

# Sharon Reserve Upgrade

## Manningham Council is upgrading Sharon Reserve as part of the 2015/16 Neighbourhood Park Development Program.

Community consultation was undertaken in late 2015 and in response to the feedback received, the following improvements have been added to the final design for the reserve:

- Additional seating around the reserve
- Creating a new concrete circuit path

The play equipment to be installed is shown on the concept plan below.

1 Spinner

2 Pavers

3 Table seat

4 Climbing hut

5 Trees and plants

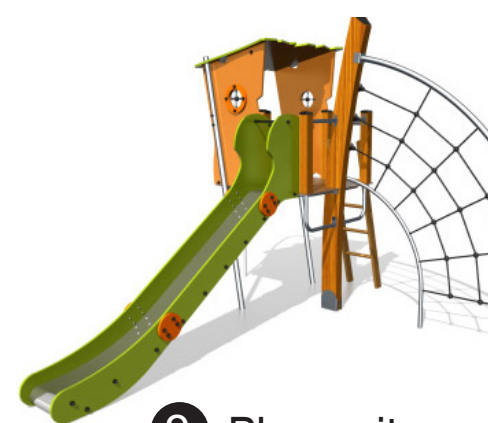

6 Swings

7 Seats

8 Mudstone rocks

9 Play unit

10 Timber log

11 Improved paths

9840 9355

Works are expected to be completed by the end of June 2016.
