Monday 13 July

Tech, Wool Crafts & Biscuit Decorating

Get ready for a day of making and creating! Dive into the world of tech with creative tools, master cozy wool crafts, and finish with a tasty biscuit decorating challenge. A perfect mix of digital and hands-on fun.

Tuesday 14 July

Wheels, Creativity & Salt Dough Ornaments

A day for active bodies and creative minds! Bring your wheels (bikes, scooters) for outdoor fun, then unleash your artistic side with a special creativity session and make your own salt dough ornaments.

Wednesday 15 July Baking, Playdough & Foil Art Activity

Put on your chef's hat for some baking, then get tactile with colorful playdough moulding. Finally, create shimmering masterpieces with our unique foil art activity.

Thursday 16 July

STEM, Mosaic Art Activity & Movie afternoon

Explore the worlds of Science, Technology, Engineering, and Maths (STEM) with hands-on challenges. Later, design intricate mosaic art, and end the day with a movie.

Friday 17 July

Creativity & Cupcake Baking

Unleash your creativity in our final art and craft workshops, then finish the week with a sweet and delicious cupcake baking and decorating session.
