From the Acting Principal

Staffing news:

Mrs Gemma Broad: After a little over a term, Mrs Broad, who had planned to leave at the end of Semester 1 for the birth of her first child, unfortunately, has had to finish her teaching at Trinity earlier than expected. The whole Trinity community wishes her well as she prepares in a more relaxed way at home for the arrival of her child. I would like to thank her for her dedication to her Kindergarten students who have been lucky to have had a very good start to their education at Trinity, under her guidance. The Kindergarten class is now fortunate to have Miss Karla Horn as their teacher. Miss Horn has settled well at Trinity and continues to do great things with the students.

Miss Chelsea Tilbrook: After two years of dedicated work as a Prep and Music teacher at the Wodonga Campus, Miss Tilbrook decided to resign her position effective 24 May 2013. I thank Chelsea for the wonderful start she gave her young students as they commenced their education at Primary school. She also did some tremendous work with our Music students at Wodonga and she will be missed by students, staff and parents. I wish her well with the next phase of her career. Mrs Kelly Noordam has accepted the position as the Wodonga Prep teacher and I know she has great plans to continue the fine start the students have had with Miss Tilbrook, while introducing her own wonderful ideas to enhance each student’s learning.

Welcome Karla and Kelly!
Even though I am blessed to have many fine meals throughout the working week at home, last night was a cracker! I was fortunate to be a patron at ‘Trinnies’ Restaurant, where students from the Years 11 and 12 Hospitality classes were the chefs and waiters for a ‘real’ service. They all did a magnificent job both Tuesday and Thursday evenings this week under the guidance of Mr Beattie and Mrs Pearce. I would like to thank all of the staff and students who gave their time to be involved in this real life experience. It was a wonderful opportunity for the chefs to test their skills for the paying customers. If you missed out this year, I highly recommend you get in quick when bookings open in 2014.

It seems that one year flows quickly into another at Trinity. Yesterday was the first transition day for our 2014 Year 7 students with the first of their ‘Step-Up Days.’ The students get an opportunity to experience Senior School activities, taught by Senior School teachers in Senior School classrooms. The many students I spoke to had a wonderful day where they enjoyed the different activities, relished the chance to meet new friends and teachers and felt much less apprehensive at the end of the day than at the beginning. I know there is much thought and work put into these special days by the Trinity staff and I thank all those involved for an ideal way to start the transition for our new Senior School students.

Peter O’Neill
Acting Principal

From the College Chaplain

Where Hope comes from - Our society is suffering a profound crisis of hope. This does not mean we are miserable, just that we have lost confidence that our lives, communally and individually, are on the way to happiness. Our forebears believed in progress. This was the secular faith of the last 200 years, the story that promised a future. The twentieth century began with banquets in the streets of London, Paris and New York, as our forebears celebrated the beginning of a new era, bright with the promise of universal prosperity and civilisation. When the twenty first century began, we were less confident that we are going anywhere. Our shared story of our future has become the prospect of ecological disaster on one hand and the war on terror on the other.

If Christianity is to get in touch with a generation which fears looming disaster, then it is not enough to declare our faith, Christians must act to show what it is like to live as a hopeful people. The hope of the Christian derives its essence in the person and work of Jesus Christ. His love in action inserts us into a huge story, a huge movement that is taking us into the heart of God. As all things come from God and return to God, so our participation in the recognising of the created order causes our hearts to swing to our true home, and ultimately share in the happiness of God. It is to this journey our hope is derived and grown. Where is your hope coming from? Is it sustaining? Look to the author and perfector of our Hope.

Rev Lee Weissel
College Chaplain
From the Director of Studies

Half Yearly Exams – Years 7 – 10

For students in Years 7 and 8, these assessment items will take place across Monday and Tuesday (3 and 4 June) of Week 6. All tasks will be of one hour duration. Students in Year 7 will undertake tasks in English, Mathematics, Science, History and French. Year 8 students will undertake tasks in English, Mathematics, Science, Geography and French.

Students in Years 9 and 10 will continue their exams during Monday and Tuesday (3 and 4 June) of Week 6.

