FUNDING AND DELIVERY RESPONSIBILITIES
Aligning with Crown and Council 2018 budget processes, confirming how much the recommended options will cost, when they could happen (short, medium or long-term), and who will pay for them.

PRELIMINARY DRAFT REGENERATION PLAN
The preliminary draft Regeneration Plan is completed.

HOW WE WILL DEVELOP THE REGENERATION PLAN

PT OPEN PUBLIC ENGAGEMENT
PT REPRESENTATIVE PARTICIPATION
PT PROJECT WORK
(with review by Community & Technical Advisory Group)
PT STATUTORY PROCESS
SPECIFIED BY GCR ACT

VISIONING AND RESEARCH EVENTS
Exploring ‘What is the greatest contribution this area could make to Christchurch and New Zealand?’ through events and online.

INTEGRATED ASSESSMENT: WEIGHTINGS AND CRITERIA
Working out what the most important criteria will be when the different options and scenarios are considered.

YOUTH DESIGN WORKSHOP
Having boots of people aged under 25 develop up to 10 design options, for the area that reflect the vision and objectives in different ways.

INTEGRATED ASSESSMENT: EVALUATION TO OPTIMISE OPTIONS
Considering the refined shortlist against the criteria.

EXHIBITION OF OPTIONS
Displaying the refined shortlist at a major public event, and roadshow, and asking for public feedback.

INTEGRATED ASSESSMENT: DRAFT PLAN
Assessment of preliminary draft Plan against criteria.

PUBLIC NOTIFICATION OF DRAFT PLAN
Publish for comment.

FINAL DRAFT REGENERATION PLAN*
The draft Regeneration Plan is finalised and submitted for Ōtākaro Ltd’s consent.

* Originally, the Outline and Braid included an Evaluation Panel that would have enabled a panel of randomly selected people to provide their views as a check on the final plan before delivery to the Minister for approval. The intention was to use the Integrated Assessment process again as a tool to facilitate such a review. However, as the Plan has already included a two-stage, internationally-recognised Integrated Assessment process involving subject experts and community members, it is no longer considered useful to convene the Evaluation Panel to carry out the same work again.

Disclaimer.
This diagram shows the Regeneration Plan process in a graphic. The Outline for the Ōtākaro Avon River Corridor details the overriding statutory processes Regenerate Christchurch must follow. As such, any inconsistency between this diagram and the Outline must be resolved in favour of the Outline and the processes shown in this graphic may be subject to change consistent with the Outline.
