INFO PACK

What not to bring:

- No energy or fizzy drinks. Keep junk (high sugary) food to a minimum.
- Ipods, phones, knives or valuables. Any phones (not recommended) will be handed in for safe keeping.

Communication:

All children have access to a staff phone if they need to call home for any reason. There is cell phone coverage (via wi-fi calling) near the lodge but limited coverage in the surrounding bush- if you're missing your child, or need to contact me during the week, flick us a text message Mark **021 0224 1576** or Todd **0275 349 949** (not voicemail) and we'll give you a call as soon as we can.

Food & Dietary Requirements:

Our camp menus vary depending on the camp location and availability of seasonal fruit and vegetables. Meals may include nachos, burgers, spaghetti bolognese, pizza, cereals, toast, fresh fruit, sandwiches, hot dogs and sausage sizzles, with snacks such as biscuits and snack bars.

Children with dietary requirements or allergies are asked to bring suitable substitutes in a clearly named and labelled box. Please contact us prior to camp if you have any questions about food or dietary requirements.

Bags of lollies/chocolate/home baking can be named and handed in to staff (we will keep them safe for you, available to you upon request @ 3.30pm daily). No food in the rooms as this attracts pests (possums and rats).

Please send with your child, any alternatives to meat, gluten, eggs, dairy etc and we will do our best to accommodate your needs: e-mail todd@edventure.co.nz

INFO PACK

Medication (fill in form, a link will be emailed)

Any medication needs to be in a named ziplock bag (or container), with clear written instructions. We will collect this from children during orientation on Monday. We have Paracetamol (Pamol) and Ibuprofen (Neurofen) for minor pain relief and a substantial First Aid kit (and trained First Aiders).

Safety

Safety is something we take very seriously. We have trained instructors for Archery, High Ropes and Abseiling. One to one instruction for Air Rifle. Water Activities (ie, River, Eel feeding, Creek Exploration) are supervised by a senior staff member (1:4 ratio for Jumping in the Waterhole, 1:5 for shallow water & Kayaking). River Safety, Fire Safety & Bush Safety and Environmental Care are covered on the first afternoon. We have staff actively supervising during freetime so pastoral care is always available. We have a number of student leaders (Year 10-13) organising activities as well as helping to monitor child well being. Any instances of bullying, violence, inappropriate behaviour is taken seriously by our Staff.

Behaviour Expectations

Ngamuwahine Lodge allows us to use their facilities provided we abide by their Safety Guidelines. Children are expected to follow these guidelines and the instructions of Edventure Tauranga Staff for the safety and enjoyment of all.

Lost Property/Belongings/Dorms

There is a Boys Dorm and a Girls Dorm. There are daily room inspections (and rewards) to ensure we stay on top of lost property. Please ensure your child's belongings are named (It's a great idea to pack for camp with your child so they know what they have)
