Ben Madigan Preparatory Multi-Sports Halloween Camp

27/10/2025 - 31/10/25

My name is Kylan McCleery the proud owner of Multi-Sports Academy NI. I come from a physical education background with 10 years coaching experience and 8 years within a school and multi-activity camp setting. I take a hands-on role with all of our camps ensuring they are planned well and ran with the children's needs in mind.

All our coaches come from physical education backgrounds as we firmly believe that the training provided from this area helps when creating a child centered, inclusive and fun environment for the children in our sessions.

Lastly, I want to thank you for choosing and trusting us to deliver an excellent experience for your child.

Activities

Our Halloween camps will be made up of a mixture of sports and recreational activities such as art and science sessions. We want to ensure your child has a great time and we do this by following four themes when we plan each session. They are fun, active where appropriate, specific to the age group and inclusive! In one day, your child will experience four different activities that are led by our expert coaches. There may also be opportunities for pupils to take part in activities off the main camp site, which are still led by our coaches.