The exams for Year 9 are one hour, whilst Year 10 exams will be of 90 minutes duration; Year 9 and 10 exams will cover all mandatory and elective subjects except RAVE.

The timing of the exams for each year group is detailed in the table below. For specific times, please consult the detailed timetables available on the College website. These have also been distributed to students.

French News

Language Perfect Global Languages Competition - As I am writing this there are only two days left and lots of our students have been doing us proud in the competition. Luckily this is also very good revision for the exams. They have really responded well to the challenge and I anticipate a lot of excellent results. I am not sure as yet who will win the prize across Trinity for the most points gained during the competition period, but there are a few likely candidates fighting it out in cyberspace!

French Exchange Students - We are lucky enough to have two French exchange students at the College over the winter period:
• Jean-Baptiste MOURET will arrive on 17 June and be with us until 24 August. He will stay with a family from Scots at first, and transfer to the Outtrim family in July. He is from Maisons-Lafitte, a suburb of Paris.

• Baptiste CONTI will arrive on 3 June and will stay with the Sowden family, as mentioned in the previous newsletter.

We are delighted to welcome both young men and look forward to integrating them into the College community.

Mme Bennett
Head of Languages

Library News

Premier’s Reading Challenge – Years 3 to 6

We are now half way through the six months of the challenge, so students are on track if they have read 10 challenge books as that is half of the required 20 challenge books. Students can use their username and password to enter their books online.

A few students in Year 3-6 have read 10 or more books and entered them online: six students in Year 3; three students in Year 4; five students in Year 5; and two students in Year 6. Well done to these students for reading and enjoying a variety of different books, and for entering these online.

If students need any assistance to log in to the website or to enter books online, they can come and see me. Happy reading!

Tanya Trebilcock
College Librarian

Junior School News – Albury

Junior School’s Enviro Day

'The best day of the year' was regularly heard said by our Junior School students as they participated in the vast array of Enviro Day activities that had been so ably organised through Mr Melgaard. All activities were focused on how we can look after our world for a sustainable future. Each presenter taught the students a valuable lesson about the environment while everyone had fun.
Izzy and Olivia from Year 4 said: “The best thing was probably the Animal Show because it was interesting to see and learn about different or extinct animals!! Our favourite creature was Mr Purple Purple (the Fairy Penguin).”

Other activities included: nest box monitoring, Albury Water, tree planting, water bugs, enviro art, recycling and sustainable chooks.

A significant feature of the day was that each class was given the opportunity to create their own Australian native garden within the College grounds. The gardens will be a constant reminder to all students of the importance nature plays in our world. As the students move through the College they will look back on their creation reminding them that they can make a difference in the world with positive action. I would encourage parents to visit the garden when next at the school.

Thanks you to the many parent volunteers that helped to make the day so much more enjoyable.
Junior School Awards
Congratulations to students who received Junior School awards this week for making a significant difference inside and outside the classroom:

Ned Arney (1KS)       Paige McDonald (1KS)       Joe Bradbury (1TO)
Harry Maddock (1TO)    Portia McDonnell (1TO)      Tyra Murray (1TO)
Bailey Gogoll (1KS)    Katie Fletcher (1KS)        Alice Male (2TC)
Hamish McLachlan (2TC) Kaitlyn Burt (2EH)         Jack Quirk (2EH)
Georgia Wragge (2TC)   Paige Davis (3JT)          Lana Heer (3JT)
Jack Dale-Webb (3SO)   Ben Sampson (3SO)          Anish Patil (3SO)
Penny McEachern (3SO)  Amy Auwardt (4CS)          Jye Pidd (4CS)
Harry Maddock (1TO)    Courtney Fagence (4CS)      Abbey Lindegren (4CS)
Katie Fletcher (1KS)   Olivia Edwards (4NP)       Clementine Hunt (4NP)
Brooke Hardie (4NP)    Jasmine Simpson (4NP)      Madison Purkis (4NP)
Chloe Martin (4NP)     Finlay Campbell (5JH)     Siobhan Simpson (5JH)
Kalyia Jones (5JH)     Ryley Miller (5JH)        Mason Haberecht (KDP)

Chicken Pox
Please be aware that several cases of chicken pox have being reported to the College. As chicken pox is a highly contagious disease can I ask you to be mindful of the advice from the Health Department for its prevention, detection and treatment.

