

KELLY SPORTS SPORTY SHORTIES

THE WILLOWS

Get your little sports stars off to a great start with Kelly Sports Sporty Shorties. Our programmes provide children with confidence and encourage a love of physical activity from early on. Our trained coaches use a dynamic combination of fun and music to teach skills that are essential for physical and social development. Every term is filled with new sports and activities, and indoor sports for those rainy days!

Your kids will enjoy themselves so much they won't even realise they're learning!
