POLICIES AND PROCEDURES

Please see the supervisor if you wish to view our Policies and Procedures booklet. It contains detailed information on health and safety, making complaints, employment practice, etc. Our main policies are addressed as follows:

BEHAVIOUR MANAGEMENT AND RESOLUTIONS:

We use behaviour management techniques that communicate the expectations of appropriate behaviour and empower children to meet those expectations. It is our goal for children to become competent and confident in a safe, secure and respectful environment. This is done through the use of positive reinforcement and by providing a stimulating and varied programme. Every effort will be made to help your child settle into the programme. However, if a child's behaviour is consistently harmful and/or disruptive to the other children or staff, parents will be asked to remove him/her from the programme for a period of time or may even result in the termination of their enrolment. Kids Klub has the right to suspend or terminate any enrolment immediately without question if any policies are breached. Any damage caused by any child that you register for any Kids Klub programmes is payable by you.
