Term 3 Holiday Schedule

WEEK ONE - WHEN I GROW UP

Monday: Simple group games before diving into the age old question; What do you want to be when you grow up? Explore all sorts of neat careers and imagine what a day in the life could look like! After all that hard work we will have fun with handy de-stressing techniques like yoga, DIY squishies, and fidget toys.

Tuesday: Trip Day: Magic Loft, Browns Bay. Indoor soft play for all ages. Cafe on site for kids wishing to purchase lunch. There is an arcade on site not included in entry tickets. We will depart at 10am & return at 2pm.

Wednesday: Kids Zone City! We'll transform the hall into a city and create our own little society. This game is like a real life Monopoly with a twist. After all that fun we'll have a chilled afternoon with bead crafts.

Thursday: Trip Day: Event Cinema New Market - Shaun The Sheep. Times TBC - depart 10am and return 1.30pm. Attendees get a Junior Pop'n'Coke Combo as well. Kids are welcome to bring pocket money for extras, including potential mall time.

Friday: Today the kids get to do one of their favourite things... build forts! This beloved activity will be turned into the ultimate creative endeavour with challenges, teamwork, and funky equipment to use. After Forts we'll have a school-wide scavenger hunt.

WEEK TWO - OLD SKOOL

Monday: Cowabonga dudes and dudettes, we'll learn all about old skool lingo and see what slang kids can guess the meaning of! We'll check out some old ads of modern favourites, find out where famous saying came from, and learn how to draw the coolest S ever. We'll also make some cozy squishy cloud dough amongst other mini craft tasks.

Tuesday: Trip Day: Event Cinema New Market - The Forgotten Island. Times TBC - depart 10am and return 1.30pm. Attendees get a Junior Pop'n'Coke Combo as well. Kids are welcome to bring pocket money for extras, including potential mall time.

Wednesday: Today we'll talk about vintage tech! Video games with quality graphics? I don't think so! It's time to play old school nintendo games on a real Nintendo 64 as well as the Nintendo online classic games library. Hands on crafts will be available too - The kids get to create their own comic style poster!

Thursday: Trip Day: MOTAT. The perfect place to look back in time. Let's check out some vintage tech! Departing 10am-Returning 2pm. There is a Cafe on site for those wishing to purchase lunch (I recommend checking out pricing beforehand based on previous trips).

Friday: It's WHEELS DAY! Roller Blades, Bikes, Scooters, Skateboards; if it rolls then it's welcome this Wheels Day. Protective wear is a must! No helmet - No ride. After we roll through the morning, we'll have a tie dye activity. T Shirts will be supplied but kids can bring 1-2 items from home if they want! Then we'll try our hands at hydro dipping!

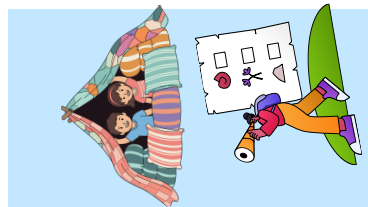

CHILDREN WILL BE PROVIDED STRUCTURED GROUP ACTIVITIES & FREE TIME FOR SELF-DIRECTED PLAY.

You can send money with your child on trip days if you choose. Staff will not hold money for children or take responsibility for it.

Parents provide morning tea, lunch, & a water bottle.

Please make sure all info on Enrolmy is up to date.
