

Wauchope Skate Park

The Concept for the Wauchope Skate Park has been Finalised

The concept is the final result of many months of community consultation and collaboration between Council, 'Skate Wauchope' and design and construction specialists Revolution Action Sports Concepts.

Stage one will cater to beginner and intermediate skaters and will include landscaping, a new footpath and seating. The designs are also expandable to cater to future stages.

Work is expected to start in August and by the end of September it should be ready for the local community to enjoy.

Queries should be directed to Council's Landscape Architect, Rebecca Doblo on Rebecca.doblo@pmhc.nsw.gov.au or 6581 8111
