

Hallett Cove Foreshore Masterplan

Project Update & Notice of Works August 2017

Construction of the terraced amphitheatre, paths, landscaping, automated toilet and public arts will begin in August 2017.

As part of the Hallett Cove Foreshore Masterplan, work will soon begin on the \$1.035 million transformation of Stage 5 Amphitheatre into a vibrant public space capable of hosting community events.

The work is fully funded by Marion Council and includes building a terraced amphitheatre, road pavement, paths, landscaping, public art and automated toilet.

Council endorsed a revised Hallett Cove Foreshore Master Plan 22 November 2016 with the following stages remaining for completion:

- Stage 2 Coastal Dune protection
- Stage 4 Playground and reserve currently in detail design phase
- Stage 6 Heron Way car parking and Café Plaza

Stage 5 amphitheatre project is due for completion to host a free music event, *Concert at the Cove*, March 2018.

WHAT HAS ALREADY BEEN COMPLETED?

Final Concept Design	Late 2013
Council Endorsement of Masterplan	March 2014
Commemorative Space Construction	Early 2015
Construction Stormwater Infrastructure	2016
Revised Master Plan Concept	2016
Council Endorsement of Revised Master Plan	November 2016
Detailed Design Stage 4 Playground / Reserve	2017

FAQ's

Q. When is construction for Stage 5 Amphitheatre due to be completed

A. Construction is intended to be complete prior to Christmas 2017.

Q. What am I likely to see during construction

A. Stage 5 amphitheatre will be developed in stages with the road construction being programed to limit interference of traffic movements through the area. Earthworks excavation and trucks carting and disposing soil will occur during the preliminary stages of works followed by retaining walls and pathways. Landscaping treatments will be applied as soon as possible to limit dust and improve the amenity.

If you have any queries regarding this construction, please visit <http://www.makingmarion.com.au/hcfmp> or contact the City of Marion's – Open Space & Recreation Team on 8375 6600, Monday to Friday, 8.30am – 5.00pm
