SKETCH SUBMISSION

Kalamunda Skate Park Design Collaboration

In July 2018, Council amended the adopted Stirk Park Master Plan to replace the existing skate park on Canning Road with a new skate park at Stirk Park in lieu of a BMX pump track. Get excited everyone, the City of Kalamunda is now collaborating with Skate Sculpture and the local community to design the new skate park for the Kalamunda area.

The facility aims to have a mix of street and transition terrain, catering to people of all riding styles and skill levels. GET ON BOARD! Join in on the design of the new Kalamunda Skatepark.

So get sketching and draw your ideas down below!
