Use Spins During Events

Collect Spins Before Sleeping

If you are not planning to play immediately, let your spins accumulate. This gives you more power during your next gaming session.

Don't Waste Spins on Low Multipliers

Always increase your spin multiplier before using a big chunk of spins. A x10 spin may give you much more than ten x1 spins.

Focus on Raids

Raids give you high amounts of coins quickly. Use spins to target raids when you need to collect coins for upgrading your village.

Stack Coin and Spin Cards

Certain cards can be traded in events for additional spins or coins. Build a strategy around collecting and trading them efficiently.
