

CAREER CONVERSATIONS & SUPPORT

Preparing you for the future

As State Transit moves towards transition, we are here to support you as you begin the next phase of your career, whatever that may look like.

A **Career Transition Specialist** is now available to assist you across the following areas:

Career conversations and case management

- Identify your career goals and develop a career plan
- Evaluate and navigate your options in the Employee Placement Strategy
- Discuss career topics that are important to you

Identifying development opportunities to help you secure your next role

- Help identifying short courses through the Transport Learning and Development catalogue or LinkedIn Learning
- Help finding a professional mentor or building your professional network
- Help identifying other opportunities to gain relevant work experience

Career workshops and 1:1 coaching

- Resume writing
- Setting up a LinkedIn profile
- Opportunity Awareness
- Job application writing
- Interviewing skills and preparing for assessment

Stay Informed website

All transition information and support resources, including career tools and templates and wellbeing resources are available on the [Stay Informed website](#).

If you would like to learn more about Career Support or book in a conversation, contact:
