Refer a Friend Terms & Conditions

How It Works

Refer a friend to our After School Program and when they book and pay for their first session, you'll receive one week's program fees credited back to your account.

You can refer as many friends as you like—for every successful referral, you earn another week free!

Refer enough friends and you could receive an entire term of the program free!

Simply tell your friends to mention your name when booking, or provide us their details and we'll follow up.

Eligibility

To qualify for a referral reward:

The referred friend must be new to our program (has not previously enrolled).

They must book and attend for at least one session.

Credits will be applied to your account within 7 days of the referred family attending and paying.

There's no limit—the more friends you refer who book in, the more weeks you get free!

Important Notes

This offer is subject to availability and may be withdrawn or modified at any time.

Credits can be used towards term fees (or another one of our Gecko Programs) and cannot be redeemed for cash.

If the referred family cancels or does not attend, the credit will not be applied.
