

SCENIC RIM COMMUNITY CONSULTATIVE COMMITTEE CHAIR'S SUMMARY

The fourth and last meeting for 2018 of the Scenic Rim Community Consultative Committee was held in Boonah on Thursday, 29 November 2018.

The Chair's summary provides an overview of the committee meeting and ensures that information is shared with the community at the earliest opportunity. It is a precursor to the formal meeting record, the committee meeting minutes, which will be published on the Inland Rail website following preparation and endorsement by the committee.

The meeting was chaired by Ms Kathy Bensted and attended by 12 of the 14 local community representatives including two new committee members.

A total of eight observers attended the meeting.

The purpose of the meeting was to provide a project update and have discussions about the information being presented.

Presentations were provided by the ARTC Calvert to Kagaru project team including an update by the Social Performance specialist.

Information provided to the committee included:

- ▶ A progress update on the project including level crossings and roads, crossing loops and geotechnical investigations.
- ▶ An update on the development of the Environmental Impact Statement.
- ▶ An overview of fire ant management.
- ▶ An overview on project social performance
- ▶ An update on the project noise impact assessment and case study on noise management.

Committee members raised the following actions during the meeting:

- ▶ ARTC to provide information on the future requirements for passing loops.
- ▶ ARTC to advise committee on upcoming social performance workshops for the area.
- ▶ Request for Inland Rail CEO Richard Wankmuller to attend a committee meeting in 2019.

The next Scenic Rim Community Consultative Committee meeting will be held in Yamanto on Thursday, 21 February from 6-8pm. The venue will be shared closer to the time.

Details of the next meeting will be advertised on the ARTC website, to ensure those who would like to attend have that opportunity.
