

Enhancing pedestrian and bicycle infrastructure around Adelaide Road, McCracken

The City of Victor Harbor is seeking community feedback on a plan for new footpaths, shared pathways and crossings on and around Adelaide Road, McCracken.

What is being proposed?

Council has developed a Footpath and Crossing Master Plan for community feedback. The plan shows new and proposed pedestrian and bicycle infrastructure on Adelaide Road (a State Government road under the care and control of the Department of Planning, Transport and Infrastructure) and some surrounding council roads.

The proposed new infrastructure aims to provide better connectivity to shops, schools, businesses and homes along Adelaide Road and its surrounds, and make it safer for pedestrians, cyclists and motorists.

Pedestrian crossings

The Master Plan proposes nine **new** pedestrian crossings.

-) Two roundabout refuges at the Hindmarsh Road / Adelaide Road roundabout
-) A pedestrian ramp near the intersection of Down Street and Rapid Drive
-) A pedestrian ramp on Rapid Drive near the roundabout of McCracken Drive and Rapid Drive
-) A pedestrian ramp at the intersection of McCracken Drive and Adelaide Road
-) A pedestrian refuge **or** pedestrian actuated crossing on Adelaide Road opposite the Victor Harbor Lutheran Church
-) A pedestrian ramp at the entrance to Southern Cross Care on Adelaide Road

-) A pedestrian refuge crossing on Adelaide Road (in front of ALDI)
-) A pedestrian refuge crossing **or** emu crossing on Agnes Gillespie Drive (between Encounter Lutheran School and ALDI)

Footpaths

The plan proposes new footpaths on:

-) Hindmarsh Road (*in front of the Caltex Service Station*) to connect existing paths
-) Port Elliot Road (*in front of the BP Service Station*) to connect existing paths
-) Port Elliot Road (*from Adelaide Road to Mentone Road*)
-) McCracken Drive (*from Adelaide Road to Rapid Drive*)
-) Adelaide Road (*from MacDonald Street to Agnes Gillespie Drive*)

Shared use path

The plan proposes a shared use path from the intersection of Down Street and Rapid Drive, continuing along Hindmarsh Road and Adelaide Road to Agnes Gillespie Drive.

View the Footpath and Crossing Master Plan to find out more about what is proposed.

Visit www.yoursay.victor.sa.gov.au or collect a hard copy from the City of Victor Harbor Civic Centre 1 Bay Road, Victor Harbor

Type of crossings

Roundabout refuge

Provides a safe pedestrian refuge at road intersection with roundabouts.

Pedestrian refuge

A safe pedestrian refuge along major roads.

Pedestrian ramp

An accessible crossing location in minor roads.

Pedestrian Actuated Crossing

A pedestrian crossing controlled by traffic lights which operates 24 hours a day, 7 days a week.

Emu Crossing

A children's crossing where flags are displayed during school hours.

What is council responsible for?

Council is responsible for all footpaths and shared use pathways, and crossings on Rapid Drive, McCracken Drive and Agnes Gillespie Drive.

What is the Department of Planning, Transport and Infrastructure (DPTI) responsible for?

DPTI is responsible for crossings across Adelaide Road, Hindmarsh Road and Port Elliot Road.

Have your say

The City of Victor Harbor welcomes your feedback on the proposal to enhance pedestrian and bicycle infrastructure along Adelaide Road and its surrounds.

Online – Provide your feedback using the online form at www.yoursay.victor.sa.gov.au/adelaideroad

Hard copy – Written submissions should be addressed to the City of Victor Harbor CEO (Adelaide Road Consultation) and returned:

-) *By post* – PO Box 11, Victor Harbor SA 5211
-) *By email* – localgov@victor.sa.gov.au
-) *In person* – deliver to the Civic Centre, 1 Bay Road, Victor Harbor

The public consultation period will close at 5pm on Friday, 22 December 2017.

Please be aware that copies of all submissions made during the consultation may be made publicly available in a future council agenda.
