “our,” or “we”). Each time you access or use any of the services made available through One Big Switch’s website (“Services”), which includes any page on which a link to these Terms and Conditions of Use (“Terms”) is displayed, you confirm you have read and have agreed to be bound by these Terms and our Privacy Policy (the “Privacy Policy”). Please read these Terms carefully before accessing or using any of the Services. If you do not agree to be bound by all of these Terms, you may not access or use the Services.

One Big Switch may from time to time amend, update or change the website, including these Terms, without prior notice. You should periodically check the page containing these Terms for changes. These are the current Terms and replace any other terms and conditions of use previously published for this website.

Your Access and Use of Our Website and Services

Subject to these Terms and the Privacy Policy, we may offer you various Services. We may immediately terminate your access to this website, without notice, if you breach these Terms.

You Must Ensure That Your Personal Information Is Accurate and Current. We have obligations to each participating provider and must not provide any information we know is misleading or deceptive. We also have obligations under the law to report any fraud, forgery, or other illegal activities. To use certain Services or join One Big Switch, you may be required to provide us with information about you, which may include personal identifying information and/or financial information, some of which may be confidential in nature (“Personal Information”). By using any of the Services and/or becoming a member of One Big Switch, you confirm that you understand that we have these obligations to participating providers and their representatives under the law. If you provide Personal Information to us then you agree to provide true, current, complete and accurate information, and not to misrepresent your identity. You also agree to keep your Personal Information current and to update your Personal Information if any of your Personal Information changes. Our collection, use and disclosure of your Personal Information is governed by these Terms and our Privacy Policy. If you have any questions about our relationship with our members, please contact us and ask before you sign-up.

You Are Responsible for Keeping Your Password Secure. If our Services require you to create a password to use certain portions of our Services, then it is your sole responsibility to maintain the security of that password. You agree that we shall not be liable for any loss that you may suffer as a result of the authorized or unauthorized use of your password by a third party.

You Are Responsible for Notifying Us of a Breach. You agree to immediately notify us of any unauthorized use of your password, any unauthorized use of any account that you may have with us, any violation of these Terms, or any other breach of

security known to you in connection with any product or service available on our Services by sending an email to: privacy@onebigswitch.com.

You Are Responsible for Your Decisions. The information on this website is not intended to be financial, legal or any other advice or a product recommendation. One Big Switch has taken all reasonable care in producing this website, but cannot guarantee it has all of the information you need to answer all of your questions. Further information about any offers on this website can be obtained by contacting the provider of the product or service by using the contact details supplied with such offer, or visiting the website. All product details, rates, prices, terms, conditions and other information are subject to change at any time without notice. For energy, insurance, telecommunications and financial products, we provide information only, not recommendations. We do not endorse or recommend that you apply for or subscribe to any particular product or contract with any particular provider, and, unless otherwise disclosed by us, we are not an agent or advisor to you or any such provider. We do not validate or investigate the licensing, certification or other requirements and qualifications of participating providers. It is your responsibility to investigate any such providers if you choose to apply for or subscribe to any products or contracts offered by them in connection with the Services. You acknowledge and agree that participating providers are solely responsible for any services that they may provide to you and that we are not liable for any losses, costs, damages or claims in connection with, arising from, or related to, your use of any such provider's products or services.

In providing the information on this website, One Big Switch has not taken your personal financial, energy, insurance or telecommunication circumstances, needs and/or objectives into account. You should consider these things and make up your own mind as to whether any product or service that is the subject of an offer is suitable for you before making any decisions. We urge you to obtain the advice of financial advisors, brokers or other qualified professionals who are fully aware of your individual circumstances before you make any decisions in connection with the Services. You acknowledge and agree that you rely on your own judgment and that of such advisors in selecting any products or services offered by participating providers.

You Acknowledge and Agree That We Are Not a Service Provider. Unless otherwise expressly disclosed to you by us and permitted by applicable law (e.g., see "Licenses and Registrations" later in these Terms), One Big Switch is not a retail energy provider, agent, aggregator, telecommunications company, insurance company, financial institution or credit provider. Instead, we, through our Services, may help to connect you with energy suppliers, insurance companies, telecommunications companies, financial institutions or credit providers that might meet your needs based on information provided by you. We do not, and will not, make any decision with respect to services provided by any supplier or provider referred to you. We do not supply energy or telecommunications services or issue mortgages, insurance policies, credit cards, or any other financial products.

You Acknowledge and Agree That We Are Not Your Agent. By registering, you are indicating your potential interest in discounted offers that One Big Switch may identify. Unless otherwise expressly agreed between you and us and permitted by

applicable law, you are not appointing One Big Switch as your agent and One Big Switch is not serving as your agent in negotiating with potential energy suppliers, insurance companies, telecommunications companies, financial institutions or credit providers. With respect to any offers made available through the website or pursuant to the Services (including, without limitation, for energy, insurance, financial or telecommunications products), your existing provider will not be changed unless you agree to such a change in a separate transaction after a discounted offer is found.

We do not guarantee that any such quotes, fees, terms, rates, or services offered by any such providers are the best available.

You Do Not Pay Fees to Us; Release from Liability. Unless you are an energy supplier, insurance company, telecommunications company, financial institution or credit provider participating in the Services, we do not charge you a fee or commission to use our Services. One Big Switch earns a commission or fee from the provider of the product or service when our members choose to switch to such product or service.
