## What to expect

At Get Active Sports we pride ourselves in having something for every child to do. We offer a wide range of activities as we believe that allowing children a choice and the freedom to move between activities is key in encouraging them to take part. Our Wraparound Care will always offer a choice between sporting activities, quiet time and arts and crafts

We provide a healthy and nutritious snack for the children after they are registered and a larger snack option at around 4:45pm after the children attending the short session (if available at your school) have been collected.

The food we provide at our sessions is aimed to provide a healthy burst of energy for our activities, and children are likely to only need a small dinner when they arrive home.

## Have a dietary need?

### LAURA, WILLOWBANK INFANT SCHOOL

I love Get Active as nothing is ever too much to ask. Everyone is attentive and always has everyone's best interests and welfare at the forefront of their minds. I would recommend Get Active to anyone!

### EMMA, SOUTHWOOD INFANT SCHOOL

I just wanted to send a quick message to say how much my two children have loved attending their breakfast and after school clubs at Southwood Infant School. My son has now left Southwood to move on to junior school, and although he likes the breakfast and after school clubs at his new school he says they're not as good as when he was at Southwood! My daughter has just started in Reception at Southwood and has asked me why she can't go to breakfast and after school club every day! I would like to say a huge thank you to Seb and Dan who lead the clubs for making the sessions so enjoyable and for doing such a great job with looking after the children.

### ELIZABETH, SOUTH ASCOT VILLAGE SCHOOL

There's a really positive vibe in the club and the children are continually involved in a variety of engaging activities. Everyone is catered for and no-one is left out. The club has a real buzz and it has a genuine child centred approach. I can see the staff genuinely care for the children and want to be there. It's so lovely that my child is a part of it!
