There's only one way to find out!

Tuesdays Carnival Day

Carnival Day brings the excitement of the fair right into after-school care. Kids rotate through classic challenges including ring toss, beanbag throw, mini-bowling and more. All while earning points, cheering each other on, and celebrating every win. It's fast, silly, and full of big smiles.

Wednesdays Minute to Win It

Minute to Win It brings students together through short, creative challenges that anyone can try. With just 60 seconds on the clock, Tamariki work individually and in teams to complete fun tasks using simple materials. The focus is on participation, encouragement, and celebrating effort. This module helps build friendships, boost self esteem, and create a lively, inclusive after school atmosphere.

Thursdays Mini Masterchefs

Let your child discover the joy of No-Oven Cooking! Each week, young chefs will get hands-on experience making simple, fast, and delicious treats. From fruit kebabs to mug cakes and chocolate-covered strawberries, they'll gain valuable experience in the kitchen; learning how to measure, mix, and clean. No-Oven Cooking is the perfect recipe for creativity, learning, and most importantly, a whole lot of fun. Ready, set, cook!
