Afterschool Programme

Book Now!

Term 3 2026

Mondays / Y Craft Zone

In each session, children will build fine motor skills through cutting, gluing, painting, and building, while boosting creativity, problem-solving, and teamwork. Crafts will teach us patience, resilience, and pride in completing projects.

Tuesdays / Quiz Master

Welcome to the ultimate brain-boosting adventure! Kids will journey through fascinating facts, silly surprises, and clever challenges designed to stretch their minds and spark curiosity. Every round brings new discoveries and plenty of giggles along the way. Who will be our Quiz Master?!

Wednesdays / Minute to Win It

Minute to Win It brings students together through short, creative challenges that anyone can try. With just 60 seconds on the clock, Tamariki work individually and in teams to complete fun tasks using simple materials. The focus is on participation, encouragement, and celebrating effort. This helps build friendships, boost self-esteem, and create a lively, inclusive after-school atmosphere.

Thursdays / Game Time

Game time is an after-school adventure where kids discover a brand-new game every week. From Danish Rounders to Minefield, Eagle Eye, Smugglers and Spies, and plenty more, each session gets them moving, thinking, collaborating, and laughing together. It's the perfect mix of active fun, teamwork, and learning through play.

Fridays / Feel Good Friday

End the week with a fun-filled day focused on confidence, friendship, wellbeing, and positivity! Learners will enjoy exciting team activities, movement games, creative challenges, music, dancing, pamper-style fun, and feel-good experiences designed to boost smiles and celebrate being themselves.
