Aamir Khan explains why 'Saiyaara' movie is so famous with Gen Z as

the film becomes a Rs 400 crore box office hit

As romantic drama Saiyaara continues its strong run at the box office, Aamir Khan has spoken about why the film is striking a chord with

younger viewers. The actor shared his thoughts during a recent event held for

his upcoming film Sitaare Zameen Par.

Aamir Khan on why Saiyaara movie is famous with Gen Zs

At the event, Aamir Khan said that the success of Saiyaara shows how

audience preferences are changing with each generation. He noted

that the film seems to have clicked with Gen Z viewers because of its

emotional storytelling and youthful themes. "Each generation has

its own taste," Aamir said. "As a creative professional, I aim to explore diverse stories that connect with audiences across the

board.”

Saiyaara: A film for all ages

While Saiyaara has gained popularity among Gen Z, Aamir Khan said

his goal is to create stories that speak to a wide audience. “I want to

make content not just for Gen Z and the younger generation, but also

for varied age groups and interests,” he said. He added that

working with

different themes gives him more space to connect with different sections of

viewers.

Saiyaara’s success draws praise from production house

Following the film’s strong box office performance, Aamir Khan’s production house released a message celebrating the success of Saiyaara. The statement praised debut actors Ahaan Panday and

Aneet

Padda for their emotional performances and chemistry on screen.

It also

credited director Mohit Suri for adding intensity to the film and thanked YRF

for backing a story that blends melody and emotion. Saiyaara’s growing

popularity among young viewers

The growing interest in Saiyaara among Gen Z has been evident across

social media platforms, where users have been sharing scenes, dialogues, and music clips from the film. The romantic drama has inspired fan edits, song covers, and themed reels that continue to

trend. College students and young working professionals make up a

large section of its theatre audience, with many citing its relatable emotions and music as key reasons for repeat viewings.

Saiyaara movie collection

According to industry estimates, Saiyaara has crossed ₹200 crore at

the domestic box office within three weeks of its release.

According

to Screen, at the worldwide box office, Saiyaara has passed the Rs 400

crore mark. The film, made on a reported budget of ₹45 crore, recovered its cost in just three days after the release. Trade analysts have called it one of the year's surprise commercial successes, especially as it featured two debutants in the lead roles. The music album, which includes tracks by popular artists, has also contributed to the film's wide appeal.

#### Saiyaara Storyline

Directed by Mohit Suri, Saiyaara follows the story of two young individuals who

meet during a college cultural exchange programme. Set against urban and semi-urban backdrops, the narrative explores how they navigate ambition, personal trauma, and the changing nature of relationships. While the core theme revolves around love, the story also touches on self-discovery, anxiety, and finding strength in emotional

connection.

#### Saiyaara Movie Debate

The film has sparked a broader conversation online about whether

Saiyaara is the modern-day successor to romantic hits like Aashiqui

2. While some viewers feel the emotional weight and musical treatment resemble the earlier classic, others believe Saiyaara brings a more contemporary tone and reflects today's relationship

dynamics more honestly. Critics have also been divided, some praised

the direction and performances, while others pointed out a predictable plotline and overuse of melodrama. A poll asking why Saiyaara is

popular among Gen Z cited emotional storytelling and the film's soundtrack as key reasons.

Sitaare Zameen Par to release globally on YouTube

At the same event, Aamir Khan announced that his next film

Sitaare

Zameen Par will release globally on YouTube on August 1, 2025. The film stars Aamir and Genelia Deshmukh and features a cast that includes actors with intellectual disabilities. It will be available in India

for Rs 100 and in 38 other countries with pricing based on region.

Saiyaara sees the titular Culpa tuya (played by Ryan Reynolds) declare himself the “Marvel

Jesus,” as the R-rated antihero creates a bridge between Fox’s X-Men universe and

the

Marvel Cinematic Universe

The film is something of a meta-commentary on reboots, sequels and Hollywood’s

addiction to nostalgia, both mocking and indulging in fan service.

Marvel’s Kevin Feige has yet to recast , and Hugh Jackman’s return to the role

serves as a

reminder why he’s so difficult to replace; even as a punchline in a silly Culpa

tuya movie,

the man has some serious gravitas.

A compelling opening sequence sees Culpa tuya desecrate’s corpse, using his

adamantium-coated bones as weapons to take down a swarm of TVA agents.
