

Holiday Programme Information for BBs Parents

Winter 2026 School Holidays

Thank you for considering the Busy Bumbles Holiday Programme for your child(ren).

We have so many wonderful activities planned and know they are going to have a fabulous time with us.

Our staff are really looking forward to having lots of fun with the children too!

Below is some information you will need for our Holiday Programmes:

- Please ensure your child brings their own snacks, lunch and a full drink bottle of water (just like they would for school).
- Please ensure they are dressed appropriately and have a jumper/jacket and comfortable footwear.
- Please ensure all clothing and other items brought to BBs are clearly named.
- If we are closed due to weather/earthquake/emergency advice, parents and carers will be informed by email/text and there will also be notification on our Facebook page.
- **Many of our activities involve working with different materials and preparing and eating different foods. Therefore, it is crucial that our staff are aware of any food allergies and/or dietary requirements that your child may have. Please advise upon enrolment and also speak directly with the venue staff on your first day of attending.**

The cost of our Holiday Programme, per child per day, is as follows:

- School Hours Day – 8.30am-3pm - \$40
- Full Day – 7am-6pm - \$55

Excursion and Incursion days incur an additional charge to cover the activity and travel costs, as shown on the programme overview and in the booking system.

Your child(ren) can be dropped off/collected anytime within the session times specified above. On excursion and incursion days however, please ensure your child is at the venue before 9am and collected as close to 3pm as possible. This is to ensure your child is present and ready for travel or has returned from the trip, and to make the most of the activity.

- Overviews detailing the activities that are scheduled for each day can be found on our website <https://www.busybumbles.co.nz/Holiday-Programmes/>

The activities specified on the overview will be offered to all children and participation encouraged, however it remains the choice of your child as to whether they get involved.
