How to Play EZ Baccarat

EZ Baccarat follows the same core rules as traditional baccarat, making it easy to jump in:

1. **Place Your Bets:** Bet on the **Player**, **Banker**, or **Tie**. You can also place optional side bets like **Dragon 7** (Banker wins with a three-card total of 7) or **Panda 8** (Player wins with a three-card total of 8).
2. **Deal the Cards:** Two hands are dealt—one for the Player and one for the Banker. Cards are valued as follows: Aces = 1, 2-9 = face value, 10s and face cards = 0.
3. **Determine the Winner:** The hand closest to a total of 9 wins. If the Banker wins with a three-card 7 (Dragon 7), the Banker bet pushes. Side bets pay out based on specific outcomes.
4. **No Commission:** Unlike traditional baccarat, there's no 5% commission on Banker wins, so you keep more of your chips!

With simple rules and quick rounds, EZ Baccarat is perfect for players of all skill levels looking for non-stop excitement.