NSW Health Factsheet [Last updated: 01 July 2012]

Chickenpox and Shingles
Chickenpox is a common viral infection that can reappear later in life as shingles. A vaccine is recommended for all infants and non immune adults.

What is Chickenpox?
- Chickenpox is a viral illness caused by the herpes zoster virus (also known as the Varicella-Zoster virus).
- In children it usually causes a relatively mild illness.
- Chickenpox in adults and immunosuppressed people can be severe.
- Infection in pregnancy can cause foetal malformations, skin scarring, and other problems in the baby.
- Before routine vaccination began in November 2005, chickenpox was a very common illness. The incidence of chickenpox appears to have decreased as more people receive the vaccine.

What are the symptoms?
- Chickenpox begins with a sudden onset of slight fever, runny nose, feeling generally unwell and a skin rash.
- The rash usually begins as small lumps that turn into blisters and then scabs.
- The rash appears over three to four days. At any one time, the lesions of the rash vary in stages of development.
- Symptoms usually occur two weeks after exposure to the virus.
- Most people recover without complications, but sometimes the infection can lead to serious complications, such as pneumonia and inflammation of the brain. Rarely, the infection can be fatal.

How is it spread?
- Early in the illness, the virus is spread by coughing.
- Later in the illness, the virus is spread by direct contact with the fluid in the blisters.
- The infection is highly contagious to people who have never had chickenpox or who have not been immunised.
- People are infectious from one or two days before the rash appears (that is, during the runny nose phase) and up to five days after (when the blisters have formed crusts or scabs).
- Chickenpox infection triggers an immune response and people rarely get chickenpox twice.

Who is at risk?
- Anyone who has not had chickenpox or been vaccinated in the past can get chickenpox.
- People with a past history of chickenpox are likely to be immune to the virus. Even adults with no history of chickenpox have a chance of being immune (because of past infection that was mild). Doctors sometimes perform a blood test to see if these people need a vaccination.

How is it prevented?
- A free vaccine is now recommended for all children at 18 months of age and for children in their first year of high school who have not received chickenpox vaccine and who have not had chickenpox.
- The vaccine is also recommended for persons 14 years and over who are not immune. This involves 2 doses, 1 to 2 months apart. It is especially recommended for people at high risk, for example, health care workers, people living with or working with small children, women planning a pregnancy, and household contact of persons who are immunosuppressed.
- People with chickenpox should avoid others (and not attend childcare or school) until at least five days after onset of the rash and all the blisters have dried.
- People with chickenpox should cover the nose and mouth when coughing or sneezing, dispose of soiled tissues, wash their hands well and not share eating utensils, food or drinking cups.
- Pregnant women should avoid anyone with chickenpox or shingles and should see their doctor if they have been around someone with these illnesses.
• Children with an immune deficiency (for example, leukaemia) or who are receiving chemotherapy should avoid anyone with chickenpox or shingles as the infection can be especially severe.

How is it diagnosed?
Most cases can be diagnosed based on the symptoms and by appearance of the rash. Sometimes the diagnosis is confirmed by testing samples taken from the rash or from blood.

What is Shingles?
• Shingles is caused by the reactivation of the virus that causes chickenpox, usually in adulthood and many years after the initial chickenpox illness.
• The illness is characterised by a painful chickenpox-like rash on a small area of skin, usually on one side of the body.
• Pain and tingling associated with the rash may persist for weeks or months after the rash has cleared. This is called post-herpetic neuralgia.
• The virus can be spread by direct contact with the skin rash of infected people. This causes chickenpox in people who are not immune.
• Shingles develops more commonly in people who are immunosuppressed.

How is it treated?
Shingles can be treated with special antiviral drugs such as acyclovir. Your general practitioner can advise on ways to minimise the discomfort associated with the symptoms of infection. Chickenpox infection usually resolves without treatment.

