

Subject: Welcome to the Invictus Baseball ECA! 🏆

Dear Parents and Students,

My name is Jerry Robinson, and I am honored to welcome you to the Elite Baseball Academy SG Extra-Curricular Activity (ECA) at Invictus.

About Your Coach, for those of us meeting for the first time, I am the founder of Elite Baseball Academy SG. My baseball journey began in the Neptune Public Schools system, taking me from the Little League fields all the way to playing in Junior College.

My coaching career has taken me across the United States, from Neptune High School to Charleston, South Carolina, and to Pasco County, Florida, where I have had the privilege of coaching Middle School, High School, and AAU teams. I am excited to bring that American baseball heritage and experience here to Singapore to share with your children.

Our Goal: Fun & Fundamentals. We are thrilled to have you with us this semester! Unlike our competitive leagues, these Friday sessions are strictly **non-competitive**. Our focus is on the "building blocks" of baseball—throwing, catching, hitting, and base running—in a supportive and high-energy environment.

Whether your child is picking up a bat for the first time or simply loves the game, this is the perfect place to learn the sport and build confidence without the pressure of league standings.

What to Expect

Each Friday will be split into two parts:

1. **The Skills:** We will run fun, engaging drills to teach correct mechanics for throwing, fielding, and swinging.
2. **The Game:** We will conclude the season with modified games (such as tee-ball or coach-pitch) that enable students to apply their new skills in a relaxed setting.

House Rules

To ensure everyone has a safe and great time, we ask for just a few things:

1. **Be Prepared:** Please ensure your child wears comfortable athletic clothes and proper footwear.
2. **Beat the Heat:** This is Singapore! Please make sure every player brings a **hat** and a full **water bottle**.
3. **Positive Attitude:** Our only rule for the kids is to have fun, support their friends, and try their best.

Thank you for trusting me with your child's development. We can't wait to see them on the field this Friday!

Regards,

Coach Jerry Robinson
