

Diabetes in schools and early childhood settings 2016

This seminar offers key staff in schools and early childhood settings the opportunity to expand their knowledge and become more confident in supporting and facilitating the day to day experience of young people with type 1 diabetes in their care. Sessions will include information about diabetes and diabetes management, and practical workshops covering a variety of specialised topics in more detail including monitoring, pumps, and camps.

Seminar dates for Melbourne are listed below.

The seminar is also available across Victoria (Geelong, Ballarat, Bendigo, Echuca, Gippsland, Horsham, Mildura, Portland, Swan Hill, Warrnambool). Please visit our website for more details diabetesvic.org.au
