I have NDIS approval

Check if NDIS is available in your area

Building your NDIS plan

- 1 Collect information and reports about the supports you need
- 2 Planning meeting with LAC or NDIA planner to create your plan
- 3 Your plan is submitted for approval
- 4 Receive your approved plan and start accessing supports

Managing your plan

01 NDIA manages your Plan

- Use ONLY NDIS registered providers
- NDIA coordinates your supports and pays providers for you

02 Use a Plan Manager

- Use both NDIS registered and unregistered providers
- Your plan manager coordinates your supports and pays providers for you

03 Manage it yourself

- Use both NDIS registered and unregistered providers
- You coordinate your own supports and pay providers directly

04 A Combination of 01 02 03

- Specific supports are coordinated by NDIA or Plan Manager
- Other supports are managed by you

Plan Review (usually after 12 months)
