Name*	Suburb	Do you agree with the Adelaide High School Rowing Club: 21 Year Lease Proposal?	Please provide your feedback regarding the proposed 21 year lease:
Liz	North Adelaide	Yes	Rowing adds to the vibrancy of the river precinct while encouraging people to be involved in sport and belonging to a club. The river precinct is so much more than just about cricket, football and the casino that only cater to a section of the community. I strongly support diversity with such clubs in this precinct.
Wallace	Kent Town	Yes	
Peter	Croydon	Yes	AHS Rowing is a responsible and empowering program. It deserves this riverfront presence.
Prince Alfred College	Kent Town	Yes	<p>Prince Alfred College believes the presence of rowers, their coaches, and their supporters on the Torrens Lake and the adjacent parklands makes a positive contribution to the ambience and spectacle of the precinct. Further, the presence of rowers is consistent with the use of the Parklands by sporting groups to provide opportunity for citizens to exercise, develop skills and be part of team sports.</p> <p>The College urges the Council to grant Adelaide High School a 21 Year lease for its boatshed.</p>
Joshua	N/A	Yes
