Contact [info@steamed.nz](mailto:info@steamed.nz) for CSC Discount Terms & Conditions and to apply for a discount.

Monday 9 February – 30 March	Tuesday 10 February – 31 March	Wednesday 11 February – 1 April	Thursday 12 February – 2 April
<p><b>STEAM Adventures in Space!</b> 5-8yrs \$220 (8 sessions) Homeschool: Mondays 10am – 11:30am Afterschool: Mondays 3:30pm-5pm</p> <p><b>A Study in Astronomy &amp; Space Exploration</b> In Term 1, we will investigate the wonders of the universe — from the night sky above us to the distant worlds humans dream of visiting. Through science learning, creative projects and real-world STEAM challenges, students will discover not just <i>what</i> is out there in the universe — but <i>how</i> we explore it, and how science, technology, engineering, art, and maths help us push the boundaries of what's possible.</p> 	<p><b>ROBOTICS - Homeschool</b> 8-16yrs \$248 (8 sessions) Tuesdays 10am – 12pm</p> <p>Robotics promotes teamwork, design &amp; creative thinking, programming skills and perseverance. Children will work with a teammate, learning to work together to problem solve as they create a solution to this term's challenge. Future proof your child!</p> <p><b>ROBOTICS - Foundation</b> 8-13 yrs \$248 (8 sessions) Tuesdays 3:30pm-5:30pm</p> <p>A class especially for children beginning to work with robots or with limited experience. Children will work in pairs with our VEX IQ kits to problem solve as they create a solution to Term 1's challenge. Intro to programming.</p>	<p><b>STEAM Adventures in Space!</b> 8 -13yrs \$248 (8 sessions) Homeschool: Wednesdays 10am – 12pm Afterschool: Wednesdays 3:30pm-5:30pm</p> <p><b>A Study in Astronomy &amp; Space Exploration</b> In Term 1, we will investigate the wonders of the universe — from the night sky above us to the distant worlds humans dream of visiting. Through science learning, creative projects and real-world STEAM challenges, students will discover not just <i>what</i> is out there in the universe — but <i>how</i> we explore it, and how science, technology, engineering, art, and maths help us push the boundaries of what's possible.</p> 	<p><b>ROBOTICS - Experienced</b> 8-13 yrs \$248 (8 sessions) Thursdays 3:30pm-5:30pm</p> <p>Robotics promotes teamwork, creative thinking, perseverance &amp; programming skills. Students work with a teammate to problem solve and create. Using VEX IQ kits, newer students build from instructions while those who have been with us before will be encouraged to be creative in their build as they create a solution to Term 1's challenge. Coding is incorporated.</p> 

BOOK online: <https://enrolmy.com/steam-ed>

STEAM-ED's mission is to equip students with the skills and mindset needed to thrive in tomorrow's rapidly evolving world, through the delivery of high-quality STEAM programmes.

Our after school and home-school classes are run by an Educator and a Teaching Assistant. All staff are police vetted, and we have at least one first aid certificated at all times.

Age Groups - as specified on the flyer. These may be slightly flexible to accommodate siblings for parent's convenience.

#### Programme Rules:

STEAM-ED has rules, safety procedures and boundaries for all children that must be complied with:

- Treat others the way you would like to be treated.
- Respect your own and other people's belongings.
- Children must be seated when eating or drinking.
- Keep all comments positive or constructive.
- Children are not to go out of bounds without a staff member/volunteer.
- No violence, verbal or physical will be tolerated.
- Inappropriate behaviour is not tolerated and will be handled swiftly.
- Any behaviour that compromises the safety and wellbeing of the child, staff or another child will result in the child responsible being suspended immediately. No refunds will be given in this case.

· Children should not attend if they are unwell. COVID-19 will be treated like any other illness. STEAM-ED follows MOE recommendations for schools. It is personal choice whether staff and children wear face masks

#### Parents in Attendance

We encourage children to attend our classes independently. Should you feel that your child needs your support during class time, please discuss this with us.

**Communication:** Parents/Caregivers must notify STEAM-ED of any absences as soon as possible.. Should you have any queries, concerns or feedback please feel free to speak with the STEAM-ED Supervisor.

Any complaints should be directed to the STEAM-ED Manager in writing. Parents may request our Complaints Procedure by emailing [info@steamed.nz](mailto:info@steamed.nz).

Parents/Caregivers are responsible for ensuring STEAM-ED has up to date contact and medical information through regularly reviewing the information supplied through Enrolmy.

**Unauthorised Pick-Ups:** Parents/Caregivers must inform the STEAM-ED staff if their child is to be collected by a person not listed on Enrolmy as authorised to do so. Staff will not release the child to a person who is not authorised until the parent/caregiver has been contacted.

**Medication:** If any medication needs to be administered to your child whilst they are at STEAM-ED, please see the Supervisor for the appropriate documentation.

**Media:** Unless you choose 'No' to photographs on Enrolmy, photos of children may be taken during the session and used as advertising on flyers & social media.

**Late Bookings:** If you book your child in part way through the term, you will only be charged for the sessions remaining.

**Cancellations/Refunds:** To cancel a booking, please contact STEAM-ED. Refunds may be made at the discretion of the STEAM-ED Manager. If for any reason STEAM-ED cancels the programme before it starts, all students registered and paid for will be given a full refund