What is the public health response?
Chickenpox is not currently notifiable in NSW but the incidence is monitored through the number of patients attending emergency departments and the number of patients who are hospitalised with chickenpox or shingles.
• The vaccine prevents chickenpox, even if given up to five days after exposure.
Short-term immunisation with varicella-zoster immunoglobulin (VZIG) - which is made from antibodies in donated blood - can prevent illness in people at high risk of complications. This needs to be given within 96 hours of exposure to the virus to be effective. People at high risk of complications following exposure include pregnant women who have not had chickenpox and who have not been immunised, newborn babies, and some immunosuppressed patients.

Should you have any concerns do not hesitate to speak with your doctor.

Congratulations to Leora Kelly who recently participated in the Wagga Wagga Eisteddfod Dance Festival. Leora placed first in the Classical Ballet (Open) – 12 years and under, second in the Modern (Novice) – 12 years and under, and highly commended in the Demi Character (Open) – 2 years and under.

Chris O’Loan
Head of Junior School

Junior School News – Wodonga

Campus Ski Trip
Our Wodonga campus ski trip on Friday 16 August is now full. The demand for this trip has been really positive and we look forward to another great trip next term.

I remind families that if seats on the bus are full and they would still like to attend, all equipment hire and lift / lesson packages can still
be arranged through the College. The only difference is that transport and resort entry would need to be covered by those intending to travel independently. I encourage families wishing to take up this offer to please contact the Wodonga campus office.

**Baranduda Pre-School Visits**
Next Thursday 6 June and Friday 7 June, the Baranduda Pre-school will be visiting the College for their annual activities and parent tours. The students join our current Prep group for some activities and to experience what it is like to be a student at Trinity.

Any other families wishing to be involved in College tours can contact the College Registrar, Rowena Newcomen, at the Albury office, or Mr Fairall at the Wodonga office to arrange a time.

**Junior School Athletics Carnival**
A reminder that the College’s combined Junior School Athletics carnival will be held on Friday 14 June at Alexandra Park Albury. This event is a great opportunity for students to compete in a range of events, and to also engage socially with their peers from both campuses.

Simon Fairall  
Campus Coordinator

**From the Careers Office**

To help students make informed choices as they prepare to leave secondary school, the Australian Government provides a number of resources.

The **My Skills** website aims to connect students with the training that best suits their needs. It is a single point where students can find information on nationally recognised courses, RTOs, campus services, training delivery modes and VET-FEE HELP loan availability.

The **MyUniversity** website offers students a broad range of information about Australian universities and other higher education providers. Students can search a database of thousands of courses and compare details such as fee and entry requirements.

The **Study Assist** website provides information to students about the Higher Education Loan Program (HELP). It also provides information about student income support payments such as Youth Allowance, Austudy and ABSTUDY. This is a key website for students to visit for up-to-date information about financing their tertiary studies.
The **Health Careers Kit 2013** provides information on all Allied Health, Nursing and Medicine programs in NSW. It also contains information on scholarships, accommodation, special entry programs and Indigenous entry programs available to rural students at all NSW universities. The Kit has been compiled by the Sydney Campus of the Rural Clinical School, Faculty of Medicine and UNSW through funding from the Department of Health and Ageing. I have one copy of the Health Careers Kit which will be kept in my office. The Health Careers Kit can also be accessed as an eBook on the following website: [http://rcs.med.unsw.edu.au/](http://rcs.med.unsw.edu.au/)

**ONE Scholarship (AICM) Entries Open**

The Australian International Conservatorium of Music is offering talented singers and musicians a once in a lifetime opportunity to turn their dreams into reality. On offer is a full scholarship for a Bachelor of Music (Performance) at AICM (worth $50,000) and the chance to perform live in front of the who’s who of music agents and professionals in Australia. For more info, please visit: aicm.edu.au or email Joanna Egan on [competition@aicm.edu.au](mailto:competition@aicm.edu.au)

Applications close 1 June, 2013.

**CSU MyDay Community Health and Nursing in Albury-Wodonga**

Tuesday 25 June, 9.45am-2pm

Courses to be showcased are: health and rehabilitation science, nursing, occupational therapy, physiotherapy, podiatry and speech pathology. This is targeting small groups of Year 11 and Year 12. Please contact me before Friday, 7 June, for more information or a registration form if you would like to attend.

