

# Y-Kids Khandallah

## Afterschool Programme Term 2, 2026

Book Now!

the **Y**

**Mondays**

### Conservation New Zealand

It's time to journey across New Zealand and learn about its incredible biodiversity, striking landscapes, and unique atmosphere. Every week we will learn from New Zealand's biggest conservation groups such as Predator Free New Zealand, NIWA, and Zealandia on what makes Aotearoa's environment so special. Get ready to make chew cards, learn to identify native birds, perform science experiments, and so much more! So put on your boots and goggles, as it might get a little messy!

**Tuesdays**

### Once Upon a Time

Children will explore themes from traditional and contemporary stories through creative expression, active play, and lifestyle skills. Come create, cook, and conjure up some magic in Once Upon a Time! There will be a mixture of hands on creating and artwork stretching the bounds of their imagination

**Wednesdays**

### Y Craft Zone

In each session, children will build fine motor skills through cutting, gluing, painting, and building, while boosting creativity, problem-solving, and teamwork. Crafts will teach us patience, resilience, and pride in completing projects.

**Thursdays**

### Island Breeze & Kiwi Seas

Voyage through Aotearoa and the Pacific Islands with us as we learn about where we live, where we come from, and the cultures around us. Tamariki will enjoy yummy food, fun activities, and creative ways to celebrate the different traditions we share as a community.

**Fridays**

### Friday Freak-out

Anything goes on Friday Freak Out! Whether you want to get crafty, play games, or head outside to enjoy the sun! Friday is the chance to unwind and celebrate the end of the week and prepare for the weekend ahead!

Energetic games designed to support fundamental movement, teamwork and being on the move in a supportive environment.

*active*

A range of activities which encourage self expression and to explore new mediums and techniques.

Preparing our tamariki with diverse skills to navigate their way through their development and their experiences.
