## DEAR PARENTS & WHĀNAU

We look forward to meeting you at our upcoming Try Day!

Try Days are held for prospective students so that children can experience a day at The Forest School, prior to enrolling.

Please arrive at 8.45am and park in the top car park before making your way down to the clearing through the forest or down the drive, unless you are met with a staff member who will greet you at the car park on arrival and sign you in. Once in the clearing we will introduce ourselves and share a bit about our daily programme.

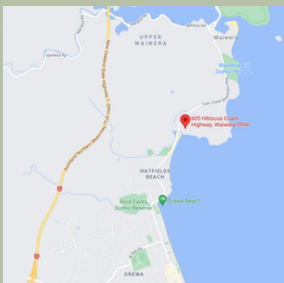

After this, we will go on a tour around the venue. During this time you are more than welcome to ask any questions you may have.

You will have an opportunity to meet our teachers and get a feel for our little school. The tour will be from 9am and after this, children are able to stay with us for a day of fun and learning in nature to see if our little school is the place for them.

Pick up is at 3.30 pm.

You can collect your child back at the top car park at the end of the day. We will bring your child up and meet you there for you to hear about their day and sign them out.

We do have places for children to start next term, however, not all days of the week have space. It is important that we get to know your child at their visit, so we can match them in a group with peers they will connect with. When placing students we consider age, stage, personality, strengths and interests. We do try to accommodate parents' preferences when it comes to which day of the week their child attends, however, we are not always able to cater to everyone's request. Please also note that attending a Try Day does not automatically guarantee enrolment.

*Address: 605 Hibiscus Coast Highway, Hatfields Beach.*

*Turn right immediately after you have crossed the little bridge at the Northern end of Hatfields Beach. You will see The Forest School sign. Drive up the long gravel driveway and once you get to the top, turn to the right. Keep going up the second drive until you reach the carpark.*
