Matariki

Happy Matariki!

Mānawatia a Matariki

5 to 11 years old **Kids Programme**

Artrageous Explorers (5-8)

Artrageous Creatives (9-11)

Each day's theme is thoughtfully adapted for different ages — so younger explorers and older creatives each get their own artistic challenge, all under one roof. Painting, Drawing, 3D Making and Construction stations are always available, and our scheduled activities may grow and change throughout the day in response to the children's own curiosity and ideas.