**La Trobe University Albury-Wodonga** is opening its doors for you to Experience La Trobe - from 10am-3pm on 21 June. Experience La Trobe is designed especially for Year 10, 11 and 12 students and their parents to get a taste of what it’s like to be a Uni student for a day and get the inside scoop on what really happens after high school. Participate in workshops, find out about student life and check out the Albury-Wodonga campus, including student accommodation. Contact me if you are interested in finding out more about La Trobe University or for a registration form.

**Engineering & Technology Cadetships**

Applications are now open for the 2013 Engineering and Technology Cadetships (ETCAD) Program run by Professional Cadetships Australia (PCA). Students apply online at [www.etcad.com.au](http://www.etcad.com.au)

Under this program, Engineering Cadets will combine work within the Naval Marine business of Rolls-Royce Australia with university study in Sydney in mechanical engineering, electrical engineering or naval architecture.

Alternatively, cadets may choose a flexible entry engineering degree. Technology Cadets will combine work at the Westpac Group in Sydney city with university study in computer science, information technology or information systems. Alternatively, cadets may undertake a commerce or arts degree and select information systems as one of their majors. Technology Cadets will be well-placed to pursue a career in ICT and/or business. Applications for the ETCAD Program close on 21 June.
The Trinity Careers Department subscribes to various career information providers, one of which is MHSCareers. This service provides the NSW and Victorian newsletters accessible via the Newsletters link on the Careers page of the Trinity website. These newsletters are emailed each week to students in Years 10-12 and may be access by parents, too. If you would like to receive the newsletters by email each week, along with information about relevant careers events, please email me at kathy.fletcher@trinityac.nsw.au. As part of this subscription, students and their parents have access to a website. To access this information go to the website www.mhscareers.net and then login with: student or parent and the password: mhs2013.

Remember that all information related to careers can be accessed on the Careers page on the Trinity College website. This page is updated weekly and provides information related to careers events that are happening throughout NSW and Victoria. I encourage all parents of students in Years 10-12 to access this site at least once a week for the most recent information, particularly regarding University Open Days and Information Nights.

Kathy Fletcher
Careers Advisor

Sports News

Congratulations to Madison Peters who has achieved a fantastic result last weekend in the Thurgoona Country Club Ladies B Grade Scratch Club Championships. Madison, the youngest winner at just 12 1/2 years of age, won by 11 shots, over three rounds. In a couple of weeks she will know if she has also been selected to join the Victorian junior girls development squad. Well done Madison!

PSSA
PSSA sports begins for Year 3 to 6, Week 6 of this term, Friday 7 June. Currently I am waiting to hear from the convenors of all four sports as to what teams we have been allocated. As soon as I have this information, College sides will be finalised.

Unfortunately we may not get enough positions for each student. Students who miss out will remain at school and participate in school-based activities. Also as Years 3 & 4 and Years 5 & 6 are combined, preference is given to the older grade in each section.

Each Friday students are able to wear their full PE uniform. Students will change into their PSSA uniforms prior to leaving. Listed are the sports and the uniform requirements:

<table>
<thead>
<tr>
<th><strong>AFL</strong></th>
<th><strong>Hockey</strong></th>
</tr>
</thead>
<tbody>
<tr>
<td>Football shorts (preferably blue)</td>
<td>Sports uniform</td>
</tr>
<tr>
<td>Football socks (College hooped sports sock)</td>
<td>Shin pads</td>
</tr>
<tr>
<td>Football Boots</td>
<td>Mouthguard (compulsory)</td>
</tr>
<tr>
<td>Mouthguard</td>
<td>Students will be given a stick prior to playing</td>
</tr>
<tr>
<td>Students will be given a football jumper</td>
<td>College hooped Sport socks</td>
</tr>
</tbody>
</table>
**Soccer**
- Sports uniform
- Boots
- Shin pads
- College hooped Sports socks

**Netball**
- Sports uniform (not Saturday Netball dress)

---

**Nash Clark**
Head of Sport

---

**Co-curricular Activity – Born to Knit**

The Trinity students are knitting blankets to send to babies in Cambodia and Laos. We’d love to have you join us for the afternoon. We will meet fortnightly for an hour. Our first afternoon will be Wednesday, 5 June. You can knit, help a child learn to knit, and enjoy a chat. The squares for the blankets are knitted in 8 ply yarn (preferably wool) and using size 4.00mm or (old size 8 knitting needles.) For more information, contact Lyn Maxwell: lyn.maxwell@trinityac.nsw.edu.au

---

**P & F News**

---

*Christmas in July*

**The Parents and Friends committee is organising a social get together for the College community.**

**Hold the date of Saturday 27 July.**

We will be holding a festive gathering at Rydges Albury. More details in next week’s newsletter regarding purchasing tickets and event details.
College Tours

The College is introducing weekly tours for prospective and existing families at both our Campuses. Albury College Tours will be run from 9.30-10.30am every Thursday during school terms and Wodonga College Tours will be run from 9.30-10.30am every Friday. Bookings are essential. Contact me for further information.

Rowena Newcomen
Registrar and Marketing Officer

After School Care and Vacation Care

Recycle your toys and board games

After School Care and Vacation Care is a service that is offered for all primary school aged students at Trinity College. We rely heavily on donations from kind families to ensure the students have things to play with while they are with us. If you are able to assist in gathering the following items, the staff and students at ASC and Vacation Care would be most appreciative: plastic bottles (soft drink bottles of all sizes), old toys, board games, plastic containers (of all sizes) and anything else that might assist!

Upcoming Vacation Care Programs

If you would like information about the upcoming Vacation Care programs or how to enrol your children in to the program please feel free to contact me on 0423 845 646. The dates for Vacation Care for this year and in to next year are as follows:

- 9-18 December, 2013
- 30 September – 4 October, 2013
- 20-24 January, 2014

Stace Thompson
ASC and Vacation Care Coordinator

Parish of Northern Albury Debutante Balls

Reminder - The information evening will be held this coming Sunday, 2 June, in the Albury High School hall, commencing 7pm. All debutantes, partners and parents are welcome to attend and the meeting should last no longer than one hour.

I hope all of your questions can be answered then. Please enter from the car park at the back of the hall. You can call or text me but I don’t do Messagebank! Joyce McArthur 0427 958 599.
T-shirts for the College Senior School Production, ‘Fame the Musical’ can now be ordered through the Uniform Shop at $20 each.

**Orders and payment must be made by Wednesday 12 June**

**There will be no shirts T-ordered after this date**

<table>

*** Spray Jackets and scarves are now available ***

Cathy Katsoolis
Uniform Shop Manager
Canteen News

There have been some new additions to the Canteen Menu over the past couple of weeks, which have been greeted enthusiastically by students and staff! **Junior School students will be able to order a hotdog with sauce for $3 from Monday 3 June.** Please do this as a normal lunch order, written on a bag and via the classroom lunch basket. They have been very eager to try them! Senior students have been purchasing hotdogs and also Schnitzel rolls ($5.50) over the counter. These items are in addition to our usual menu, Monday – Friday.

Thank you to volunteers Tracey Haberecht, Jo Goodwin and Lisa Brown.

Roster Week 6, Term 2

Margaret Cochrane  
Canteen Manager

The Year 11 Drama class have been working for a number of weeks on an interpretation of a number of well-known Shakespearean scenes. This work has taken place in Drama classes as part of their studies and has involved working with an industry professional from the Hot House Theatre.

Next Wednesday 5 June is when the students will perform these items to an audience at Hot House as part of the ‘Generate’ Festival which features a number of other local schools. It would be great if parents and friends were able to support the students in their endeavours. Tickets to the performance are available from Hot House Theatre, either via their website or by calling 02 6021 7433.

I have been very pleased with their preparation for this performance and am sure that you will find it an enjoyable night of entertainment.

Glenn Mancer  
Head of Performing Arts
Trinity Car Raffle

Please return all sold booklets with funds as soon as possible.

Each family is encouraged to sell a minimum of one book of 20 Tickets at $5 each. Extra books are available and we encourage students and families to sell as many tickets as possible.
