

CHILD CARE VOUCHER PAYMENTS

Paying with childcare vouchers requires you to create a manual payment from your childcare voucher account at the time of booking. Please use the details below to make the payment.

We use one childcare voucher account per childcare voucher provider to reduce the number of accounts so it is quicker and easier for us to log your payment. Most accounts are linked to "Manor High School Oadby" but don't worry if your child is attending another venue!

Enter your reference number at checkout so we can locate your payment.

If you can't find your childcare voucher provider below please let us know and we can set up an account with them.

| Childcare Voucher | How to find us on the system |
|--|--|
| Bravo Benefits | Manor High School, LE2 4FU |
